A NEW brass band is on the eve of formation, to be composed of several young men of this city whose talents ran that way.

DUDLEY & ELLIS, are willing to fill up and clasp hands across the bloody chasm formed by their new stock of boots and shoes.

GRANT AND WILSON CLUB.—Seventy-five men members were added to the club in Ward 1 last night. Geo. L. Mabson was chosen permanent president.

NOT INVITED.—A large snake of the moccasin species was discovered yesterday, snugly coiled up by the front steps of Mr. H. Hutaff, corner of 8th and McRea streets. His snakeship was promptly despatched, and it is a wonder that some of the children who were playing in the yard at the time were not bit.

QUARANTINED.—The English Brig *George Howe* Cotton, master, arrived from Aspinwall yesterday, having experienced sickness aboard during the voyage. One man died on the passage, and one is now seriously ill. She was promptly placed in quarantine at Smithville.

BAD GIRLS.—Harriet Kelley and Kate Hall colored, indulged in a fight on Market street near 9th this morning, and were promptly arrested and placed in the guard house, where they make day hideous with their lamentations. Kate Hall is a dangerous and troublesome girl. On Sunday last she assaulted a little girl who was returning from Sabbath School, and cut her severely on the head, and has hitherto eluded arrest.

THE lottery scheme for the benefit of the College of Physicians and Surgeons was partly drawn last night. A number of gentlemen were selected from the audience to act as a drawing committee, to register the prizes drawn.

About 150 numbers were proclaimed but only one large prize was drawn, $250. We understand that a colored man of this city was the fortunate man. The drawing will be continued to night, and tickets will be sold to-day. We would suggest that the future drawing take place by daylight, as the expenditure for gas must be quite an item.

The following numbers received the prizes.

Mr. Turrentine is well known in this community as having been in the old established house of John Dawson for about seven years past, and Mr. McRae is equally well known, having been in the employ of Messrs Hedrick and Ryan, at one time one of the largest dry goods jobbing houses in the State.

Mr. Turrentine leaves for the North in a few days to lay in his stock of goods, and we bespeak for the new concern a rousing reception on the occasion of their "opening day" in October.

A TELEGRAM from Rome, to Arch bishop McClosky announces the appointment by the Pope of the Rt. Rev. Wm. Henry Elder, Bishop of Natchez, to be Arch Bishop of Baltimore to succeed the late Arch Bishop Spaulding.

THE Raleigh *News* says that "Patriotism, rather than a strict adherence to old party issues, should be the guide of our people now," which, the Charlotte *Bulletin* says, means subserviency to the teachings of Schurz, Tipton, Sumner, Banks—and implicit confidence in the arch conspirator, Horace Greeley, and the Tammany Sachems.

THE *Era* returns the thanks of the Republican party to Hon. Josiah Turner, Jr., for valuable service rendered during the campaign by which a clear gain of fifteen hundred votes in Surry, Stokes, Yadkin, Wilkes, and Davidson Counties were made for the Republican cause through the influence of his rampant speeches.

A COLORED man named Simpson Mordecai and several confederates, went to the house of Mr. Wm. Hicks, two miles from Raleigh on Saturday night, and while Mr. Hicks was getting some bacon for them, from his smoke house, he was struck on the head by one of the robbers and knocked senseless. The robbers helped themselves to what they wanted and left. Mr. Hicks has been delirous ever since he was struck, and unable to tell anything of the men who assaulted him. Five men have been arrested on the charge of being concerned in this affair, and were to have had an examination on yesterday.

**On Everybody's Tongue.**—Eulogiums of the great National Regenerator of Health, PLANTATION BITTERS, are on everybody's tongue. This gratuitous *viva voce* advertising is better than all the paid for puffing to which the owners of bogus bitters are obliged to resort. It has a spontaneous heartiness about it which carries conviction to the mind of the auditor. But it is a well known fact that the proprietors of the PLANTATION BITTERS have never relied upon newspaper bolstering to establish the success of a preparation which owes its astonishing popularity mainly to the oral testimony of the thousands have either experienced or been the eye witness of the immense physical good it has wrought throughout the length and breadth of the land.

DON'T HAWK, HAWK, SPIT, SPIT, BLOW, BLOW, and disgust everybody with your Catarrh and its offensive odor, when Dr. Sage's Catarrh Remedy will speedily destoy all odor, arrest the discharge and cure you.
