REPUBLICAN NOMINATIONS.

FOR PRESIDENT, ULYSSES S. GRANT, Of Illinois. FOR VICE-PRESIDENT, HENRY WILSON, Of Massachusetts.

ELECTORAL TICKET. FOR THE STATE AT LARGE: MARCUS ERWIN, of Buncombe. SAMUEL F. PHILLIPS, of Wake.

FOR THE CONGRESSIONAL DISTRICTS: 1. Edward Ransom, of Tyrrell. 2. William F. Loftin, of Lenoir. 3. Thomas M. Arzo, of Orange. 4. A. Douglas, of Rockingham. 5. William S. Byrum, of Lincoln. 6. James G. Ramsey, of Rowan. 7. James M. Justice, of Rutherford.

KEEP BEFORE THE PEOPLE! It is urged by the Democratic organs that the law is to be enforced in State and municipal elections. This is done to make it more obvious, if that be possible, to their party.

When the rebellious Traitors are overwhelmed in the field, and scattered like leaves before an angry wind, it must not be to return to Peaceful and Contented Homes. THEY MUST FIND POVERTY AT THEIR FIRESIDES, AND SEE PRIVACY IN THE ANXIOUS EYES OF MOTHERS AND THE RAGS OF CHILDREN.

Work. An infamous article, with the above title appeared in the Raleigh Standard, in 1868, which was immediately repudiated by the proprietors of the paper, and the writer discharged.

EDITORIAL BUDGET. A charter has been granted for a new National Bank at Montgomery, Ala., with a capital of \$100,000, to be called the Merchants' and Planters' National Bank.

The Victory. The recent election in the Old North State has demonstrated that there is life in the nation—that secession and rebellion cannot rule. Upon the result the whole nation hung breathless.

seized and debated, and when the guns of treason belched forth Democratic anything to beat Grant... The Democratic party of to-day is simply the rebellion seeking to achieve its essential purposes within and through the Union.

What principle can there be in a party who got up a rebellion which history records as among the bloodiest and most destructive of modern times, to maintain the system of African slavery in the South, and twelve years after adopt as its candidate the most determined Abolitionist?

This is what it is and nothing less. Those men who swore eternal vengeance upon the altars of their country (as they called the South) and iterated and reiterated their determination to die in the "last ditch" and with might & main hounded on to death, and suffering the poor deluded white men, who they with their arrogance and despotic tempers controlled all now actually bowing down to Horace Greeley!

We ask the white men of North Carolina if it is not sickening, if it is not enough to forever disgust them with democracy? How can any man, any free man follow the eccentricities of such leaders? What faith can there be in men who are wedded to no principle, no faith, but public plunder?

The victory in North Carolina has done much to dispel the gloom which settled over the nation when the first returns came in, and it was feared that this State had cast its votes for the disloyal element. It is hailed as the forerunner of overwhelming victory in November.

They call the Republicans in New Hampshire who have gone over to Greeley "run struck Republicans." The Springfield Republican and the Cincinnati Commercial call for the withdrawal of B. Gratz Brown from the ticket because of his exhibition of degradation at New Haven.

ALL'S well that ends well. North Carolina gives nearly 2,000 majority for the Republican State ticket, with a gain of one and perhaps two Republican Congressmen, and a large Republican gain in the Legislature.

They Want Greeley. They wanted Mr. Greeley to come "down South" in 1861—fully as bad as they do now—and this is the way one of their "native poets" invited him, through the columns of the Rome (Ga.) Courier.

Bring old granny Gidding, blustering Hale, Fred Douglas, and Henry Ward Beecher, And Negro-Thief Hyatt from Washington And Sumner, the Devil's own preacher. Come, bring all your friends, so godly and good, who rob, kill and burn for the freedom Of blacks, who despise you, contemptible brood. And can find better friends when they need 'em.

Postmaster-General Casswell will devote a considerable portion of his forthcoming report to urging the adoption by the United States of the postal telegraph system. He is now engaged in collecting statistics relative thereto.

A burning world would doubtless be a sublime spectacle, more interesting, however, to the denizens of some other sphere than to the participants. The fact is, that the machinery of the universe is so little understood by scientists that we have no confidence in any of their prophecies until after they are fulfilled.

Next September a National Convention, composed of delegates from local associations of steamboat owners and managers, will be held at Cleveland, Ohio. At this convention full statements will be presented of all the serious casualties that have occurred to American steam vessels during the year.

TANBARK.

They call the Republicans in New Hampshire who have gone over to Greeley "run struck Republicans." The Springfield Republican and the Cincinnati Commercial call for the withdrawal of B. Gratz Brown from the ticket because of his exhibition of degradation at New Haven.

An exchange speaking of Mr. Greeley's religious notions, says no one should inquire too closely into such a matter. The Liberal candidates believe in a being whose name begins with a large G. and that ought to be enough.

Bring old granny Gidding, blustering Hale, Fred Douglas, and Henry Ward Beecher, And Negro-Thief Hyatt from Washington And Sumner, the Devil's own preacher. Come, bring all your friends, so godly and good, who rob, kill and burn for the freedom Of blacks, who despise you, contemptible brood. And can find better friends when they need 'em.
