LOCAL ITEMS.

VOTE FOR GRANT.

JUST received at VanOrsdell's another lot of those Beautiful Walnut Mouldings.

WANTED.—A lad about fifteen years of age, who is active, intelligent and desirous of learning the Dry Goods business. Address, Clerk at this office, in own hand writing, until 20th inst.

SOME PEAR.—Mr. W. J. Bivins has laid upon our table a pear grown at "Cedar Grove" in this county, weighing a pound and a quarter.

THE GRANT and Wilson Clubs of the several Wards and Townships will please send to this office a report of their Presidents and Secretaries.

STILL THEY COME.—The Republicans of Harnett Township organized a Grant and Wilson Club last night, with Joshua Wingate as President and Washington Smith as Secretary.

MAGISTRATE'S COURT, W. H. MERRICK, J. P.—Charity Wingate who attempted to cut Cato Waddell's throat with a case knife last evening, was found guilty and bound over to the next term of the Superior Court, in the sum of two hundred dollars.

SPECIAL communication of the Colored Grand Lodge (Masonic) Tuesday next, Sept. 10, at Raleigh. Delegates to the Lodge can procure tickets at half first class fare. WM. McLAURIN, R. W. D. G. M.

THE organization of the Second Ward Grant and Wilson club was perfected last night, and bids fair to be a good success. The club will meet at the Court House next Tuesday night in regular session.

ATTENTION is called to the advertisement of another of those popular excursions on the Waccamaw, under the direction of Dr. T. B. Carr. We have every reason to believe that a splendid time will be had by all who participate.

THE only danger now in our party is over confidence in the result. All it requires is labor and organization, but it must have these. Keep up the good work for a few weeks more. Do not grow weary in well doing, and if every man does his duty, we shall certainly succeed in our endeavor. What Republican is there, who is not willing to labor for the success of our party? We do not know of one.

NORTH CAROLINA, West Virginia and Vermont have spoken their minds. Now let us wait patiently until next week for Maine, and she will likewise show her appreciation of Gen. Grant and her repudiation of Mr. Greeley. After that we expect our opponents to sing smaller, and leaving all blow and bluster, devote themselves to the campaign in which they have no more chances of success than they have of being struck by lightning. Grant will be elected, kukluxism will, however, die out and the "bloody chasm" will be closed. We will then stand ready to shake hands with our Democratic brethren on equal grounds, as we have often reiterated.

THE TOWN CRIER.

— Hot.
— Gold 113.
— Dusty—dusty—very dusty.
— Ice cold soda water is the thing at present.
— Mebane & James quote the thermometer at 86.

— If it gets any warmer we shall have to elongate our thermometer.

— A gentleman borrowed a hat pencil this morning and returned it!

Mayor's Court.
His Honor JAMES WILSON, Mayor, presiding.

ISAAC OUTDAW, for property conducted paid \$2 25 and costs for the benefit of the city.

DANIEL WISE, for same offense was charged \$2 50 for the same benefit.

FRANK FARRIS, for beating his wife, was fined \$15 and costs.

LOUISVILLE CONVENTION.—The midnight dispatches give the wind up of the Louisville Convention in which John Q. Adams was afraid to allow his name to go before the people as Vice President unless O'Connor would accept the nomination of President. Mr. O'Connor would not stand firm and the Convention adjourned without making any other nominations. It is hard to satisfy the democracy.

SYRACUSE NOMINATIONS.—The New York Greeleyite State Convention, after considerable wrangling, made up its ticket by selecting Francis Kernan, a warm friend of Ex Gov. Seymour for Governor. After Seymour's unmistakable repudiation by the American people, we should have supposed he would refrain from political dictation, but we see he still liches to be the power behind the throne to pull the wires for the puppets to dance. The Convention gives the Lieutenant-Governor and Prison Inspector to the sore head Republicans, and reserves the balance of the ticket including copper-head "Sun Set" Cox for Congressman at large. This is what they call a square deal we suppose.

COUNTY COMMISSIONERS.—The Commissioners met pursuant to adjournment, all the members present.

On motion, Commissioner Shoemaker was appointed a Committee of one to take an inventory of the Register's office.

Ordered, that the Chairman of this Board examine the condition of affairs in the Register's office, and if the official business of the late Register and Clerk of this Board is not finished up according to law, then, the said Chairman is authorized to have such work done by such person and on such terms, as to him, may seem best to the public interest.

WHEREAS, the Sheriff elect has failed to qualify as required by law; upon notice being served, by direction of this Board, Edward D. Hewlett Coroner, appeared and filed a bond in the penalty of \$5,000, with Elijah Hewlett and Daniel O'Connor as sureties and took the oath required, to perform the duties devolving upon the office of Sheriff, until such time as this Board shall appoint or elect a Sheriff.

The claim of Mr. Devans was referred to the Chairman and the Attorney of the Board.

The Committee on Public Buildings was authorized to make the alterations required, provided the sum expended does not exceed \$400.

Adjourned to meet Monday next at 10:30 A. M.

All sorts of blanks printed and for sale by S. G. Hall. Office on Princess st.

STATE ITEMS.

THE temperance movement is popular with the young folks of Raleigh.

THE session of the Deaf, Dumb and Blind Institution commences at Raleigh next Wednesday.

COL. WM. L. SCOTT, a prominent citizen and lawyer of Greensboro, died at his residence in that city on last Sunday night.

THE mountains and watering places are fast being deserted, and our citizens returning to their usual places of abode and business.

WE are glad to learn that Wilmot, who was injured some time ago by being thrown from a buggy, is out of danger and recovering.—Patriot.

THE Raleigh papers publish the call for a special communication of the M. W. Grand Lodge of (colored) Masons, to be held in that city, on September 10th.

THERE is a Chappaque tomato vine growing in Oils, Irrell's county, N. C., in the garden of Capt. J. A. Sikeleather, with branches extending over an area of ground 60 feet in circumference and 20 feet in diameter.

AT Watauga Superior Court last week Green Marshall was tried for the murder of O. T. Triplett, convicted of manslaughter and sentenced to the penitentiary for ten years.

A colored woman was found dead in her bed on the morning of the 28th ult., at Falling Creek, Lenoir county. She was supposed to have been murdered by her husband.

NRWBENE has the circus fever, and to allay the same will run a special excursion train from that city to Goldsboro to see the "Great Eastern" show which exhibits there to day.

SHOT HIMSELF.—We learn that the youngest son of General Leach, while handling a pistol last week, accidentally discharged it lodging the ball in his left thigh, inflicting a painful but not dangerous wound.

MR. ARCH DAVIS, of Granville, had his stables burned last Friday night, the work of an incendiary, by which he lost nine horses and mules, ten head of cattle, one hundred and twenty five barrels of corn, his entire crop of wheat, oats and fodder, and all his farming utensils.

THE Goldsboro News says the Fall term of our Superior Court commences on Monday next, Judge Clarke will preside. The only cases of any importance are the Barfield murder case and that of J. R. Bunn, charged with arson. It is thought that most of the term will be consumed in clearing the State docket.

NARROW GAUGE.—A meeting of the Carolina Narrow Gauge Railroad Company was held at Lincolnton, N. C., on the 27th instant. Chester and York counties of this State, and Gaston, Lincoln and Catawba counties, of North Carolina, were represented. The stock, as required, was fully represented. Organization was completed by the choice of A. H. Davega, of Chester, S. C., for President. The following named gentlemen comprise the Board of Directors, viz: B. T. Wheeler, Yorkville, S. C.; J. T. Smyer, Gaston, N. C.; W. D. Metz, Lincolnton, N. C., and A. G. Ford, Catawba, N. C. Each county's delegates were instructed to pledge the company to carry the road through the counties named. The road will be one hundred miles in length from Chester, in this State, to Lincolnton, N. C., and present prospects of completion are very flattering.—Col. Union.

ANN DICKINSON is in retirement at Swampscott, Massachusetts. She was at one time inclined to take the stump for Greeley—terms same as those of Carl Schurz, two hundred dollars per stump—but, on second thought and better advice, abandoned the project.

THOU to whom the eyes of men
Were lifted in that fearful hour
When carnage swept Columbia, when
We trembled at the traitors power—
Thou who upon the mount of God
Upheldst the prophet's weary hand,
Which held with trembling grasp the rod
Of victory for God's chosen band!

When Europe cried with skeptic sneer:
"Show us the man in public place
Unstained by fraud, unswayed by fear.
Serving not Mammon but his race;
"Show us the statesman pure and free
From self, nor under Virtue's ban!"
With glowing hearts we turned to thee,
And proudly said: "Behold the man!"

How art thou fallen! On the brow
Where shone the glory of a God,
Is traced in fiery letters now
Thy shame's dark legend, "Ichabod."
Departed is thy fame from thee.
The alter veil is rent away,
And kneeling thousands, stricken, see
The idol hath but feet of clay.

Thou wert so high; but thy descent
Is deeper for that very height;
The blackness, when the day is spent,
Is darker for the former light.
Yet more in sorrow than in wrath
We turn us from the ruined shrine;
The roll of fallen angels hath
No more illustrious name than thine
CINCINNATI, August 11, 1872.

THE World published a letter from Manton Marble, ridiculing the reports of his declining health.

The committee to inform O'Connor of his nomination will meet him Tuesday. He stated to a reporter, yesterday, that he considered an office seeker one of the evils of the day, and he had made up his mind not to go into that business.

The Herald, World and Tribune think the State ticket a very good one. The Times is confident it will be badly beaten, and thinks the nomination of Hernan and Depew particularly weak.

Father Burke, sent from Rome as the visitor general of the Dominican Order in America, lies here at the point of death.

MUSIC BOXES.

I desire to call the special attention of the musical public to these charming instruments. There are many ladies and gentlemen who listen with delight to the musical performances of others, but who, unfortunately, do not, perform on any musical instrument. To such persons the Musical Box supplies a great want, and to invalids, especially, it is "light in the household." Many persons are under the erroneous impression that Musical Boxes are not durable. A good instrument will last as long as a good watch, with equal amount of care, and an occasional cleaning and repairing.
