CITY ITEMS.

New Advertisements.
 H. B. EILENS—Proposals.
 P. HEINSBERGER—Bibles, Hymnals, etc.
 T. B. CARR Secretary—Wilmington Lodge, No. 819, Regular meeting.
 DUDLEY & ELLIS—New stock of Boots and Shoes.
 Lost—Enquire at this office.

If you want to get Bargains, go to S. HANSTEIN & Co., 15 Market St. †

RESIGNED.—D. M. Millan resigned his position as Justice of the Peace, for Holder, Township, at the office of the Superior Court Clerk on yesterday.

The largest and best stock of Clothing and Dry-Goods to be had at S. HANSTEIN & Co., 15 Market St. †

ARRIVAL.—The steamer Fire-Fly, Capt. Ring, arrived this morning from New York. She is about six tons burthen, and belongs to the Cape Fear Fibre Company, and we believe is intended to ply between this city and points from which the "cane" is obtained.

OSTERS.—The schooner Topaz, from Beaufort, has arrived, bringing among other articles about two hundred bushels Core Sound Oysters. We have tried them, and find the same very nice. Call and get them, as they are selling at a very low price.

STEAMER DIVER charged with stealing peanuts from Dr. S. S. Schwell last Spring, was arrested last night by officer John Bell on a warrant issued by Justice Cassidey.

Manuel Lane, charged with assault and battery was arrested this morning, and will have a hearing before the same tribunal this evening.

RESTAURANT.—W. H. Moore has fitted up an establishment at the lower end of the Market, where oysters and other good things can be procured at all hours. As a good square meal can be procured there for thirty-five cents we have no doubt but he will be liberally patronized.

The new police uniforms, made by David & Well are models of neatness and good workmanship. This is the first lot in two years and are furnished at \$30 per suit, coat vest and pants. The coat is some darker than the pants, but both fine. They will be furnished to the men long on the force at a small proportion of the costs, and to the new men at one half cost.

CHARTERED.—We see that Wilmington Lodge, lately U. D., has been chartered at the Grand Lodge in Raleigh, and will hereafter bear the number 819. This new Lodge shows great evidence of Masonic knowledge and will soon take a front rank in the State among "bright Masons." Long may they stand a beacon to the wanderer.

Mayor's Court.
 Alderman BRINK, acting Mayor.
 CHARLES BROWN, charged with having stolen a small quantity of lumber from Owen Burney, was arrested on Thursday night and yesterday was held in a bond of \$30 dollars to appear for trial at the next Term of the Superior Court.

AMOS ROBERTS, charged with disorderly conduct, was fined \$20. Mr. Roberts is now wandering about the city, in charge of an officer, looking for the amount of his fine.

EDWARD AND JOHN DAVIS refused to assist an officer when called upon, and were fined \$2.50 each, theretofore. The fines were paid.
 W. H. HOWE insulted and resisted an officer last night, and this morning was fined \$25 and costs. The defendant paid \$27.50, and was discharged.

The cheapest lot of Hats and Caps to be sold at S. HANSTEIN & Co., 15 Market street.

THE TOWN CRIER.

—Mild.
 —Gold to-day 115.
 —Hon. Geo. L. Mason is in the city.
 —The Epizooty has not got all the turkey yet.
 —The Grand Lodge will probably adjourn to-day.

—The repairs on the Court House are rapidly progressing.
 —The new Police uniforms have been accepted by the city authorities.

—Opera House—Katie Putnam—Tickets for sale to-day at Heinsberger's.
 —Sheriff Black is still in the midst of repairs. His office will be nice—one of these days.

—The calico ball to be given by the Israelites at Masonic Hall promises to be a grand affair.

—The Raleigh News says that Katie Putnam's representation of East Lynne, was an "unparalleled success."

—Buy your Boots Shoes, Blankets Shawls, Furs, &c., at S. HANSTEIN & Co., 15 Market St.

The editor of the Pee Dee Herald has been to Charleston but don't admire its lack of enterprise. He thinks the loss of the trade of his section of the country by Charleston and the gain of it by Wilmington is owing to the energy of our merchants who are liberal with their advertisements in the country press. He says:
 Look at the energy of the Wilmington merchants; they advertise in every paper in this section of country and have thereby secured the custom that Charleston got in former days, and we hope they will retain it unless Charleston comes forward and offers to the world its real advantages—if it has any.

SPEAKING of the Grand Lodge now in session in Raleigh, the Raleigh News says:
 The present Grand Lodge of North Carolina is the largest and most intelligent body of its character ever before assembled in the State, and decidedly the most dignified body of law makers now in the city. We were present yesterday during the discussion on the question of non-affiliation and heard a most powerful and argumentative speech from Past Grand Master, C. C. Clark, in favor of recognizing non-affiliation as a Masonic crime. At the hour our report closed no vote had been taken on the resolution.

According to our ideas of Masonic laws, "that's where he made a mistake."

PLEASANT AFFAIR.—Two loving hearts anxious to be made one, fortunately found Justice Cassidey in his office last night and informed him that his services were required. There is no romance about the dingy walls of the Court House, and the youthful couple were unsatisfied with the surroundings. The Squire gallantly offered them the use of his parlors, to which they repaired, and were made one at short notice. After the usual congratulations, the happy pair wended their way, and we hope their paths in life may be as happy as they are now auspicious.

AND now the Era has got it. Hear him:
 "Miss Katie pleased all last night. She sang 'Come Birdie, Come' with infinite grace and expression. There is a nervous spirit in this little wight of a woman that rejoices in hurly burlying the play going world, and for deep impassioned feeling, we take her heart to be full of it; so much so, that in her singing or acting, when called into play, her very eyes shine with it, and she forgets that she is playing. As the boyen romp she is perfect. In fact the makeup of the Company is of the first finish, and the orchestra is one of the best we have heard in the South. Mr. Ashton an old man Crow was splendid. He was the old man to the dot. Tonight, East Lynne. Let's all go."

STATE ITEMS.

A CASE of colored triplets in Yadkin county.

COLUMBUS, a town in Polk county, has no post office.

Now is the time to put your Christmas turkeys for fattening.

The horse epidemic is prevailing in Jones and Lenoir counties.

There are 239 Masonic Lodges with a membership of 11,143 in this State.

CORN in Davie county is selling for 30 cents per bushel. Wheat \$1.00 per bushel.

The College met in the Senate Chamber at 12 o'clock, M., on Wednesday, and cast the vote of North Carolina for Grant and Wilson.

Six or seven whiskey distilleries are soon to be established in Chatham county, and four or five more will soon be started in Orange.

A LITTLE boy bit by Wynde, Yancey & Co's bull dog in Raleigh several days since, near their stable, has since died of his wounds.

J. B. Neathery, Esq., of this city, was appointed Secretary to the College, and W. B. Glenn, Esq., of Yadkin county, was selected as messenger to convey the vote to Washington.

The Goldsboro' Messenger learns from a correspondent at Rocky Mount, that there are several cases of small-pox in that neighborhood. Many persons are leaving, and the teaching at the college has been suspended for a few days.

THE ELECTORAL COLLEGE.—The Electors for President and Vice-President of the United States, elected at the recent election in North Carolina, met in Raleigh on Tuesday. Hon. E. F. Phillips having accepted the office of Solicitor General of the Treasury since the election, tendered his resignation as an Elector for the State at large, when James H. Harris was elected to fill the vacancy.

 PARIS, Dec. 6.
 The Governmental situation at Versailles unsettles business of all kinds throughout the country. The committee of 30 formed yesterday by the Assembly are reported as hostile to the Republic. Republican journals of Paris declare that the Assembly does not represent the will of France and demands its immediate dissolution. President Thiers is expected to resign.

The government will probably make a statement at a session of the Assembly to-day as to the course it intends to take.

Masks and Faces.—Ladies who mask their faces and necks with enamels, endanger their health to no purpose. The plaster work decides nobody. There is but one article known which will restore a bleached complexion or create external brilliancy and bloom where they have never heretofore existed, and that article is HAGA'S MAGNOLIA BALM. It performs this toilet miracle by infusing vitality into the skin. The floral and herbal juices of which it is composed gently stimulate the circulation in the minute blood vessels, and brace the net work of nerves through which they pass. Thus quickened and strengthened the external covering soon acquires a fresh and healthful hue, and every trace of sallowness disappears. The palest cheeks derive from the beautifying baptism of this delightful cosmetic a warmer hue, and the arms, hands and neck, a blonde lustre which the charlatans, who profess to make ladies "beautiful forever" with their poisonous oment, can never hope to imitate.

\$1,000 Reward will be paid by the proprietor of Dr. Pierce's Golden Medical Discovery for a medicine that will equal it in curing severe and lingering Coughs, Bronchitis and all diseases of the lungs.
