A PAPER FOR THE PEOPLE.

The Era,

RALEIGH, N. C.

DAILY AND WEEKLY.

DAILY, ONE YEAR. \$7 00 WEEKLY, ONE YEAR,

Revised, Improved and Enlarged.

The close of the National campaign of 1872, with the reflection of President Grant, is a new era in North Carolina, the South, and the whole country, it is worth while to take note of, for it marks the be-ginning of an era of perfect peace and re-conciliation throughout the whole country. and between every section of the country.

Believing that 'peace hath her victories no less renowned than war,' and that the conduct of the Southern people can be as illustrious in peace as the bravery of her soldiery was noble, grand and thrice illus-rious in the late war; and that in the person of Ulysses 8 Grant, the soldier with whom our Les crossed swords, we have a living and illustrious example of the renown of the soldier in war, and the victories of the civilian in peace, THE ERA, from a Southern stand point, has endeavored to aid the "victories" of "Peace" by aiding the re election of the great and illustrious citi

zen-soldier-President. The first part of the mission of THE ERA is accomplished in the re establishment of the Republican party in power for another four years from March next, and now it enters upon the work of following up that mission in gathering and preserving the great National victory—a victory significant of no North, no South, no East, no West, but of a Union restored, a people re nuited by the bonds of peace and good will, and each and every one in the quiet enjoymen of the blessings of LIBERTY and the bour-

ties of PROSPERICY. THE ERA is the offspring and product of the great and glorious commonwealth of North Carolina, for whose good and glory it is the mission and privilege of the paper, without being sectional, to "labor and to wait;" and whether in political material, educational or social argument, it should ever be understood that this paper is laboring only for what it deems best and to the true interests of the people of this great State, in common with all the great patri-

otic people and interests of the nation. Whether in its diversified character of a Family, Commercial, Political or Industria, newspaper, THE ERA will strive to cultivate and promote all the interests of the people, and in everything save the advocacy of its party principles, discard all political differences, and in the interests of Peace, Reconciliation and Reform, "clasp hands" with any and all men laboring and studying for for the good of their kind, and striving for the giory of their country,
