A PAPER FOR THE PEOPLE.

The Era.

RALEIGH, N. C.

DAILY AND WEEKLY.

DAILY, ONE YEAR.

WERKLY, ONE YEAR.

The close of the National campaign of 1872, with the reelection of President

Revised, Improved and Enlarged.

Grant, is a new cra in North Carolina, the South, and the whole country, it is worth while to take note of, for it marks the be-ginning of an era of perfect peace and re-conciliation throughout the whole country, and between every section of the country.

Believing that "peace hath her victories no less renowned than war," and that the conduct of the Southern people can be as iliustrious in peace as the bravery of her soldiery was noble, grand and thrice illus-rious in the late war; and that in the per-son of Ulysses 8 Grant, the soldier with whom our Lee crossed swords, we have a living and illustrious example of the renown of the soldier in war, and the victories of the civilian in peace, THE ERA, from a southern stand point, has endeavored to aid the "victories" of "Peace" by aiding the re election of the great and illustrious citizen-soldier-President.

The first part of the mission of THE ERA is accomplished in the re establishment of the Republican party in power for another four years from March next, and now it enters upon the work of following up that mission in gathering and preserving the of no North, no South, no East, so West, but of a Union restored, a people re united by the bonds of peace and good will, and of the blessings of LIBERTY and the boun-

ties of PROSPERIIY. TitE ERA is the offspring and product of the great and glorious commonwealth of North Carolina, for whose good and glory it is the mission and privilege of the paper, without being sectional, to "labor and to wait;" and whether in political material, educational or social argument, it should -ver be understood that this paper is laboring only for what it deems best and to the true interests of the people of this great state, in common with all the great patriotic people and interests of the nation.

otle people and interests of the nation.

Whether in its diversified character of a Family, Commercial, Political or Industrial newspaper, The ERA will strive to cultivate and promote all the interests of the people, and in everything save the advocacy of its party principles, discard all political differences, and in the interests of Peace, Reconciliation and Reform, "clasp hands" with any and all men laboring and studying for the good of their kind, and striving for the good of their country. the glory of their country.

COMMISSIONS ALLOWED.

Any reliable person (known to the peo-ple of the community) procuring subscrib-ers for THE ERA is entitled to 25 per cent. of all subscriptions for the Daily of Weekly to single subscribers, which amount he is authorized to deduct from the sums paid into his hands, and remitting to us the balance.
