A PAPER FOR THE PROPIE.

### The Era,

RALEIGH, N. C. DAILY AND WEEKLY.

DAILY, ONE YEAR.

WEEKLY, ONE YEAK,

Revised, Improved and Enlarged.

The close of the National campaign of 1872, with the reflection of President Grant, is a new era in North Carolina, the South, and the whole country, it is worth while to take note of, for it marks the beginning of an era of perfect peace and reconclination throughout the whole country, and between every section of the country. Believing that "peace hath her victories no less renowned than war," and that the conduct of the Southern people can be as illustrious in peace as the bravery of her soldiery was noble, grand and thrice illusrious in the late war; and that in the person of Ulysses S Grant, the soldier with whom our Lee crossed swords, we have a living and illustrious example of the renown of the soldier in war, and the victorics of the civilian in peace, THE ERA, from a Southern stand point, has endeavored to aid the "victories" of "Peace" by aiding the re election of the great and illustrious citi zen-soldier-President.

The first part of the mission of THE ERA s accomplished in the re-establishment of the Republican party in power for another four years from March next, and now it enters upon the work of following up that mission in gathering and preserving the great National victory—a victory significant of no North, no South, no East, no West, but of a Union restored, a people re united by the bonds of peace and good will, and each and every one in the quiet enjoyment of the blessings of LIBERTY and the boundary to tits.

THE ERA is the offspring and product of the great and glorious commonwealth of North Carolina, for whose good and glory it is the mission and privilege of the paper, without being sectional, to "labor and to wait;" and whether in political material, educational or social argument, it should ever be understood that this paper is laboring only for what it deems best and to the true interests of the people of this great State, in common with all the great patri-

otic people and interests of the nation.

Whether in its diversified character of a Family, Commercial, Political or Industrial newspaper, THE ERA will strive to cultivate and promote all the interests of the people, and in everything save the advocacy of its party principles, discard all political differences, and in the interests of Peace, Reconciliation and Reform, "clasp hands" with any and all men laboring and studying for the good of their kind, and striving for the glory of their country,

## COMMISSIONS ALLOWED.

Any reliable person (known to the peo-ple of the community) procuring subscribers for THE ERA is entitled to 25 per cent. of all subscriptions for the Daily or Weekly to single subscribers, which amount he is authorized to deduct from the same paid into his hands, and remitting to us the balance. Every present subscriber to THE ERA can therefore make FIFTY CENTS by inducing any one of his neighbors to subscribe, and forwarding to us the money for the same; and FIFTY CENTS for every additional subscriber to the paper.

## CLUBS.

THE WEEKLY ERA will be sent to clubs of subscribers at the following rates: One Copy, one year—52 issues, Five copies, " " " " Thirty " " " " And an extra paper to each Club.

W. M. BROWN, Business manager, Raleigh, N. C.

Any and all persons, into whose hands this prospectus may fall, are requested to work for THE ERA on the terms proposed above; it not for love of the Republican party, at least as a matter of business, and personal profit to themselves.
