## HARPER'S BAZAR.

The Bazar is edited with a contribution of fact and talent that we seldom find in any journal, and the journal itself is the organ by the great world of fashion. -- Boston Trav-

The Bazar commends itself to every mem-ber of the household—to the children by droll and pretty, pictures, to the young la-dies by its fashion plates in endless variety, to the provident matron by its patterns for the rolldren's clothes to paterfamilias by its tasteful designs for embroidered slippers and laxurious dressing gowns. But the reading matter of the Bazar is uniformly of great excellence. The paper has acquired a wide popularity for the fireside enjoyment it affords.—V Y Evening Ibst.
