HARPER'S BAZAR.

NOTICES OF THE PRESS. The Bazar is edited with a contribution of tact and talent that we seldom find in any journal, and the journal itself is the organ of the great world of fashion. - Boston Trav-

The Bazar commends itself to every mem-ber of the household—to the children by droll and pretty pictures, to the young la-dies by its fashion plates in endless variety, to the provident matron by its patterns for the children's clothes, to paterfamilias by its tasteful designs for embroidered slippers and luxurious dressing gowns. But the reading matter of the Bazar is uniformly of great excellence. The paper has acquired a wide popularity for the fireside enjoyment it affords. -N Y Evening Post.
