TO THE WEST! TO THE WEST!

Before making your arrangements to fol-
low the advice of the "thousands who have
already gone," it would be well to consider
what has been done to make the journey to
your "homes in the West" as pleasant and
free from danger as human skill and fore-
sight can accomplish.

By consolidation and construction, a road
has been put into operation on the shortest
possible line from Nashville, Tenn., to St.
Louis, "the future great City of the world."

This line, the

ST. LOUIS & SOUTHEASTERN RAIL-
WAY,

has, during the past year, earned an en-
viable reputation by its smooth track, prompt
time, sure connections, and the magnifi-
cence of its passenger equipment. Its
trains are made up of new and commodious
day cars, provided with the celebrated Miller
coupler and p'atform, and the Westing-
house air-brake.

It is positively the only line running
Pullman Palace Drawing-Room Sleeping
Cars through without change from Nash-
ville to St. Louis. No other line pretends
to offer such advantages, either in distance,
time, or equipment. Why, then, journey
by circuitous routes? Do not be induced
to purchase tickets to St. Louis or the
West by any other line, remember that

The "St. Louis & Southeastern"
is the shortest, cheapest, quickest, best and
only line under one management from
Nashville to St. Louis, and is from 60 to
200 miles the shortest to St. Louis, Kansas
City, Omaha, Denver, California, Texas,
and all western points. It is also the "Chi-
cago Shortest Line," via Evansville.

You can secure the cheapest rates for
yourselves and your movables on applica-
tion, in person or by letter, to CHARLES
McCABE, Southern Passenger Agent, near
College street Depot, Nashville, Tenn., or
to the undersigned.

General Ticket Agent, St. Louis.
