**TO THE WEST! TO THE WEST!**  
Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.  
By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air brake.  
It is positively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that the "St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.  
You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES McCABE, Southern Passenger Agent, near College Street Depot, Nashville, Tenn., or to the undersigned.

General Ticket Agent, St. Louis,

**NEW ADVERTISEMENTS.**  
**THANKSGIVING PROCLAMATION.**  
By His Excellency, the Governor of North Carolina.  
EXECUTIVE DEPARTMENT,  
Raleigh, October 29th, 1873.  
WHEREAS, The people of North Carolina have been abundantly blessed during the past year, and the earth hath yielded bountifully of all the products of its soil so that the garner of the husbandman are filled to overflowing; and the industrious mechanic has realized a rich reward for his labor, and every class of our population prospered in all laudable enterprises; and WILMINGTON, above all, fraternal feelings and good will have in a great measure been restored in our midst, and no plague, pestilence or famine, has visited our State: Now, therefore, as it becomes us, a grateful people, to render thanks to Almighty God for these and numberless other blessings showered upon us in His great mercy, I, Tod R. Caldwell, Governor of North Carolina, in obedience to law and in conformity with an honored precedent, do appoint and set apart

Thursday, November 27th, 1873,  
as a day of public Thanksgiving throughout the State; and do earnestly invite the clergy of every denomination to open their respective houses of worship on said day, and to exhort their congregations to humble themselves before the throne of the ever living God, and render unto Him praises, which are justly due, invoking for themselves, their kindred and their country, His guidance and protection throughout all time to come.  
"O come, let us sing unto the Lord, let us make a joyful noise to the Rock of our salvation."  
Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms.

Done at the city of Raleigh, on this 29th day of October, Anno Domini one thousand eight hundred and seventy three, and in the ninety-eighth year of American Independence.  
TOD R. CALDWELL,  
By the Governor:  
J. B. NEATREY, Private Secretary.
