TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be we'l to consider what has been done to make the journey to your .'Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAIL-WAY,

has, during the past year, carned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Mil- E. & T FAIRBANKS & CO. ler coupler and p'atform, and the Westinghouse air brake.

It is possitively the only line running Pullman Palace Drawing-Boom Sleeping Cars through without change from Nashvale to St Louis. No other line pretends to offer such advucages, either to distance, time or quipm at Why, then, journey by enemious romes? Po not be induced to purchase tickets to St. Louis or the West by anysother time, remember that

The "St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chieigo Shortest Line," via Evaneville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. 8 BAR-KETT, Southern Passenger Agent, Postor, fice Box 242, Chattanooga Tenn., or to the undersigned. W B DAVENPORT,

General Ticket Agent, St. Louis. No trouble to answer questions. july 25 -
