### TO THE WEST! TO THE WEST!

Before making your arrangements to fol-  
low the advice of the "thousands who have  
already gone," it would be well to consider  
what has been done to make the journey to  
your "Homestead in the West" as pleasant  
and free from danger as human skill and  
fore-sight can accomplish.

By consolidation and construction, a road  
has been put into operation on the shortest  
possible line from Nashville, Tenn., to St.  
Louis, "the future great City of the world."  
This line, the

ST. LOUIS & SOUTHEASTERN RAIL-  
WAY,

has, during the past year, earned an envi-  
able reputation by its smooth track, prompt  
time, sure connections, and the magnifi-  
cence of its passenger equipment. Its  
trains are made up of new and commodious  
day cars, provided with the celebrated  
Miller coupler and platform, and the West-  
inghouse air-brake.

It is positively the only line running  
Pullman Palace Drawing-Room Sleeping  
Cars through without change from Nash-  
ville to St. Louis. No other line pretends  
to offer such advantages, either in distance,  
time, or quality. Why, then, journey  
by circuitous routes? Do not be induced  
to purchase tickets to St. Louis or the  
West by any other line, remember that

"The St. Louis & Southeastern"  
is the shortest, cheapest, quickest, best and  
only line under one management from  
Nashville to St. Louis, and is from 60 to  
200 miles the shortest to St. Louis, Kansas  
City, Omaha, Denver, California, Texas,  
and all western points. It is also the "Chi-  
cago Shortest Line," via Evansville.

You can secure the cheapest rates for  
yourself and your movables on applica-  
tion, in person or by letter, to C. S. BAN-  
NETT, Southern Passenger Agent, Postoff,  
Box 242, Chattanooga Tenn., or to the  
undersigned.
