### TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be we'l to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAIL WAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magniticence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and p'atform, and the Westing-

house air-brake. It is possitively the only line running Pullman Palace Drawing-Boom Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chi-

eago Shortest Line," via Evansville. You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. S. BAR-KETT, Southern Passenger Agent, Postor fice Box 242, Chattanooga Tenn., or to the undersigned.
