TO THE WEST! TO THE WEST! Betore making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and fore-

sight can accomplish. By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world."

This line, the ST. LOUIS & SOUTHEASTERN RAIL WAY,

has, during the past year, earned an envia-

ble reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is possitively the only line running Pullman Palace Drawing-Boom Sleeping Cars through without change from Nash ville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chi-

engo Shortest Line," via Evansville. You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. S. BAR-KETT, Southern Passenger Agent, Postof; fice Box 242, Chattanooga Tenn., or to the

undersigned. W B DAVENPORT, General Ticket Agent, St. Louis. No trouble to answer questions.
