**TO THE WEST! TO THE WEST!**

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the **ST. LOUIS & SOUTHEASTERN RAILWAY,** has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is positively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. S. BARRITT, Southern Passenger Agent, Postoffice Box 242, Chattanooga Tenn., or to the undersigned.

**WHICH IS THE BEST!** Prospectus for 1874—Seventh year  
**THE ALDINE**  
 An Illustrated Monthly journal, universally admitted to be Handsomest Periodical in the World. A Representative and Champion of American Taste.

Not for Sale in Book or Music Stores

THE ALDINE while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times the cost; and then, there are the chromos, besides!

ART DEPARTMENT, 1874.

The illustrations of THE ALDINE have won a world-wide reputation, and in the art centres of Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained. The common prejudice in favor of "swiss plates" is rapidly yielding to a more educated and discriminating taste which recognizes the advantages of superior artistic quality with greater facility of production. The woodcuts of THE ALDINE possess all the delicacy and elaborate finish of the most costly steel plate, while they afford a better rendering of the artist's original.

To fully realize the wonderful work which THE ALDINE is doing for the cause of art culture in America, it is only necessary to consider the cost to the people of any other recent representations of the productions of great painters.

In addition to designs by the members of the National Academy, and other noted American artists, THE ALDINE will reproduce examples of the best foreign masters, selected with a view to the highest artistic success and greatest general interest. Thus the subscribers to THE ALDINE will at a trifling cost, enjoy in his own home the pleasure and refining influences of true art. The quarterly tinted plates for 1874 will be by Thos. Moran and J. D. Woodard.

The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attraction any of its predecessors.

PREMIUM FOR 1874.

Every subscriber to THE ALDINE for the year 1874 will receive a pair of chromos. The original pictures were painted in oil for the publishers of THE ALDINE, by Thomas Moran, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in the White Mountains New Hampshire the other gives the Cliffs, of Green River, Wyoming Territory. The difference in the nature of the scenes themselves, a pleasing contrast, and affords a good display of the artist's scope and coloring. The chromos are each worked from thirty distinct plates, and are in size (12 x 16) and appearance exact fac-similes of the originals. The presentation of a worthy example of America's greatest landscape painter to the subscribers of THE ALDINE was a bold but peculiarly happy idea, and its successful realization is attested by the following testimonial, over the signature of Mr. Moran himself.

NEWARK, N. J., Sept 20th,  
 Messrs. JAMES SUTTON & Co.

Gentlemen,—I am delighted with the proofs of the color of your chromos. They wonderfully successful representation by mechanical process of the original paintings. Very respectfully,  
 (Signed),  
**THOS. MORAN.**

These chromos are in every sense American. They are by an original American process, with material of American manufacture, from designs of American scenery by an American painter, and presented to subscribers to the first successful American Art Journal. If no better because of all this they will certainly possess an interest no foreign production can inspire, and neither are they any the worse if by reason of peculiar facilities of production they cost the publisher only a trifle, while equal in every respect to other chromos that are sold singly for double the subscription price of THE ALDINE. Persons of taste will prize these pictures for themselves—not for the price they did or did not cost, and will appreciate the enterprise that renders their distribution possible.

If any subscribers should indicate a preference for a figure subject, the publishers will send "Thoughts of Home," a beautiful chromo, 14 x 20 inches, representing a little Italian exile whose speaking eyes betray the longings of his heart.

TERMS.  
 \$5 per annum, in advance, with Oil Chromos free.

For 50 Cents Extra, the chromos will be sent, mounted, varnished, and prepaid by mail.

THE ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; cash for subscriptions must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in cases where the certificate is given, bearing the facsimile signature of JAMES SUTTON & Co.

CANVASSERS WANTED.

Any person wishing to act permanently as a local canvasser will receive full and prompt information by applying to  
**JAMES SUTTON & CO., Publishers,**

**SIX HUNDRED THOUSAND**

of their Machines in use although having existed but six years, while the Company, which claims to have most in use, has only about twice that number, though having existed for twenty years.

Until the year 1866, ELIAS HOWE, JR., the

**ORIGINAL INVENTOR OF SEWING MACHINES,**

did not manufacture, but was content with receiving the royalty which all Sewing Machine Manufacturers had to pay him for the use of his Patents. A sample of each Machine was sent to Mr. Howe before a license could be obtained. Constant study upon them enabled him to avoid the defects of each and improve upon the excellences of all. This fact explains the

**WONDERFUL DEGREE OF PERFECTION**

to which Mr. Howe brought his latest pattern of Machine, without which advantages such a result could not have been achieved. These facts should be borne in mind by all who intend to purchase a Sewing Machine. As the purchase of a Machine may be the act of a lifetime with some, care should be taken to

**THE SUN.**  
 WEEKLY, SEMI-WEEKLY, AND DAILY.

THE WEEKLY SUN is too widely known to require any extended recommendation, but the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more are briefly as follows.

It is a first rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when important, and always presented in a clear, intelligible, and interesting manner.

It is a first rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in its department.

It is an independent political paper, belonging to no party and wearing no color.—It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country and threaten to undermine republican institutions altogether. It has no fear of knives, and asks no favors from their supporters.

It reports the fashions for the ladies and the markets for the men, especially the cattle markets, to which it pays particular attention.

Finally, it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty six columns. Only \$1 00 a year. No discounts from this rate.

THE SEMI-WEEKLY SUN.—Same size as the Daily Sun. \$2 00 a year. A discount of 20 per cent. to clubs of 10 or over.

THE DAILY SUN.—A large four page newspaper of twenty-eight columns. Daily circulation over 12,000. All the news for 2 cents. Subscription price 50 cents a month, or \$6 00 a year. To clubs of 10 or over, a discount of 20 per cent. Address
