W. H. GERKEN, Secy.

The N. C. Sunday School Conference convened in Raleigh on yesterday.

REMEMBER the speaking to-night.

WE expect our Senior to come to-night.

EXCEEDINGLY pleasant weather to-day.

BUSINESS in our city is at a stand still.

THE sprinkling machine is doing valuable service.

WILLARD BROS. advertise 300,000 brick for sale.

SERVICES will be held at St. John's Church this evening.

A Republican Mass Meeting will be held at the Market House to-night.

FOR the past three nights not a solitary arrest has been made by the police.

OUR regular weekly review of the markets appears to-day, which will account for the scarcity of local items.

AN enthusiastic Republican Mass Meeting was held at the corner of Sixth and Castle streets last evening.

PROPOSALS for furnishing rations and ship chandlery to the U. S. Revenue vessels in this district, will be received at the office of the Collector of the port. See advertisement.

WM. H. MOORE, Esq., requests us to spy that the rumor that he is about to withdraw as a candidate for the Senate, is false, that it is his intention to run as his friends assure him of his election.

RETURNED.—Mayor Canaday returned home last night from Fayetteville, whither he has been in attendance on the Convention. There are a number of cases awaiting his attention, which will be given a hearing to-morrow (Friday) morning.

COUNTY COMMISSIONERS.—The Board met promptly this morning at 10 o'clock according to adjournment. Nothing was done save the hearing of several tax complaints, after which they adjourned to meet again at 10 o'clock to-morrow morning.

WE were pleased to learn that our City Marshal was complimented by receiving two votes, in the only regular ballot that was cast in Congressional Convention, but the votes were changed before announced, for Col. McKay, at the request of Mr. Price.

Johnson's Anodyne Liniment will give more relief in cases of Chronic Rheumatism, no matter how severe, than any other article known to medical men. Used internally and externally. It is often remarked by strangers visiting our State that we show a larger proportion of good horses than any other State in the Union. This, we tell them, is owing to two principal reasons: in the first place, we breed from the very best stock; and in the second place, our people use Sheridan's Cavalry Condition Powders, which in our judgment are of incalculable advantage.

Resolved, That we the delegates from the counties of New Hanover, Brunswick, Bladen, Columbus, Duplin, Sampson and Onslow, tender to Thos. Green, Captain of the steamer North State, our sincere thanks for the kind and courteous treatment which we have received at his hands, and earnestly hope that his example may be followed by others.

Resolved, That the committee present Capt. Green with a copy of these resolutions, and furnish a copy of the same to the Wilmington and Fayetteville papers.

GEO. W. PRICE, JR., THOS. SUTTON, REUBEN MAULTSBY, Com.

Mr. Lyon, of the Greenville Express, and Miss Fannie Small, of Washington, N. C., have recently been made one. The Express is soon to be run by Small Lyons.

The cotton fields around Raleigh were seriously damaged by frost on Tuesday.

#### ALABAMA.

BIRMINGHAM, May 21.

The Alabama Press Convention rejected its former officers, concluded the routine of business, passed resolutions of thanks to the authorities of Birmingham, and the citizens, for their unbounded hospitality to themselves and their New York guests; also to the various railroads, and to the Western Union Telegraph Company for the free use of their line, and adjourned. The session was very harmonious. After adjournment, all the editors visited the car bed, coal mines, furnace, etc. The visitors expressing astonishment at the immensity of mineral wealth.

MONTGOMERY, May 21.

About fifty editors of New York papers are now in Alabama, inspecting the iron and coal fields, and the quality of the land. They have been everywhere received with the greatest cordiality. They express great gratification at the manner of their reception, and profound astonishment at the immense mineral wealth of Alabama. They go from here to Atlanta on Sunday, and spend Sunday night and half of Monday in that city, go thence to Chattanooga, and thence directly home via Washington.

WASHINGTON, May 21.

The marriage ceremony is over. The presents aggregate fully \$30,000, and are very beautiful. The party will cross the Atlantic on the steamer Baltic. The captain has decorated his deck cabin as a boudoir for the bride. The only thing that marred the simple citizen-like character of the ceremony, was the presence of the marine band.

##### ENGLAND.

LONDON, May 21.

A special to the Daily News, from Paris, says that a cabinet has been formed. Its principal members are Goulard de Cazes, Lowergne, Grivart and Cezanne; all of whom belong to the moderate section of the Right and Right Centre. The object of the new government is to conciliate both Centres in order to carry the septennial constitution through the Assembly.

The New Bern *Times* contains the following: "Capt. James Albritton, a native and for many years a resident of Snow Hill, Greene county, but recently of Marion, S. C., where he was engaged in keeping store, met a sudden and untimely death a few days ago. A number of laborers were in his place of business, and high words ensuing a general melee took place. Capt. Albritton, attempting to interfere, was stabbed to the heart and almost instantly killed by one of the participant's. We are pleased to know that the scoundrel who committed this dastardly act was apprehended and confined in jail.

### STATE ITEMS.

Hail fell in Magnolia on Saturday last.

There was a larger delegation present at the opening of the State Medical Society which convened in Charlotte on Tuesday than has ever before been known in the history of the Society.

The Charlotte *Observer* says: A sufficient amount has been raised to insure the success of the Charlotte Cremation project beyond a doubt. The machine will be used first for the burning of those newspaper men who have been green enough to look at this matter in a serious light.

Says the Charlotte *Observer*: A young lady arrived in this city over one of the railroads, bringing with her a band-box full of kittens. Eleven of them were dead when they got to town, but the remaining eighteen are living and doing well. What a splendid crop of fights are coming on!
