CHRISTMAN'S

charge. For the last ten or twelve years, the ular Alopathic Physician, tomething worse. Her whole increased demand made it too heavy a fax for a charitable business, and the people being willing and anxious to pay for it, I made it an article of some profit, and have since that time sold the OINTMENT at ONE DOLLAR per sold the OINTMENT at ONE DOLLAR per sold the Physicians, but sil their skill was befilled. To her great satisfaction, after using your Ointment, she well said her just has come out sink. You are at ing and anxious to pay for it, I made it an article of some profit, and have since that time sold the OINTMENT at ONE DOLLAR per Box or Bottle. The Ointment is the cheapest that has been offered to the public for many years. Each bottle contains over three ounces of solid material, and if put in liquid form, would make five bottles; but would not answer as well as in the present preparation. But little effort has ever been made to bring it before the public. To say that this Ointment will cure everything would be asserting too much. No Ointment will do that. But it is CONCEDED BY EVERY PERSON AC-QUAINTED WITH IT, THAT IT WILL CURE AS MUCH AS ANY OINTMENT and has performed cures where the most popular Ointments, with the attention of the most experienced Physicians, have for years falled. This Ointment is no new thing got up. It is of long standing; and the high reputation which it has obtained, and the increased demand, is ARD OINTMENT FOR FAMILY USE.

EVER BROUGHT BEFORE THE PUBLIC, entirely owing to its own efficacy. And where it has been used it is considered the STAND-Believing that the Ointment is the best recom-nendation, and as it had considerable circulation during the war, and was considered the Caution ! We desire to warn the Standard Ointment in the Army, we will simply add a few Certificates, to show for what it has been used with success. We offer no certificate which is not substantially true. A great number of certificates could be produced, but we to defect the species are produced, but we to defect the species are produced as to defect the species are produced. The control of the certificate our true defect the species are produced as to defect the species are to defect the species are that "Loridard's Shuff for itself".

CERTIFICATES. Wilson, N. C., January 15, 1868. Thomas P. Christman-Dear Sir-In the Spring of periodically, and was pronounced by the Farrie the Regiment a "moon eyed" horse, and advased destroy one eye to save the other. Heing advised y you to try your Oddinent, thaving tried many ther remedies, I administered it only three times,

horse four months afterwards, and there was no re-turn of blindness. I used the Ohntment with equacommon to cavalry horses. A. BARNES, Altorney at Law. M. daughter, 12 years old, had a scale on the top of ter head about the size of a ten cent press. It in-reased in size until it reached about three inches in

diameter, and become an effective sore. I applied to varie is Dectors for a considerable time, but the sore continued to increase, and the bair all came out, -1 was told that she must so through a regular course of of your Ointment, and made one application, when the scab came off clean. I applied it twice a day for a week, when it became dry, and seen the hair began growing. She now has as good a head of heir as any one.

JAMES FARMER. WILSON, N. C., April 17, 1868.

This is to certify, that I-have for many years been personally acquainted with Thomas K. Christman, and have used his valuable Clintment. I believe it to be of great value, and that it should be kept in the house of every family that is subject to Shin Diseases of any kind. E. G. CLARK, Former Postmaster at Wilson.

Thomas F. Craistnax—Sir—I was a cripple for our months, from a broken tone which had bester indeferently became a running sore that was vertroublesome. I tried nearly every Physician in read without any relief, and at length tried your Olument which bested up the piace in two weeks, and say less is now perfectly well.

JOHN EGAN.

WILSON COUSTY, June 25, 1867. In the Spring of 1866, while the small pox was re ging, I had my little bey vaccinates. It affected him severely, and it seemed he would have the small pox One of the most experienced physicians was call in and attended promptly to the case. The signs in and attended prompily to the case. The signs of small pox disappeared from his body and seemed to settle in one of his legs, which continenced swelling to an amazing degree, and was so painful that he had to be kept on the arm constantly. Every effort to arrest the swelling proved absortive; and the Dactor said if it could not be arrested, amputation would be necessary. The Dector said he had done all by could and could not stop it. My elster and myself concided to try Christman's Ointment. We made one application, and in a short time the child went to sleet and slept soundly for hours. After making a few more applications be ceased complaining, the swelling disappeared, and in two days he ran around the house. He is now a sound easy, with two sound legs, which not be so, had the Ointment and been used.

GREENVILLE, Pitt County, N. C., May 1807. I bought a horse sig years old, and soon there are eared some deficiency in his eyes. a applied Chris after his eyes fulled again. I applied the thintmet and restored his eyes. Last Pall it was said by the best judges that he would be stone blind in three have, by the use of "The American Rheumatic Liniment," been restored to their former usefulness.

Secure a bottle of once and be relieved of your Secure a bottle of once and be relieved of your served and has no sign of bindness. For Secure have the secure of any that no sign of bindness. Sore Shoulders, cansed by collar, or Saddle-Galls, the Outment has no rival. A. A. FORBES.
