sity) was elected Professor of Chemistry.

We acknowledge the reception of an invitati n 10 a'tend the Fair and Cattle-Show of the Virginia State Agricultural Society, to be held on its Fair Grounds, near Richmond, on the 2d, 3d, 4th and 5th days of November next.

The Greenshoio Patriot says that there is an old gentleman living in Surry county by the same of Snow, who has named his sons somewhat in the following order Ice Snow, Cold Snow, Rain Snow and Hail Snow.

We received last week from our friend. Henry Harris, Esq., two of the largest beets of the season, one of which weighed six pounds and three ounces. They were of the red turnip variety, and were raised in Mr. Harris' garden in this place. Who can beat this beet ?

We learn from the Western Democrat that the injunction which was granted against the issue of \$2,000,000 of State bonds to the A. T. & O. R. R. (known as the road fr m Charlotte to States ille) has been di solved, and that the Public Treas urer has is ued the bonds to Mr. Johnston the President of the road.

"Why don't you trade with me ?" said a close-fisted tradesman to a friend the other day. The reply was characteristic "You have never asked me, sit, I have looked all through the papers for an invitation in the shape of an advertisement, and found none. I never go where I am not invited."

A grand Tournament and Coronation Ball is to come off at Weldon ou t'e,11th November. Knights from all parts of the country are invited to enter the lists and contend for the championship, the prize to be an elegant pair of Silver Spurs to the Successful Knight. The Ball will take place at night at the Emry Hotel.
