PUBLIC INFORMATION.

MAYOR'S OFFICE,
Philadelphia, Nov. 23, 1820.

FROM recent discoveries and frequent
information received within the last twelve
or fifteen years, the mayor of Philadelphia
thinks it his duty to apprise his fellow citi-
zens within the United States, that there has
been, for at least that period, a number of for-
eigners, of good address but of base and de-
praved principles, who have visited our coun-
try with forged credentials, counterfeit recom-
mendations, and spurious statements of alleged
losses. These sons of deception have trav-
ersed the country in almost every direction,
exhibiting their false documents for the pur-
pose of obtaining money for the ostensible ob-
ject of redeeming some of their near relatives
from Algerine slavery, others to rebuild churches
destroyed by fire or earthquakes, to assist
distressed villages whose all had been swept
away by some sad catastrophe, or to remuner-
ate for losses lately sustained by pirates on the
ocean. Thousands of dollars have been col-
lected in this way from the charitable and
humane, who little suspected that the whole
was a base fabrication, got up, supported by
forgery and fraud, and the proceeds solely ap-
plied to and divided amongst a large gang of
these considered villains. From a source
that can be relied on, they have a rendezvous
in this city, from which they issue in their de-
predatory excursions, and after being absent
from three to twelve months, and sometimes
longer, they return with their spoil.

It is believed, by some persons who are ac-
quainted with the system, that from six to
eighteen thousand dollars have been carried
to Europe by several of the different individu-
als who have been engaged in these dishonest
schemes.

This exhibit is published in order to put
the unsary on their guard and to caution
them against placing any confidence in docu-
ments that may be handed to them clothed
with all the apparent formality of consular cer-
tificates, seals and signatures, as well as the
names of other highly respectable characters,
as it is fully believed, that scarcely in a single
instance are they genuine or been honestly ob-
tained.

The undersigned has just been creditably
informed, that, within a short time past, ten
additional recruits to the corps have arrived
at this port from Europe, and after being fur-
nished in this city with forged documents (for,
by the bye, they are all, it is believed, manu-
factured here), they started to the westward
in company with twelve or fourteen other men
who have been engaged in the above practice
for some time past. It is to be hoped that the
magistrates and other civil officers, where they
make their appearance, will apprehend them,
and if judicious measures are adopted there is
little doubt but that they soon will disclose the
whole plan.

ROBERT WHARLON, Mayor.

The printers in the United States would
render an essential benefit to the community
by giving the above one or more insertions in
their respective papers, and by repeating the
same for a few times for twelve months, when
there is a dearth of news.

FRANKLIN HAT MANUFACTORY,

which is the true *Franklin Economical style*,

by the sample now offered to the public.

One trial of the \$3 50 Hats will doubtless
establish the fact in the minds of the citizens
of Philadelphia, that they stand *unrivalled* for
cheapness, durability, and beauty, and are justly
entitled to the favorable appellation of *Franklin*,
to whose *genius* and invention we owe so
much.

They also offer to the public, their *Super-
fine Water Proof Beavers*, of the best quality,
and newest fashion, and not subject to fade and
become lousy, as Water Proofs generally are.

Joseph Dickey and Chesley F. Fav-
cett, surviving partners of said
James Whitted, deceased.

In Equity.

IT is ordered by the court that this
cause be referred to Thomas Clancy, esq.
to take and state an account of all the dealings
and transactions of the firm of Joseph Dickey
and Co., of the stock in trade, dealings and
transactions, of each of the said copartners,
for, of, or concerning the said firm, of the pro-
fits or loss gained or sustained by the said
firm, and of the losses therein by the fraud,
covin, laches, or neglect of said defendant
Joseph Dickey; with liberty to examine all the
books, entries and accounts, papers and vouch-
ers of the said firm, and also the said par-
ties respectively and their witnesses on oath,
and to make report to the next term of this
court. And for as much as it appears to the
court that the said defendant Joseph Dickey
does not now live within the limits of this
state, but hath removed thereout and resides
in distant parts: It is ordered by the court,
that the said commissioner Clancy may pro-
ceed to take and state said accounts, and
make reports, without personal service of the
warrant, or notice of reference on said Joseph,
and after giving notice of the time or times of
taking and stating said accounts, by way of
public advertisement in the newspaper called
Hillsborough Recorder for and during the
term of sixty days, which advertisement shall
be deemed, taken and held to be as valid as
personal service of notice, to all intents and
purposes. And it is also ordered and decreed,
that said commissioner Clancy shall, in his said
report, state such special matter as the par-
ties may require him to state.

A copy from the minutes.

quired to appear and produce before me, on
oath, all books, papers, vouchers, accounts,
and evidences whatever in his or their cus-
tody or power, relative to the matters in ques-
tion in the above cause, at which time and
place I shall proceed to state the said ac-
counts and report thereon.

CONGRESS.

HOUSE OF REPRESENTATIVES.

Thursday, December 7.

Mr. Cobb gave notice of his inten-
tion, so soon as the question now under
consideration in committee of the whole,
should be finally disposed of, to call for
the consideration of his propositions
contemplating a retrenchment of the
expences of the government.

MISSOURI.

The house then resolved itself into a
committee of the whole, Mr. Nelson, of
Virginia, in the chair, on the resolution
declaring the admission of Missouri into
the Union on an equal footing with
the other states of the Union. And the
question having been again stated—

Mr. Sergeant rose, and in a speech
which occupied upwards of two hours,
opposed the resolution. When,

On motion of Mr. Storrs, who desired
an opportunity of stating the reasons
which would induce him to vote against
the resolution for the admission of Mis-
souri—

The committee rose; and the house
adjourned.

Friday, December 8.

The speaker laid before the house a
letter from the secretary of the treasury,
transmitting, in obedience to a resolu-
tion of the house of representatives of
the 28th ultimo, sundry statements,
showing the amount of moneys drawn
from the treasury, for the war and navy
departments, from the 30th day of No-
vember, 1819, to the 13th day of No-
vember instant; an account of transfers
made during the last recess of congress,
from one appropriation to another, and
of payments made during the same pe-
riod, by the treasurer, agent for the
war and navy departments, during the
same period.

Mr. Foot moved for the considera-
tion of a proposition submitted by him
a few days ago, respecting the discipline
of the navy; but the house refused now
to consider it.

MISSOURI.

The house then again resolved itself
into a committee of the whole, Mr. Hill
in the chair, on the resolution declaring
the admission of Missouri into the
Union on an equal footing with the origi-
nal states.

Mr. Storrs, of New York, in a speech
of about an hour's length, assigned the
reasons which would induce him to vote
against the resolution.

Mr. P. Barbour, of Virginia, in a
speech of somewhat greater length, de-
fended the resolution, and vindicated the
right of Missouri to the form of admis-
sion into the Union.

When Mr. Barbour concluded, there
seemed not to be a disposition in any
person to rise.

Mr. Smyth, of Virginia, said that he
wished to present his views on the sub-
ject, but was not prepared to do so this
afternoon. He therefore asked that the
committee should rise, and ask leave to
sit again.

The committee, however, refused to
rise.

Mr. Archer, of Virginia said, that he,
too, wished to address the house on this
question, but was prevented from doing
so to-day by bodily indisposition.

Another motion for the committee to
rise was negatived.

At length, however, after one or two
more refusals, the committee rose and
reported the resolution to the house;
and, after several ineffectual attempts,
a motion at length prevailed to lay it on
the table.

And the house adjourned.

Saturday, December 9.

Among the petitions presented to-
day, was one by Mr. Wendover, from
the Mercantile Society of the city of
New York, praying for an imposition
of a duty of 10 per cent. on sales at auc-
tion; also for the establishment of an
uniform system of Bankruptcy; and for
such a modification of the tariff of duties
on imports, as is demanded by the best
interests of the nation.

On motion of Mr. Cocke, it was

Resolved, That the secretary of war
be directed to communicate to this
house any information he may possess,
tending to shew whether the order given
by col. King, of the 4th regiment of in-
fantry, to shoot deserters taken in the
act, was approved by any general officer
in the service of the United States; or
known to, and passed over in silence by
him, as stated in the defence of said col.
King before a court martial, sitting in
the state of Alabama, in the year 1819;
and also any information he may pos-
sess, shewing that corporal punishment
has been inflicted on any soldier, where-
by he came to his death; and, if any, by
whose order it was inflicted, and what
measures have been taken relative
thereto.

On motion of Mr. Whitman, it was

Resolved, That the committee on the
public lands be instructed to inquire
into the expediency of extending the
times for issuing land warrants to sol-
diers of the revolution, and for locating
the same.

On motion of Mr. Rankin, it was
Resolved, That the committee on
commerce be instructed to inquire into
the expediency of establishing a port of
entry at the mouth of Pearl river, in the
state of Mississippi.

The speaker laid before the house a
letter from the secretary of the treasury,
transmitting, in obedience to a resolu-
tion of the house of the 5th instant, the
latest return made to the treasury de-
partment, of the general state of the
Bank of the United States and its offi-
cers; which letter was read, and, with
the statement, ordered to be printed.

MISSOURI.

The house having resumed the con-
sideration of the resolve declaring the
admission of the state of Missouri into
the Union—

Mr. A. Smyth, of Virginia, delivered
a speech of two hours' length in sup-
port of it, and Mr. Strong, of N. York,
a speech of one hour's length against it.

When, on motion of Mr. Nelson, of
Virginia,
The house adjourned.

Monday, December 11.

Mr. Williams, of N. C. made a re-
port on the petition of the owners of
vessels sunk in the harbour of Baltimore
to prevent the approach of the British
ships in 1814, accompanied by a bill for
their relief; which was twice read and
committed.

On motion of Mr. Butler, of New-
Hampshire, it was

Resolved, That the committee on the
post office and post roads be instructed
to inquire into the expediency of pro-
viding by law for prohibiting printers
and editors of newspapers, and all other
persons who are proprietors of any such
printing establishment, or in any way
concerned in the publication of newspa-
pers from being mail contractors or
postmasters; and, also, prohibiting post-
masters from being mail contractors, or
being employed in conveyance of the
mail.

On motion of Mr. Baldwin, it was
Resolved, That the secretary of state
be required to communicate to this
house any information which may have
been received by that department, touch-
ing any alterations in the commercial
laws or regulations of any of the nations
of Europe, which may have been made
or adopted since the year 1817.

On motion of Mr. Johnson, it was
Resolved, That the committee on the
judiciary be instructed to inquire into
the expediency of amending the 11th
section of the act, entitled "An act for
regulating process in the courts of the
United States and providing compensa-
tions for officers of the said courts and
for jurors and witnesses providing for
the removal of suits and actions in cer-
tain cases."

The house resumed the consideration
of the resolution declaring the admission
of the state of Missouri into the Union.

Mr. Archer, of Virginia, delivered at
some length his views of this subject,
and the reasons why he was in favour of
the passage of the resolution.

When he concluded—

Mr. Hill, of Massachusetts, moved an
amendment, qualifying the assent to the
admission of the new state into the
Union by an exception of a particular
clause of the constitution. This motion,
however, was withdrawn by Mr. Hill for
the present, on the representation of
Mr. Lowndes, that it would embarrass
the main debate, by bringing on an in-
cidental one, and would deprive him of
the opportunity of replying to some ob-
jections he had not anticipated, and to
others arising from a misapprehension
or evasion of his first arguments in sup-
port of the resolution.

Mr. Baldwin then moved to strike
out the preamble to the resolve.

Mr. Lowndes assigned briefly the
reasons why, on more mature reflection,
he should assent to this course, though
he had at first preferred the other.

The question being taken on striking
out the preamble, was decided in the
affirmative, 87 to 65.

Mr. Hemphill, of Pennsylvania, deli-
vered, at considerable length, his senti-
ments in hostility to the resolution for
the admission of Missouri as now con-
stituted—

And the house adjourned.

Tuesday, December 12.
