### To Printers and Publishers.

THE Subscriber having added the manufacture of moveable type to his Stereotype establishment, respectfully solicits a share of the patronage of the Printers of Pennsylvania and the adjacent States. Having a practical knowledge of printing, and also having been longer practically engaged in the business of Stereotyping than any other person in the United States, he hopes to be able from such experience, to give satisfaction to those who may favour him with their orders. From an intimate acquaintance for a number of years, (nearly eight,) with the business of type founding, he hopes to be able to produce type equal to any offered to the Printers of the United States. His prices, though low, will of course be the same as others in the same business. Nor will he attempt to violate truth, or insult common sense, by pretending to any "increased facilities, in the manufacture," (for there are no other "facilities" at present in this city, than they were twelve years ago, when type where from 40 to 50 per cent higher than at present,) nor have the "materials used in making printing types been so greatly reduced," as to bear any proportion to the reduction here "intended" by competition, and an over in the prices of type. 't the reduction has clearing disposition in some of those founders who have grown rich on the heretofore enormous profits on type. All sizes of type, plain and ornamental, for book and job printing, from 14 lines Pica to Nonpareil, constantly on hand in such quantity as to supply any order at a short notice. In the choice of Book-letter, pains have been taken to select such faces as are generally approved for symmetry, neatness and durability. He also keeps a complete Printers' Warehouse, (the only one in this city,) and can furnish a complete Printing office at very short notice. The following are his prices at a credit of six months, for approved notes or acceptances—or a discount of five per cent. will be made for cash: Six lines Pica and all larger \$ 30 Long Primer, 40 Double Pica, to five lines Pica, 32 Brevier, 46 Great Primer, 32 Minion, 70 English, 36 Nonpareil, 90 Pica, 36 Leads, 30 Small Pica, 38 Quotations, 20 The prices on ornamental and fancy type have been reduced in a greater proportion. Stereotyping will be done at the lowest prices, in the best manner as heretofore. Publishers of Newspapers in the State of New Jersey, Pennsylvania, Delaware, Maryland, Virginia, North and South Carolina and Georgia, who give the above three conspicuous insertions, shall be entitled to \$2 50, payable in type, or in settlement of account.
