THE BALTIMORE Athenaeum & Visiter,

A WEEKLY FAMILY NEWSPAPER.

Price Reduced!! *Blackwood's Magazine* at less than One Dollar a year!!

A highly-toned family newspaper, that shall ever be free from matter that would demoralize or create an unhealthy appetite in the community, at a price within the reach of all, has long been a desirable object in this country, which is flooded with publications of a character to do little good and we fear much harm. Such a paper the present publisher has endeavored to make the Athenaeum and Visiter. But one thing remains for him, and that is to make it so cheap that every one who desires such a paper can afford to take it, and he therefore reduces the price to \$2 00 a year in advance; and that clubs may be induced to prefer it, four copies for \$5, paid in advance, will be sent to induce a very large subscription, ten copies for \$10 will be furnished. Besides the large amount of the very best matter furnished, the whole of *Blackwood's Magazine*, with the exception of the political articles and such matters as are of an interest, will be published in a single number regularly each month, so soon as the magazine is received in this country, commencing with the January number. It costs to get this magazine from Edinburgh, 12 dollars, and it will be furnished to clubs of ten who take our paper at the extraordinary low rate of \$1 per annum, including the year's subscription to the paper. The character of *Blackwood's Magazine* is so well known, that it needs no praise at our hands. To clubs who only want the numbers which contain the magazine, it will be furnished monthly as follows: 10 copies for \$5 per annum. 25 " " 10 "

A single subscription for the year will be 75 cents. No paper sent unless the money accompanies the order.
Postmasters or others who will send us ten dollars and ten subscribers, will be entitled to and receive monthly the number containing the whole of *Blackwood's Magazine*. Or by sending fifteen dollars and fifteen subscribers, will receive the paper free for one year.
Will papers with which we exchange favor us by giving the above a few insertions?

Corner St. Paul's street and Bank Lane, Baltimore.

Stop the Runaway!

RAN away from the subscriber, on Friday the 16th instant, a negro boy by the name of GRIFFIN. He was about 21 years of age, five feet nine or ten inches high, and of a dark complexion; has a full face and projecting lips, and speaks very quick. No prominent mark recollectedException except a scar on one of his legs. He was raised in Virginia, and purchased of Godwin & Templeman. A liberal compensation will be given to any one who will apprehend said boy and deliver him to me, or confine him in any jail so that I can get him.

To Stock Breeders.

THE subscriber has an IMPORTED BULL of the Ayrshire breed, now fit for use. He will render service at five dollars per Cow; or to any careful man he would farm him until October next. Argyle is an animal of beautiful form, now in fine health and condition. He was selected in England as the best adapted to our country, the whole stock being remarkable for their easy keep, and fine milking qualities.

I have also an IMPORTED RAM I would farm out the coming season; he is of the Leicester breed, so famous for early maturity, fineness and quantity of their wool, and feeding kindly and profitably for the table.

The stock has been imported at great expense, with the hope of improving the Cattle and Sheep of our native State; and if my fellow citizens do not avail themselves of the opportunity, they must blame themselves, not me.

To Builders.

THE building of a Brick Court House in Carrington, Moore county, is offered to contractors, who, after examining the subjoined plan and description, will send in sealed proposals to the Commissioners at Caihage, by the 1st day of May ensuing, when the contract must be closed - to wit:

The dimensions of the house, 26 by 42 feet, two stories.

The foundation to be of hewn rock, 2 feet above the surface, with a sufficient projection to prevent any injury from the falling of water off the eaves, with as much of the foundation laid in lime mortar as shall be deemed necessary.

The pitch of the first story to be 10 feet in the clear, the external course of which is to be laid in lime mortar, and the wall to be 2 feet thick, the lower story to be divided by cross passages into four rooms, with brick walls, each room to be furnished with a fire place.

The cross passage to be 12 feet in the clear, the passage lengthwise to be 10 feet.

The wall of the upper story to be 16 inches thick, totally laid in lime mortar, the pitch of which to be 13 feet in the clear, to be divided into three apartments; two jury rooms 9 feet in the clear lengthwise, with lathed and plastered partitions, a fireplace in each; and one or two fireplaces to the Court room.

All the rooms to be ceiled up to the chair board, and finished with plastering and white wash, except the rooms in the lower story, to be ceiled over head.

The jury rooms to be furnished with benches, seats, and the Court room to be furnished with bar, benches and tables, in such manner and style as the commissioners shall direct.

Each passage door to be furnished with folding shutters.

The house to have 30 windows, 4 ft. 6 in. 10 by 12, with sash and glass over each passage door.

The cap sills and sills of each passage door and all the windows, to be of hewn rock.

All the doors to be furnished with panel shutters, and the windows of the lower story with folding, lined, panelled shutters, with the necessary locks and fastenings.

One flight of stairs to be 5 feet in width.

The boxing and outside consisting to be fire proof, and all the necessary cornish in the inside furnished.

All the doors to be furnished with best knob locks.

All the rooms below to be furnished with suitable desks and tables.

The sleepers and joists to be 10 by 4, 2 feet from centre to centre. The flooring of quarter plank, 1 1/2 in.

The roof to be hipped, well supported and covered with zinc.

The external of the building to be painted red and pencil-d.

Steps of hewn rock to be furnished each outside door.

All the wood work belonging to the building to be neatly painted.

The contractor to furnish all the materials and complete the building by the 1st day of August 1839, in a faithful and workmanlike manner.

The payments to be made in suitable instalments as the work progresses

Tailoring Business.

REMOVED.

MR. Levin Carmichael has removed his establishment to the building once occupied by David Yarbrough, esq. as a Dry Goods store, and recently by Dr. Norwood, as a Doctor's Shop. He would take this occasion to return his thanks to the many friends who have bestowed their patronage upon him, and earnestly solicits them to give him a call at his new stand.

The Latest Fashions will be regularly received from New York, Baltimore, and Philadelphia; and he has excellent Northern workmen to execute his work. Every attention will be paid to his work, and no effort will be spared to please his patrons. He flatters himself that he has generally succeeded in making his work fit; and he thinks he can insure it to be as well executed as any in the Southern country.

NEW SERIES OF THE LITERARY OMNIBUS;

FURNISHING BOOKS BY MAIL! AT NEWS-PAPER POSTAGE!!!

WALDEE's Literary Omnibus has now been in existence five months, and has enjoyed during that period a very extensive sale of public favour. It has formed a library of two dollars and a half, reprints of London books which cost there over fifty cents; in addition to a large amount of literary matter, reviews of new books, tales, and dramatic and foreign news.

The original proprietor, intending to devote his time and attention to his other publications, has disposed of his interest in the Omnibus to the present publisher, who will make no further charge in his general claims than issuing it from another office, and changing its name from "Waldee's" to "Brown's".

Brown's Literary Omnibus will be issued every Friday morning, printed on excellent paper of a large size. It will contain,

1. Books, the newest and best that can be procured, equal every work to a London dime volume, embracing Novels, Tracts, Memoirs, &c., and only chargeable with news paper postage.

2. Literary Reviews, Tales, Sketches, Notices of Books, and information from the world of letters of every description.

3. The news of the week, foreign and domestic.

The price will be two dollars per annum to clubs of five individuals. To clubs of two individuals, two dollars and a half; or five dollars for the two. Single mail subscribers, three dollars. Mail remittances to be post paid.

As the arrangements for this undertaking are all completed, the proprietor asks from a generous public that consideration to which no diffusive scheme of circulating knowledge and amusement is entitled.

The first number of the New Series commenced on the fifth of January, 1838, from which period or from any future date new subscribers may commence.

Postmasters and agents for periodicals throughout the Union and Canada are requested to act as agents for the Omnibus, and communicate with the proprietor.

Editors of newspapers who receive this number, by inserting the prospectus four times conspicuously, and forwarding a copy to this office, will be entitled to a free exchange for twelve months.

Address post paid.
