**STATE OF NORTH CAROLINA.**  
 By His Excellency John M. Morehead, Governor, Captain General, and Commander in Chief in and over the State aforesaid.  
**WHEREAS,** I have been duly informed by the Proclamation of his Excellency WILLIAM HENRY HARRISON, President of the United States, that the last Monday of May next, (being the 31st day thereof,) has been fixed upon by him for the meeting of the first session of the twenty-seventh Congress of the United States; an event which renders it expedient and necessary that the Elections for the Representatives from this State in the next Congress should be held at an earlier day than the usual time of holding said elections.  
 I do issue this my Proclamation, hereby commanding all Sheriffs and other returning officers of the several counties composing each Congressional district, to cause polls to be opened and kept, and elections to be held, for Representatives to the next Congress of the United States, on Thursday the thirtieth day of May next, at the places established by law in their respective counties, for holding said elections. And I do further command and require said Sheriffs, and other returning officers, to meet for the purpose of comparing the polls, at the times and places prescribed by law for that purpose. And I do, by this my Proclamation, further require the freemen of this State, to meet in their respective counties, at the time aforesaid, and at the places established by law, then and there to give their votes for representatives in the next Congress.  
 In testimony whereof I have caused the great seal of the State to be hereunto affixed, and signed the same with my hand.  
 Done at the city of Raleigh, this the twenty second day of March, in the year of our Lord one thousand eight hundred and forty-one, and of the independence of the United States the sixty-fifth.

**Moffat's Vegetable Life Medicines**  
 THESE Medicines are indebted to their name to their purifying and healthy action on the system, and to the happy effects of MOFFAT'S LIFE PILLS and PHENIX BITTERS have been gratefully and publicly acknowledged by the persons benefited, and who were previously unacquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act.  
 The LIFE MEDICINES recommend themselves in diseases of every form and description. Their first operation is to loosen from the coats of the stomach, and bowels, the various impurities and crudities which constantly settle around them, and to remove the hardened masses which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual constiveness, with all its train of evils, or sudden diarrhoea, with its imminent dangers. The fact is well known to all regular anatomists, who examine the human bowels after death; and hence the prejudice of these well informed men against such medicines, or medicines prepared and heralded to the public by ignorant persons. The second effect of the Life Medicines is to cleanse the kidneys and the bladder, and the healthy action of these entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.  
 Moffat's Vegetable Life Medicines have been thoroughly tested, and pronounced a sovereign remedy for Dyspepsia, Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headache, Restlessness, Ill temper, Anxiety, Langour and Melancholy, Costiveness, Diarrhoea, Cholera, Fevers of all kinds, Rheumatism, Gout, Dropsies of all kinds, Gravel, Worms, Asthmas and Consumption, Scoury, Ulcers, inveterate Sores, Scorbatic Eruptions, and Red Complexions, Eruptive complaints, Sallow, Cloudy and other disagreeable Complexions, Erysipelas, Salt Rheum, Common Colds and Influenza, and various other complaints which afflict the human frame. In Fever and Ague, particularly, the Life Medicines have been most eminently successful; so much so that in the Fever and Ague districts Physicians almost universally prescribe them.  
 All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions. It is not by a new species of notice, or by anything that he himself may say in their favor, that he hopes to gain credit. It is alone by the results of a fair trial.  
**Moffat's Medical Manual;** designed as a Domestic Guide to Health—This little pamphlet, edited by Wm. B. Moffat, 375 Broadway, New York, has been published for the purpose of explaining more fully Mr. Moffat's theory of diseases, and will be found highly interesting to persons seeking health. It treats upon prevalent diseases, and the causes thereof. Price, 25 cents. For sale by Moffat's agents generally.  
 These valuable Medicines are for sale at the Office of the Hillsborough Recorder.

**Brandreth's Pills.**  
 A VEGETABLE and Universal Medicine, proved by the experience of thousands to be, when properly administered, a certain cure in every form of the COLIC, BILIOUSNESS, all having the same origin, and invariably attended with the UNIVERSAL, BUT OF ALL DISEASES, namely IMPURITY or IMPERFECT CIRCULATION OF THE BLOOD.  
 In a period of little more than three years in the U. S. they have restored to a state of health and enjoyment over ONE HUNDRED THOUSAND persons, who were given up as incurable by physicians of the first rank and standing, and in many cases when every other remedy had been resorted to in vain.  
 In all cases of Pain or Weakness, whether it be chronic or recent, whether it be due to a state of pain in the side, whether it arise from a constitutional or from some immediate cause, whether it be from internal or external injury, it will be cured by persevering in the use of these Pills.  
 This principle of purging with Brandreth's Pills, removes nothing but the acrid and corrupt particles from the body—the solid and corrupt humors of the blood, those humors which cause disease—they impede the functions of the liver when they settle upon that organ, and which, when they settle upon the nerves, produce rheumatism; or upon the muscles, produce gout; or upon the lungs, produce consumption; or upon the intestines, (as aforesaid); or upon the lining of the blood vessels, apoplexy and paralysis, and all the train of disorders so melancholy to the sufferer and all who behold them.  
 Yes, purging these humors from the body is the true cure for all these complaints, and every other form of disease. This is no mere assertion—it is a demonstrable truth, and each day it is extending itself; for and what it is becoming known, and more and more appreciated.  
 The cure by purging may more depend upon the laws which produce sweetness or purity, than may be generally imagined. Whatever tends to stagnate, will produce sickness, because it tends to putrefaction; therefore the necessity of constant exercise is seen.  
 When constant exercise cannot be used from ANY CAUSE, the occasional use of Brandreth's Medicine is ABSOLUTELY required. Thus the conduct of the blood, the fountain of life, are kept free from those impurities which would prevent its steady current ministering health. Thus morbid humors are prevented from becoming mixed with it. It is nature which is thus assisted through the means and efforts which she has provided for herself.
