weeks ago, endeavoring to create an impression diffections. der. He did not approve of the strong expression which Gen. Taylor was represented to have made in relation to the mutiny in the regiment. But sonal friends and by strangers, by Whigs

know him, though he makes a statement which he professes to have heard me make, a vain one, His course, however, is in keeping with the enemies of General Taylor, and the in the Locofoco ranks."

Letter from Gen. Taylor. pended to create an impression that he occupies thought doubtful if one of them would hold Magazine. an equivocal position before the country; and well any.

East Passagoula, Sopt 4, 1948. DEAR SER: On the 22d day of April last, I addressed your letter explaining ors views to regard to various georiers of public, policy lest my fellow-emizens misht be mis relay the unity contradictory and enoflicting statements in respect to them which appeared in the journals of the day and were circulated throughout the country. I now find myself misrepresented and misunders nod upon another joint, of such impursance to myself personally, if not to the country at large, as to claim from me avanded and connected exposition of my relations to the publie is regard to the pending Presidential

The utmost ingenuity has been expended upon several leters and detached sen-Errafta .- In the bury with which news tences of letters, which have recently anpapers are generally put to press, errors will free presend over my signature, to show that I quently occur; most of which, however, can readithe corrected by the intelligent reader. In one last number, in the lines under the title of "Three Whig party as re-presented by the Nations Thomas of Old Zack," two cross occupied. Thousand for Old Zick," two errors occurred al Convention which assembled in Philanigh we have been requested to correct. The delphia in June lot. Had these letters fird is in the last line of the ninth stanza; it should and seraps of letters been published or construed in connection with what I have le tetofore said upon this subject, I should The other is in the last line of the fourteenth not now have to complain of the spred with which my answers to isolated questions have been given up to the captious criticum of those who have been made Errors frequently occur more in consequence of my enemies by a nomination which has the inscessacy of the writing than through the been tendered to me without solicitation culesdess of the printer. Of this character was or arrangement of mine, or of the manner the last of the errors above mentioned; the D in in which selected passages in some of my the word D ring resembling a W more than any letters, written in the freedom and excelessness of a confidential correspondence, have been communicated to the public press Mr. Donnell's Speech,-We have But given from the context, and separated stand in our columns to-day the able speech of from a series of explonatory facts and cirthe Hon, R. S. Donnell of this state, delivered in cumstances which are, in so far as this the House of Representatives on the 29th of July canvass is concerned, historical, they are last, on the bill from the Senate denominated as deventive as though they were positive " the Compromise Bill." We recommend it to fabrications. I address you this letter to correct the injustice that has been done me, and the public to the extent that I am an object of interest to them, by this illiberal process.

I shall-not weary you by an elaborate recital of every incident connected with the first presentation of my name as a candidate for the Presidency. I was then at the head of the American army in the Vally of the Rio Grande. I was surrounded by Whigs and Democrats who had steed by me in the trying hours of my life, and day of November-that being the day on which whom it was my destiny to conduct through scenes of still greater trial. My We regret to learn that Harrison W. Coving duty to that army, and to the Republic lity to any portion of the brave men under my command-all of whom knew I was The North Carolina Regiment. a Whigh principle, for I made no converal A paragraph appeared in the Ratoon some ment of my political sentiments or pre-

that not more than thirty out of the whole of the Such had been the violence of party North Carolina regiment would vote for Taylor struggles during our late presidential elecand Fillmore. Captain Constable, of the Orange tions, that the acceptance of a nomination and Yancy company, who passed through this under the rigorous interpretations given place on his way to his home in Tennessee, was given as the authority upon which the statement dieal principles, was equivalent almost to was made. We thought at the time that the re- a declaration of uncompromising enmity of my meaning, and this is the purport of presentation of the sentiment of the regiment to all who did not subscribe to its tenets. set forth in the article was deceptive; but as we I was unwilling to hazard the effect of were not present at the conversation with Capt. such relationship towards any of the sol-Constable, we could not say that he had been diers under my command when in front miscepresented. But the article was copied into of an enemy common to us all. It would the Nashville Union, and by that means was have been unjust in itself, and it was as brought to the notice of Capt. Constable, who ve- repugnant to my own feelings as it was ry promptly published a card in the Jonesborough, to my duty. I wanted unity in the ar-Whig, to correct the false impression so evident- my, and forbore any act that might sow ly intended to be made. Capt. Constable ac. the seeds of distrust and discord in its knowledges that an unfavorable impression was ranks. I have not my letters written at made on his mind by the evidence of Licut. Pen- the time before me, but they are all of one import, and in conformity with the Meanwhile, I was solicited by my per-

the position in which Lieut. Pender has since and Democrats, to consent to become a placed himself has destroyed all confidence in his candidate. I was nominated by the peoveracity. Capt. Constable now says, he has "the ple in primary assembles-by Whigs, utmost confidence in Gen. Taylor, as a kind, hu- Democrats and Natives, in separate and mane, obliging, and an able officer," and thinks mixed meetings. I resisted them all, and that without vanity he can say he "ought to continued to do so till led to believe that my opposition was assuming the aspect of Capt. Constable concludes his card as follows: a defiance of the popular wishes. I yield-· That part of the extract in the Union, ed only when it looked like presumption which makes me to have said what number of the men in the Regiment would have done so, had not the nomination dent, yet it was without any expectation of benesupport Taylor and Fillmore, is false, been presented to me in a form unlikely The remarks I made as to the number of to awaken acrimony or reproduce the bitvotes for these men, were in reference to terness of feeling which attends popular the Company I had the honor to com- elections. I say it in sincerity and truth mand, and not the Regiment. This is the that a part of the inducement to my conerror of the editor of the Ratoon, in his sent was the hope that by going into the canvass it would be conducted with candor zear to serve the cause of Cass and But of not with kindness. It has been no full state whose hearts are with Mr. Clay, the Albany Griffia's store on Saturday the 2d of Septer.
