To Petersburg and the North. RAVELLERS coming down the Raleigh and Gaston Road are informed, that they will find at Gaston a passenger train ready to carry them on to Petersburg without any delay. By taking this train, they will not only save 50 cents in the price of each passage, and shorten the railroad travel 15 miles, compared with the route via Weldon, but they will reach Petersburg before the Petersburg or Portsmouth cars start from Weldon, as those cars have to wait there for the Wilmington cars, -- and besides enjoy the advantages of the town. The lot has premiums, ranging from 50 cents to \$5, avoid the delay of 33 to 4 hours at that place. For further information and tickets, apply to
