

British Periodicals.

EARLY COPIES SECURED. Premiums to New Subscribers!!! LEONARD SCOTT & CO. New York, continue to republish the following British Periodicals, viz: 1. The London Quarterly, (Conservative.) 2. The Edinburgh Review, (Whig.) 3. The North British Review, (Free Church.) 4. The Westminster Review, (Liberal.) 5. Blackwood's Edinburgh Magazine, (Tory.)

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tomes of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really reliable and intelligible history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Arrangements are now permanently made for the receipt of Early Sheets from the British Publishers, by which we are enabled to place all our Reprints in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, together with the following Premiums to new Subscribers:

TERMS AND PREMIUMS. [See List of Premium Volumes below.] For any one of the four Reviews and one Premium vol. per annum \$3 00 For any two " " and one Prem. vol. 5 00 For any three " " and two " " 7 00 For all four of the Reviews and two " " 8 00 For Blackwood's Magazine and one " " 3 00 For ditto and three Reviews and three " " 9 00 For ditto and four Reviews and three " " 10 00 Payments to be made in all cases in advance. Money current in the State where issued will be received at par.

The Premiums consist of the following works, back volumes of which will be given to new Subscribers according to the number of periodicals ordered, as above explained:

PREMIUM VOLUMES. Foreign Quarterly Review, [one year.] Blackwood's Magazine, [six months.] London Quarterly Review, [one year.] Edinburgh Review, [one year.] Metropolitan Magazine, [six months.] Westminster Review, [one year.]

Consecutive Premium volumes cannot in all cases be furnished, except of the Foreign Quarterly Review. To prevent disappointment, therefore, where that work is not alone wanted, Subscribers will please order as many different works for premiums as there are volumes to which they may be entitled.

CLIPPING—A discount of twenty-five per cent. from the above prices will be allowed to Clubs ordering four or more of the above works. Thus: Four copies of Blackwood, or of one Review, will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$30 and so on.

A premium will be given where the above allowance is made to Clubs, nor will premiums in any case be furnished, unless the subscription money is paid in full to the Publishers without recourse to an agent. Money current in the State where issued will be received at par.

POSTAGE.—In all the principal Cities and Towns, these works will be delivered, through Agents, Free of Postage. When sent by mail, the Postage to any part of the United States will be but Twenty-four Cents a year for Blackwood, and but Fourteen Cents a year for each of the Reviews.

Remittances and communications should always be addressed, post-paid, to the Publishers, LEONARD SCOTT & CO. 54 Gold Street, New York.

DR. STRONG'S Compound Sanative Pills.

THESE Pills are entirely Vegetable, and are a most superior Medicine in the cure of all Bilious Complaints, Chills and Fever, Dyspepsia, Costiveness, Liver Complaint, Jaundice, Sick Headache, Scourful, Salt Rheum, Fevers of all kinds, Loss of Appetite, Obstructed and Painful Menstruation, and all inguinal diseases.

As a Female Medicine they act like a charm; and when taken according to the directions, they never fail to cure the worst cases of Piles, after all other remedies fail.

They purify the blood, equalize the circulation, restore the Liver, Kidneys, and other Secretory Organs to a healthy tone and action; and as an Anti-Bilious Family Medicine, they have no equal. Price 25 cents per box.

ALSO DR. STRONG'S

PEPATORIAL SPONGE PILLS, A Remedy for Coughs, Colds, Catarrh, Bronchitis, Whooping Cough, Asthma, Consumption, Nervous Diseases, Dyspepsia, Costiveness, Erysipelas, Disease of the Heart, Inflammation and Pain in the Chest, Back and Side, and all diseases arising from a deranged state of the Stomach, and to relieve the distress and bad feeling attending eating too hearty food, in weak and dyspeptic habits. Warranted to be purely Vegetable.

These Pills act as an Expectorant, Tonic, and Aperient. One 25 cent box contains three times more power to cure diseases than a one dollar bottle of any of the Syrops, Balsams, or Sarsaparillas that were ever made, and a simple trial of only one box will prove the important truth.

They promote Expectoration, Loosen the Phlegm, and Clear the Lungs and other Secretory Organs of all morbid matter, and there is no other remedy in the whole Materia Medica capable of imparting such healing properties to the Lungs and Vital Organs as these Pills. They cure Costiveness, produce a good, regular Appetite, and Strengthen the System. Price 25 cents per box, containing 25 doses of medicine.

Call on the Agents who sell the Pills, and get the "Pinner's Almanac" gratis, giving full particulars and certificates of cures.

Both kinds of the above named Pills are for sale in Hillsborough by DENNIS HEARTY; and at Chapel Hill by JAS. S. LECHE; who also keeps a supply of Dr. Senger's Vegetable Pills, and Dr. Hall's Celebrated Pills, which stop the Chills and Fever the first day, and do not sicken the stomach or operate on the bowels. August 29. 60-17

A NEW Map of North Carolina.

THE undersigned are preparing, and will publish, as soon as the necessary Surveys, &c., can be obtained, a New, Large, and Complete Map of NORTH CAROLINA, five feet by three, well engraved and finished in the best style.

It is admitted on all sides, that such a work is a great desideratum in our State, and it is in consequence of the frequent inquiries on this subject, that the undersigned have embarked in the enterprise.

The only attempted work of this kind is that of McRae, published in 1822; and since then the Counties, Towns, Roads and Post-offices have increased in number, and all our works of Internal Improvements, with small exceptions, been set on foot.

It is intended that the New Map, now proposed to be published, shall contain, accurately laid down, all the Natural Features of the State—the Inlets, Harbors, Sounds, Lakes, Rivers, Creeks, Mountains, &c.

Also, the public improvements and artificial divisions. The Railroads, Plank Roads, Counties, County Towns, Post-offices, Cities, Villages, Post-roads and Canals, Colleges, Academies, &c., &c.

The Map will be ready by the summer of 1855. WILLIAM D. COOKE, SAMUEL PEARCE. TERMS: In Best Style, 600 Rollers and First Impressions, \$10.00 In Plain Style, Black Rollers, 6.00 Information from any source, and which may be of service in making the above work, will be thankfully received. All communications should be addressed to WM. D. COOKE. Raleigh, August, 1854.

COACH MANUFACTORY,

in Hillsborough. THE subscriber would inform the riding part of the community, that he is now carrying on, in the town of Hillsborough, THE MANUFACTURE OF Buggies, and all kinds of Carriages, on a much larger scale than he has ever been done before in the town or county; and that he is prepared to do all kinds of Repairing at the shortest notice and in the best manner. He flatters himself that the community can be supplied, at his establishment, with as good and nice work as they can get any where, North or South; and by doing good work he will try to make them believe it.

He has now on hand an assortment of good Buggies and Barouches. Those wishing to purchase would do well to call and examine for themselves before they buy elsewhere.

He will warrant all his work; and if any part of it gives way, in consequence of not having been well done, he will feel bound to have it done over, if called upon to do so within a reasonable time after it leaves the shop. He is determined to try to do his work as it should be done, and has therefore procured some of the best workmen he could get—both Northern and Southern. All his materials were selected by himself, and he does not intend to work any but such as are good.

He begs leave here to return his thanks to the public for the liberal patronage he has heretofore received; and hopes, by strict attention to business, to increase that patronage.

All orders for work from a distance, will be promptly attended to. A. C. MURDOCK. August 21. 50-

HENRY'S INVIGORATING CORDIAL.

Purely Vegetable in its Composition. THIS invaluable Cordial is extracted from Herbs and Roots, which have been found after years of experience, by the most skillful Physicians, to be possessed of qualities most beneficial in the diseases for which it is recommended, and hence whilst it is presented to the public as an efficacious remedy, it is also known to be of that character on which reliance may be placed as to its safety. In cases of Impotency, Hemorrhages, Disordered Sterility, Menstruation, or Suppression of the Menes, Fluor Albus or Whites, or for DEBILITY arising from any cause, such as weakness from sickness, where the patient has been confined to bed for some time, for Females after Confinement, Abortion or Miscarriage, this Cordial cannot be excelled in its salutary effects; or in loss of Muscular Energy, Irritability, Physical Prostration, Seminal Weakness, Palpitation of the Heart, Indigestion, Sluggishness, Decay of the Procreative Functions, Nervousness, &c., where a tonic Medicine is required, it will be found equal, if not superior to any Compound ever used.

TO FEMALES. Henry's Invigorating Cordial is one of the most invaluable Medicines in the many Complaints to which Females are subject. It assists nature to brace the whole system, checks excess, and creates renewed health and happiness. Less suffering, disease and unhappiness among Ladies would exist, were they generally to adopt the use of this Cordial. Ladies who are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and to vigor.

NERVOUS DEBILITY. To those who by excess have brought upon themselves Weakness of the System, Premature Decay, Nervous Affection, or any other consequences of unbridled indulgence, lessening both mental and bodily capacity—Hold! Henry's Invigorating Cordial, a Medicine that is purely Vegetable, will aid nature to restore those important functions to a healthy state, and will prove of service. It possesses rare virtues, and is a general remover of disease, and strengthener of the system.

AS A TONIC MEDICINE, it is unsurpassed. We do not place this Cordial on a footing with quack medicines, and, as is customary, append a long list of Recommendations, Certificates, &c., beginning with "Hear what the Preacher says," and such like; it is not necessary, for "Henry's Invigorating Cordial" only needs a trial to prove that it will accomplish all we say.

THE GENUINE "HENRY'S INVIGORATING CORDIAL." Is put up in 8 oz. Pannel Bottles, and is easily recognized by the Manufacturer's signature on the label of each Bottle, (to counterfeit which is felony.)

Sold for \$2 per Bottle; Six for \$8; and 24 for \$26 per dozen.

Prepared only by S. E. COHEN, No. 3 Franklin Row, Vine Street, below Eighth, Philadelphia, Pa., to whom all orders must be addressed. For Sale by most of the respectable Druggists and Merchants throughout the country. April 28, 1854. 32-17
