German Bitters,**

DR. C. M. JACKSON, Philad'a., Pa.

Kidneys, and all Diseases arising from a dis-
ordered Liver or Stomach.
Such
as Consti-
pation, Inward
Piles, Fullness, or

idity of the Stomach, Nausea,
Heartburn, Disquiet for Food, Sour-
ness or weight in the Stomach, Fer-
rucations, Sinking, or Fluttering in the
Pit of the Stomach, Swimming of the Head, Har-
d and difficult Breathing, Fluttering at the Heart,
Choking or Suffocating Sensations when in a lying
Posture, Dimness of vision, Dots or Webs be-
fore the Sight, Fever and Dull Pain in
the Head, Deficiency of Perspi-
ration, Yellowness of the
Skin and Eyes, Pain in the Side, Back, Chest,
Limbs, &c., Sudden Fluxes of Heat
Burning in the Flesh, Constant
Inauginations of Evil, and
great Depression
of Spirits.
In attributing such valuable Medical properties to
this remedy, no rash or unwarrantable assertion is made,
but is simply stated a fact: proven undeniably and con-
clusively by the extraordinary cures, and benefits deriv-
ed from its use, under the direction of its illustrious
originator, Dr. Hooplund, among all classes of European
society, and from the immense mass of testimony, from
all parts of the American continent, accumulated during
the last ten years, in the hands of the present proprietor.
The prevalence of diseases to which the German Bitters
are adapted, it is with sorrow we say it, is almost un-
iversal; indeed there is scarcely a family throughout the
whole extent of our country in which there cannot be
found among its members that peculiar *Liver and Renal*
disorders, denoting a diseased *Liver*, or an emaciated
and suffering *Dyspepsia*.
Those of what immense importance to this class of
invalids, that a certain and reliable remedy should be
placed within their reach; one in which no harmful or
injurious drug enters into its composition; a remedy on
which the patient can rely with the utmost confidence
and certainty and be assured from actual and tangible
proofs, that the article he is using, really possesses the
virtues attributed to it. Such a remedy is *Hoopland's*
German Bitters. Thousands of dollars have been ex-
pended in its manufacture and diffusion throughout all
parts of this continent, and the proprietor feels the great-
est satisfaction in stating, that there is no state, county,
or even village where the Medicine has been introduced,
that there cannot be found numbers willing to testify to
its virtues.
It is used constantly in the practice of a large number
of the most prominent Physicians in the country, who
have also added their written testimony, in evidence of
its great virtues. In conclusion, then, we would re-
spectfully ask of all those afflicted with any of the above
diseases to give the Bitters a trial, and rest assured it
will never be regretted. In proof of the statements
above made, all are invited to read attentively, "Memo-
rabilia," or "Practical Receipt Book," for Farmers and
Families, containing a great number of useful receipts,
in addition to the testimony, in favor of the Bitters,
from the most prominent and well known individuals,
in all parts of the Union. All Agents for the Bitters
are authorized to distribute the "Receipt Book," gratuitously.

of Spirits.
In attributing such valuable Medical properties to
this remedy, no rash or unwarrantable assertion is made,
but is simply stated a fact: proven undeniably and con-
clusively by the extraordinary cures, and benefits deriv-
ed from its use, under the direction of its illustrious
originator, Dr. Hooplund, among all classes of European
society, and from the immense mass of testimony, from
all parts of the American continent, accumulated during
the last ten years, in the hands of the present proprietor.
The prevalence of diseases to which the German Bitters
are adapted, it is with sorrow we say it, is almost un-
iversal; indeed there is scarcely a family throughout the
whole extent of our country in which there cannot be
found among its members that peculiar *Liver and Renal*
disorders, denoting a diseased *Liver*, or an emaciated
and suffering *Dyspepsia*.
Those of what immense importance to this class of
invalids, that a certain and reliable remedy should be
placed within their reach; one in which no harmful or
injurious drug enters into its composition; a remedy on
which the patient can rely with the utmost confidence
and certainty and be assured from actual and tangible
proofs, that the article he is using, really possesses the
virtues attributed to it. Such a remedy is *Hoopland's*
German Bitters. Thousands of dollars have been ex-
pended in its manufacture and diffusion throughout all
parts of this continent, and the proprietor feels the great-
est satisfaction in stating, that there is no state, county,
or even village where the Medicine has been introduced,
that there cannot be found numbers willing to testify to
its virtues.
It is used constantly in the practice of a large number
of the most prominent Physicians in the country, who
have also added their written testimony, in evidence of
its great virtues. In conclusion, then, we would re-
spectfully ask of all those afflicted with any of the above
diseases to give the Bitters a trial, and rest assured it
will never be regretted. In proof of the statements
above made, all are invited to read attentively, "Memo-
rabilia," or "Practical Receipt Book," for Farmers and
Families, containing a great number of useful receipts,
in addition to the testimony, in favor of the Bitters,
from the most prominent and well known individuals,
in all parts of the Union. All Agents for the Bitters
are authorized to distribute the "Receipt Book," gratuitously.
