The N. C. Railroad. - The Payetteville Observer, in noticing the proceedings of the meeting of the Stockholders of the North Carolina Railroad Company, mentions as a singular omission in "the Recorder's apparently authorized report," the omission of any no-tice of the expenses for the year; and hopes it was

In explanation we would say, that the report from the President was not received until the second day of the meeting; and that instead of being carefully prepared and printed, as on former occasions, it was made up in much haste amid the multiplied cares and duties pressing upon him as Colonel of the regiment which he was zealously laboring to prepare to enter upon active duty in the field. In consequence of these intertive duty in the field. In consequence of these intertive deliverance. he was zealously laboring to prepare to enter upon ac-tive duty in the field. In consequence of these inter-ruptions the report did not embrace the expenses of tive duty in the field. In consequence of these interruptions the report did not embrace the expenses of
the year, but expressed in general terms that the expenses had been considerably increased in consequence
of needed repairs—the replacement of sills, railroad
iron, &c.—and consequently no dividend could be
made. The report will probably be smended, and the

One of the most interesting incidents of the battle is presented in the case of Lieut. W. P. Mangum, son of Ex-Senator Mangum, of N. C. This young man was attached to Company B. of Col. Fisher's Regiment, I believe, and owes the preservation of his life to a copy of the Bible presented him by his sister. He had the good book in his left coat pocket. It was struck by a ball near the edge, but the book changed the direction of the bullet, and it glanced off, inflicting a severe, but not dangerous flesh wound. The book was saturated with blood, but the advice written on a fly leaf by the sister who gave it, was perfectly legible. It read thus: "To my brother. He will read a
