OYSTER SALOON.
 THE subscriber would respectfully inform his customers, that he has opened an Oyster Saloon in the house recently occupied by Parks & Co, as a Shoe store, where he intends to serve up Oysters in all the various styles. Having made arrangements with the best house in the South for the celebrated Lynnhaven Oyster, his customers may rely upon getting something extra in the way of oysters.
 He will also keep on hand a supply of Pickled Oysters for his country friends.
 Every effort will be made to guarantee to his old customers that satisfaction that has established him as an Oyster Dealer. Trusting, by strict attention to business and gentlemanly deportment to all, that he may win the patronage of every good Conservative in the country. His Republican friends are also cordially invited, pledging to give them an extra plate if it will induce them to turn from the error of their ways. Malice towards none, and peace and good will for my friends, trusting that you may step in occasionally and get a good plate of cooked Oysters.
 Respectfully,
ALEX. PLEASANTS.
