city was carried over the Virginia fidland Railway between Charlottesville and Washington. Under this agreement all cattle and other freight traffic from the Cheston. A large increase of business extension and development of the line of the Chesapeake & Ohio Railway to and from the West. The completion of the Shenandoah Valley Railroad to its point of intersection with the Norfolk and Western Railroad at Roanoke (with which road it is identified in interest) has caused some diversion in traffic, principally cattle, which the Virginia Midland had heretofore received from the latter railroad at Lynchburg. A new and valuable freight traffic has been developed, coming from the Baltimore and Ohio Railroad connection at Stratsburg over the Manassas branch and main line of the Virginia Midland Railway, destined to Lynchburg, Danville, Richmond and points south of Danville. A proposal has been submitted by the North Carolina Railroad Company to lease the road to the Virginia Midland Railway when completed, but no definite action has been concluded.

The Growth of Winston-Salem. Winston Republican. Notwithstanding, the past year, owing to the drought of '81, is conceded to have been one of the most stringent ever experienced in this section, the building boom kept ers have had all the work they of brick. On comparing the report with that of last year, there are two striking contrasts, namely In the grade of buildings and the number of tenements and dwellings. The buildings have in the main been first-class and of brick. To our enquiry as to the prospects of the new year 1883, we are told that there never was a time when so many buildings were in contemplation as now. Another contractor said, everything here depends upon tobacco, and if Congress will dispose of the tax question at once we are all right- otherwise we are all wrong.

A Cow 100 Years Old.

Hawkinsville (Ga.) Dispatch. perhaps in the United States -is owned by a citizen of Hawkinsville. The owner assures us that the cow is 100 years old, and is now giving milk. When we mentioned impossi ility, of his cow being 100 years old, the gentleman assured us that she had belonged to bis and their ancestors, and that there is no doubt that the cow is 100 years of age. We can say for the owner of the cow-the gentleman who makes the statement—that be people sat down on Hubbellism; on is one of our most esteemed citizens, one not accustomed to exaggerate, and whose word has never been doubted. The gentleman, 50 years of age, is a member of one of the

The Course of True Love.

A sensation has been created in society circles in Baltimore by Mr. Ernault Williams, the son of the Hon. George Hawkins Williams, President of the Maryland State Senate, marrying against his father's wishes and then to-day filing a motion in the Circuit Court to set Boston Advertiser as these: "We aside a deed of trust by which he had conveyed to his father all of his property in consideration of an capital invested in the manufacture annuity of \$2,000 per annum. of iron and steel leads all other in-There is an interesting romance connected with the affair. In the motion filed to-day the young man simply states that the reasons for | 000 invested in lumber mills, \$177,the transfer which existed at the 000,000 put into flour and grist forth the plan of operations agreed time of signing the deed of trust do mills, and \$154,000,000 fixed in on, and it was determined to issue not now exist, and asks to be given foundries and machine shops. Then 2,000 bonds of one dollar each control of his own property. Ah! she was the Richmond & Danville Railroad queen-she was the queen 1 can you tell me how many t Terminal company to pay a remainder of \$600,000 still due the and miles a woman like that w Baltimore parties who sold the road. have to travel down before she the latter propose to resume the to the ballet box ! Compared wi proprietorship of the stock sold to this work of training kings an queens for Ligd and eternity, inki that company. It is understood that nificant seems all this work of at the time of the sale Mr. Jno. W. ting for aldermen, and co Garrett, who had a large private councilmen, and sheriffs and may-ors and presidents! To make one and Ohio and other Baltimore parsuch grand woman as I have d ties held on to the stock, by agreescribed, how many thousands would ment, until the whole purchase you want of those people who go money should be paid. About \$4. in the round of fashion and diss 000,000 has been paid, but the paypation, distorting the body until i ment of the remaining \$600,000 has their monstrosities they seem to outdo the dromedary and hippopot-amus! going as far toward ilisgraceful apparel as they dare go so as not to be arrested by the po lice-their behavior a sorrow to the sentiment of Rockingham county when we say that if we had no good and a caricature to the vinous and an insult to that God who made them women and not gorgons; and tramping on, down through a mand for the United States Senatel frivolous and dissipated life, to tem poral and eternal damnation have so stated during the campaign! De Witt Tulmage. Vant the Best Interests of The Peop

> the position he has filled so ably Salisbury Watchman. If the system of "rotation" is to be strictly followed and offices are for the benefit of greedy politicians. why then, go ahead and divide out the spoils; but if the offices are to be filled with an eye to the best interests of the people, then Hon M. W. Ransom should be re-elected to the position be has filled with so much honor to the State
