DOTING

Meeca.

NEW SERIES, NO. 892

-A strip of land about an ach wide on Fifty-fitth street, wes of Third avenue, New York, was recently sold for \$635.

-There is a difference between the lips of a young man and the lips of a young lady-but some-times it is a mighty small one.

-Thomas Holloway, the English pill-maker, left an estate val-ued at \$25,000,000, and it is all bequeathed to charitable institu-- when will be there a the ions.

-A Hoboken man has asked for a divorce because a mustache is spronting on his wife's lip. As a

----- "I have been married now," boasted a prosy old fellow, "more than 30 years, and have never given my wife a cross word," "That's because you never dared, uncle," said a little nephew.

-Mrs. B.-"Why, I thought Washington was dead." Mr. B.-"And so he is; he died before the Centennial." Mrs B.-"Why, I see here in the paper a heading : General Washington Dispatches."

-J. A. Rogers, a prominent young citizen, was murdered in Norfolk early on Sunday morning, his head being split open with an axe. Four young men have been arrested and are in jail charged with the crime.

---- Frank Hollum and Edward Peer, the two Orange boys who discovered the body of Charles Delmonico, have been paid the \$500 reward by Detective Healey, of Pinkerton's force. Hollum put his money in the bank. Peer put \$150 in the bank and gave the other \$100 to his parents.

----Germany is rapidly increas ing her beet-root culture. Ninety new factories were started last year, and nearly as many more are in course of construction. Beetroot sugar from France and Germany will soon be coming in competition with the Louisiann canesugar, in spite of the tariff. -----Miss Annie Higbie, of Flatusk, N. J., whose playful church festival marriage just declared illegal by the courts, now enters a suit for divorce from a man who the courts say she never married. She must want Master Vaughan, aged 17, very badly or some of his money, we don't know which. -"Ah," said the nice young man with bangs, as the little boy let him in the other evening. "Alf, my little man, is your sister at home. "Yes, she's at home, but she isn't expecting you " "And how do you know she isn't expecting me !" "Cause I heard her tell ma that you are too mean to hire a horse and sleigh, and she didn't expect to see you while the snow lasted." -One of the most astonishing snicides ever known has recently agitated Paris. An unknown but well dressed man went after dark to the Bois de Boulogne and placed about his neck an iron flexible tube filled with explosive matter. He then set fire to it, and was literally blown to pieces. A leg and an arm were projected to a great distance, and shreds of his flesh were found hanging on branches of trees. The method was thoroughly Parisian.
