OUR WASHINGTON LETTER to Congressman Hooker.

> (Special to the Pararota) WASHINGTON, D. C., April 1st, 1893.

The numination of offices, since sose mentioned in my last letter ave not included a North Carolihave were small ones. The appointment of Mr. Thos. J. Allison a be Collector of the Western District seems to give general sat faction. He was here a day or we since, and called on the Presiient with Senator Vance. The appointment of Mr. Kerr to the Ashetille postetlice also seems to be atisfactory: This appointment isproves the rumor with reference a editors-a story I never believed One report has been contradictd in the North Carolina papers thich is true. Senator Ransom Hill in the Senate chamber. Senstor Hill was trying to make L. Q. . Washington, Secretary, of the ound he had tackled the wrong

man. Ransein completely ousted Hill, though they are friendly now. The Kope Elias-Glenn-uncer y still exists as regards the Disrict attorneyship. If Elias gets . Buxton will be collector, so

ave been filed against the pres cooke for the Eastern District which will cause his removal and the appointment of Mr. Aycock a an early date.

Congressman Chas, Hooke rum Mississippi, met with a vererious accident here fast night Is had gone up town in the even or to visit some friends in the northwest. At the corner of Four teen and Corenran streets be at empted to slight from the cable ear, but in doing so stepped upo he down track and was struck b grip-ear-going in the opposit direction. He was thrown clear of the cars by the force of the dow, but having only one arm was unable to break his fall and struck heavily face downward on

internal injuries he had sustained henorrage of the nose. He was rohospital and his son, who is in

The attending surgeons at the hospital expressed the belief last over from his injuries. He was conscious and resting quietly at mateine have ever met with. At just accounts, and prospects were the same sime he is a man of oplan, that he would pass a quiet night distratent and ability. There is However, in injuries of this charpredicted, and the attending phyin the State, and in malition to sichns are taking every precau-
