TO MY LITTLE GIRL

Close to earth the sun is burning. Weary plawmen leave the plow, Homeward through the fields returning: All their work is unded now.

Hear the cattle gently lowing; Hear the bleating of the sheep. All the world to rest is going. bleep, my little darling, sleep, Fishermen upon the occan-

Turn their eager hows toward home; On they come with winged motion, Phowing through the surging foam. Hark, they sing with pleasure after Weary foils on waters deep. Do not heed their shouts and hughter; Sleep, my little darling, sleep.

Off into the sea of slimbers Sails my darling little one, White I sing in peaceful numbers Till the dying day is done. While with loving arms I hold her,

Sleep, my little darling, sleep.

-R. B. Hale in Youth's Companion. THE COUSIN.

Evening sladows o'er us creep; Soft her head sinks on my shoulder;
