AN ARTIST'S STORY.

It's 20 years since that time. I was a light hearted boy then-a boy of 20. I lived in Paris, and I studied Art. Being an artist, I always spelled Art with a capital A. I have other things to think Dr. Arthur E. Ledbetter, of besides Art now. I have to think of painting what the public will buy. I have to make it pay-I have made it

> talk; it is of Orson-of Orson the Hir- the artistic world. What a biceps, what having churches in Chapel Hill. But it is not about myself I want to sute, Orson the Unrelenting, Orson the a deltoid, my friends!" he continued. The orderly decorum, the gentle-Hater of Art. Of course his name wasn't Orson. His real name was Jobinard, and he lived at the corner of

Art students with a peculiar ferocity. Alcibiade Jobinard had reason to dis- an ape. like Art students. They had a nasty way of getting into his debt, but Jobi- chorus. nard took the bull by the horns-he gave no more credit.

"Ma foi!" he would say, with a supercilious sneer, "Credit-is dead, my good cannot get on without me. When would young sir. He doesn't live here any long- you like to begin?" said poor Jobinard. er. . He is dead and buried."
