ANOTHER
MILE
POST

has been passed in our business career. Just 28 years ago this week we began business in Greensboro. The town was small, our store was small, our stock of goods was small and we were small. The wants of the people, we thought, were also small—mostly the simple necessities of life. The town has grown since then, and the demand for a finer and more varied class of goods has increased year by year till now it's not a question of "how cheap?" but "how good?" an article have you to offer. Our business, we flatter ourselves, has kept pace with the growth of the town and with the times. We are always on the alert, always wide awake, always open to conviction, (for we don't open it all yet), and we have always been the first to take hold of a new article and "push it" if we thought it had merit, the "other fellow" falling in line. Later, after we had got the "cream" of the trade. We've got a business and a line of patronage that we are proud of. Many, many customers who began trading with us away back in '71 are dealing with us yet, and have done so CONTINUALLY all through this long term of years. And to all such (the "Old Guard" we call them) we specially desire to return our most sincere thanks. The motto we adopted when we began business: "Honest goods at a living profit and fair treatment to all," we think has been one of the secrets of our success. Respectfully your friends,

NEIGHBORHOOD NEWS.

Matters of Interest Reported by Our Corps of Correspondents.

Lego Items.
The weather is much warmer, with some rain. We are glad to announce that Mrs. Irena Sissom is improving. We understand that there are to be two families here soon from Washington in search of homes at this place. Mr. H. A. Little and family, J. R. Stricklin and family and Mrs. L. T. Stack are having a tough time with la grippe. The Seventh Day Adventists' quarterly meeting will convene here on the 21st and 22nd of this month. All are cordially invited. We are sorry to note that Mr. A. Burney has not as yet made any change for the better. He has been confined to his bed for near two weeks. Mrs. Polly Bull, with her family of eight children, has moved to this place and is well pleased with the beautiful town, good water and many other advantages. A little village west of here, Copeville, had quite a storm party on yesterday. Among the many visitors were Mr. and Mrs. B. F. White, Mr. and Mrs. W. L. Killin, Mrs. Atkins and four or five vehicle loads of young people. Hog killing took place here a few days ago. J. R. Frederick killed two that weighed 1,060 pounds, John Morris one that weighed 425 pounds, Frank Frederick one that weighed 320 pound, David Oakley one weighing 345 and J. O. Leonard one weighing 418. If you want good pigs come this way. For coughs and colds take Gardner's Tar and Wild Cherry Cough Cure. Cor. opp. postoffice.

Gibsonville Items.

It is reported that we will soon have a woolen mill erected in town. Mr. W. F. Fogleman, of Haw River, visited his parents in the city last Sunday. Miss Marie McCauley has been quite sick for some time, but is improving rapidly. Mr. John Kestler has commenced work on his new residence on the north side of town. We regret to report that our townsman, John Amick, is soon to leave us. He is now offering his residence for sale. Our people have lately commenced and are now conducting a Bible reading at the churches every Wednesday night in turn. The Hiawatha Mill was compelled to discontinue operations for a few days the first of last week on account of being out of fuel. Rev. Mr. Loudermilk is now pastor of the M. E. church and is making his home, to the pleasure of all in the city, at Mr. B. Davidson's. Dr. J. A. Curtis, of Climax, made our city a recent visit with his brother, Mr. S. R. Curtis. The Doctor has promised our people to be in town again within a few weeks to give them an opportunity of having some first class teeth repairing done.

Ramsour Items.

Dr. and Mrs. Clarke returned from a visit to the eastern part of the state last week. Mr. J. S. Speneer, of Charlotte, attended the annual meeting of the Columbia Manufacturing Co. here last Thursday. Mr. E. B. Leonard represented the Ramsour lodge of Masons at the meeting of the Grand Lodge in Raleigh last week. The prospects for large and fat porkers for '99 in town is very promising, as many of our citizens are starting out with fine pigs. A large and attentive congregation listened to an able sermon in the M. E. Church, South, last Sunday by the pastor, Rev. J. F. England. Misses Blanche Capel and Jessie and Carrie Smitherman, three of Troy's most charming young ladies, spent last week here visiting relatives and friends. Our factories are running on full time and our stores are having a good trade. The health of our town is better at this writing than it has been for some time.

Jamestown Items.

Miss Louise Palmer has returned from High Point. Mr. Morris Teague spent Sunday with Miss Marie Rasche. Miss Emma Bundy is visiting friends near Pleasant Garden. Mr. J. M. Marsh is visiting relatives and "friends" down at Carthage. Miss Wilburn, of High Point, spent last week with Mrs. M. E. Futrell. Rev. Mr. Goodman, of High Point, preached at the Presbyterian church Sunday. Mr. and Mrs. Kerns, of High Point, spent Sunday with Mr. Harper Johnston's family. We had a heavy sleet storm last week, and it was quite amusing to see the school children skating while the older ones could not walk without falling.

South Buffalo Items.

We have had very rough weather, hail and sleet in abundance. Mr. Pegg, of Oak Ridge, has moved to this neighborhood. Mr. Robert Stewart, of Charlotte, N. C., visited friends and relatives recently. Miss Nannie Smith, of Ruffin, has been visiting friends and relatives in this locality. Mr. William Forsyth, Jr., is preparing to build a new dwelling house in the near future. Mr. Ervin Donnell has a very sick horse at present. This is very hard on him, as it has not been long since he lost a good horse. Mr. John Cook, of Richmond, Va., was married to Miss Jennie Bennett on the 11th inst. May happiness and long life attend them. Use Gardner's U. S. Liniment for all aches and pains. Cor. opp. postoffice.

Liberty Store Items.

Skating, slipping, sliding and falling has been the order of the day in this neighborhood of late, though no one has been hurt. Mr. Will and Miss Lola Kernodle have returned to Jefferson Academy, at McLeansville. Mr. L. G. Busick is also attending the spring term of that school. Mr. Sydney Pettigrew, a hard-working farmer of this neighborhood, is moving to Altamahaw cotton mills, in Alamance county. We hope he will be pleased with his new home. Mr. G. A. Jones has bought his stock and will run the farm. The school committee met last Monday to apportion the money to the different schools. It seems that the fusion school law is not proving of much benefit to Washington township. If the committee were to pay the salaries that some are paying the teachers in our schools would do but little good. Our township is not in such good condition as she was under the old law, and our people think the legislature should make some changes in the public school law.

Break Church Items.

We had an old-fashioned sleet last week, followed by a very heavy rain. On going to his stable last Friday morning Mr. W. H. Fogleman found one of his horses dead.

The Sunday school at Lowe's church will omit one quarter, which will be through the winter months.

Mrs. M. N. Greeson has returned from an extended stay with her daughter, Mrs. Jodah Stewart, of near Greensboro.

Rev. G. A. Stauffer delighted his congregation at Brick Church last Sunday with a very interesting sermon. His text was taken from St. Luke 15: 18, 19.

A number of our enterprising young men have organized a literary society at Brookfield school house. The following officers were elected: J. E. Hoffman, president; J. F. Greeson, vice-president, and C. C. Barnhardt, secretary. We hope the boys will do good work. If there is anything that will prove a benefit to a community it is a well conducted literary society.

Thom's Mill Items.

Mr. Julius Sharp is on the sick list. Miss Leola Thom is visiting relatives in Greensboro this week. Mr. Eugene Kirkman has accepted a position at High Point. Mr. Samuel Scott killed a hog a few weeks ago that weighed 416 pounds. Miss Ida McCulloch, who has been teaching, spent the holidays at home. Messrs. Albert, Ernest and Terry Sharp are again enrolled at Guilford College. Messrs. Jas. Whiteley and Lacy Rankin will each erect new dwelling houses in the near future. Among those who visited here since our last writing were Mr. Charles Coe and Mrs. G. L. Anthony, of Vandalia; Mr. Claude Hanner and family, of Greensboro; Rev. Bunch and Mr. Henry Hanner, of Tabernacle; Mr. F. M. Keith and family, of Greensboro; W. F. Low, of Whitesett; Mr. Joe Kirkman and family, of Greensboro.

Lequeux filled his appointment at Alamance church last Sunday. Mr. J. P. Parker, of Guilford College, visited in this community recently. Mr. Clayton Woods, of Mt. Hops church neighborhood, visited in this vicinity recently. Mr. Claude Coe has a flourishing school at the Sharp school house, and is giving satisfaction. The recent sleet, followed by a thaw, has left the roads in a bad condition, almost stopping travel. Mr. D. F. Causey is building a stock and feed barn which, when finished, will be quite convenient.
