He immediately jumped his bond and all trace of him was lost until he was apprehended in Chicago last week. Thompson is of good family and thinks his people will compromise the case.

W. C. T. U. Convention.

The twentieth annual convention of the Woman's Christian Temperance Union of North Carolina met in Grace Methodist Protestant church last Friday afternoon at 3 o'clock, Mrs. Mary E. Cartland, of High Point, president of the association, in the chair. The meeting was opened with a prayer and praise service, followed by the roll call. The various committees were then appointed and reports from the corresponding secretary and the treasurer were read.

At the evening session Prof. F. P. Claxton delivered the address of welcome in behalf of the city. He praised the work being done by the good women of our land for the cause of temperance, and spoke of the importance of scientific temperance instruction in the schools. Rev. Joseph Peale, of the Friends church, spoke a few words of welcome in behalf of the ministers. In behalf of the local unions Mrs. Lucy H. Robertson and Miss Nora Coble heartily welcomed their co-workers.

These were followed by the annual address of the president, Mrs. Mary E. Cartland, who spoke interestingly of the work being done by the W. C. T. U.

Saturday morning's session was largely taken up with reports from the various departments of work, as follows: Alms House Work, by Miss Lucy Davis, of Henderson; Sabbath Observance, Mrs. Fricella B. Hackney, Guilford College; Proportionate and Systematic Giving, Mrs. Mary White, Guilford College. The reports were very encouraging and showed that much good work was being done. Mrs. J. F. McCulloch, of this city, made an interesting and helpful talk on the subject of "Responsibility," basing her remarks on the twenty-seventh chapter of St. Matthew.

The Saturday afternoon session was opened with devotional exercises conducted by Mrs. T. G. Cozart, of Winston.

A committee was appointed to urge the various boards of education of the state to place on the list of required text books for all public schools a recommended series of temperance physiology. An act of the legislature requires that this be done, but little attention is paid to the law.

Mrs. Mary Mendenhall Hobbs, of Guilford College, made a most interesting address on the subject of "Witches." It was decided that this address, together with the president's annual address and the address of welcome by Prof. Claxton, should be published in The White Ribbon, the official organ of the state union.

A large crowd assembled in the church Saturday evening to witness the medal contest, held under the auspices of the Loyal Temperance Legion. Six young ladies competed for the medal, all of them rendering excellent recitations. The judges rendered a decision in favor of Miss Kate Pugh, who recited "For Fun," and the medal was presented to her in a short speech by Mrs. T. G. Cozart.

The annual sermon was preached in Grace church Sunday afternoon at 3 o'clock by Rev. Mead A. Kelsey, of High Point. He spoke on "The Women of the Bible" and preached a most excellent sermon.

Sunday evening Rev. A. D. Thaeler, of Salem, delivered the annual address. His subject was "Restoration," and the address was spoken of by all who heard it as both appropriate and practical.

Monday morning's session was devoted to department work and the election of officers for the ensuing year. The incumbents were elected as follows: Mrs. Mary E. Cartland, High Point, president; Mrs. Laura A. Winston, Morganton, vice-president; Mrs. C. E. Craven, Concord, corresponding secretary; Mrs. Mary M. Davis, Guilford College, recording secretary; Mrs. Nannie C. Weatherly, Greensboro, treasurer.

The closing exercises were held Monday evening at 8:30 o'clock and the church was crowded to overflowing. Four bright young ladies contested for the oratorical prize, the judges deciding in favor of Miss Eugenia Rowe, West & Trux, Wholesale Druggists, Toledo, O. Prof. G. H. Crowell, superintendent of the High Point graded schools, delivered a most telling and effective address on "The Practicability of our Scientific Temperance Law."

Judge Timberlake adjourned the two weeks special term of Superior court Saturday evening about six o'clock. He will return on Thursday, the 29th inst., and if it is thought necessary, will continue to hold court until the docket is cleared. A clean docket is a thing to be devoutly hoped for, but the expense of clearing it would be considerable. In addition to those reported in our last issue, the following cases were disposed of during the special term:

J. C. Clapp vs. Farmers' Mutual Fire Insurance Association; verdict of \$450 for plaintiff; case appealed to the Supreme court. Dr. Clapp was suing for \$800 insurance on a residence and furniture.

Richard Mateir vs. Brooks Smith; verdict for defendant. Plaintiff was suing to recover rent.

Irving Kizer vs. Anderson Stafford; verdict for defendant.

Hairston vs. Kirkman; thrown out of court; appeal taken to the Supreme court. This was a suit brought against Register of Deeds Kirkman for issuing a marriage license to parties who were alleged to be under age.

J. S. Quate vs. Swain; verdict for plaintiff. This was a suit to recover money paid on a note held by defendant, plaintiff alleging that credit for same was not given.

Reece & Elam vs. Singer Manufacturing Company; verdict for plaintiffs; case appealed to Supreme court.

J. E. Catlin vs. Southern Railway Company; suit for damages; verdict for defendant.

A. A. Crutchfield vs. William Hairston; verdict for defendant.

Greensboro Gas and Electric Light Company vs. M. C. Workman; verdict for defendant. Plaintiff was suing to recover real estate.

Eleven damage suits against ex-Sheriff Hoskins were decided in favor of the plaintiffs and judgments were given. They were for small amounts.

Judge Bryan opened the regular three weeks June term Monday morning. After the grand jury had been empaneled the Judge delivered a plain and exhaustive charge, covering all the points of law with which the jury has to deal. W. H. Case, Esq., of Sumnerfield, is foreman of the grand jury.

When court opened there were 112 cases on the criminal docket, and by night the number had reached 125. This number will be largely increased before the grand jury adjourns. At the rate Solicitor Brooks is progressing with his work the civil docket will probably be reached early next week.

Although this is a three week's term, Judge Bryan will probably adjourn court at the end of two weeks.

—We have before mentioned the fact that arrangements were being made to fight the establishment of the dispensary on July 1st, as provided for by an act of the recent legislature. Friday Col. John N. Staples, attorney for the whiskey men, went before Judge Timberlake and asked for a restraining order, which was granted and made returnable before Judge Bryan on Wednesday, the 14th inst., when argument in the matter will be heard. As before stated, the contention of the whiskey men is that the act, as passed by the legislature, is unconstitutional, and on this contention the fight will be made. In this connection the Raleigh News and Observer says: "The News and Observer is opposed to government by injunction and in favor of letting the majority of white voters control the government of every town and county in North Carolina. The Greensboro people held a white primary, decided by a big majority for a dispensary, the legislature granted their request, and nothing ought to stand in the way. If the anti-dispensary people want to abolish it, they ought to be given a vote at the proper time. The thing to do now is to submit to the law."

—Mr. John C. Tompkins, a well known and popular printer of this city, died at the home of his sister, Mrs. Reeves, on Eugene street, Monday morning. He had been in bad health for several years, suffering from an aggravated attack of rheumatism. Several weeks ago he was attacked by lead poisoning and was forced to give up work. Mr. Tompkins was twenty-eight years old and was a native of Virginia. He first came to Greensboro eight or ten years ago, remaining here a short while. He returned about two years ago and had resided here continuously since. He was a faithful and accurate workman and was liked by all who knew him. An aged father and three sisters are left to mourn his departure. Funeral services were conducted by Rev. Livingston Johnson yesterday morning at 9:30, the interment being in Greene Hill cemetery.
