—Mr. W. M. Jordan, who has been connected with the McAdoe House for some time, has taken charge of the Carrollton, a well known hotel of Raleigh. Mr. Jordan is a hotelier of long experience, and is withal a most clever gentleman, and we predict for him success in his new field.

—The street force is doing some much needed work under the direction of Superintendent Bandy. Some of the holes on South Elm street have been filled and the rough places smoothed over. Arlington street is also being improved, the grade between Fayetteville and East Lee streets being cut down.

—On next Tuesday, July 4th, a Confederate monument, erected by the Jr. O. U. A. M., will be unveiled at High Point. An elaborate program has been prepared and an enjoyable occasion is anticipated. —The central committee for the gala week and firemen's tournament met Monday night and made the appropriations to the various sub-committees. The total amount appropriated was \$2,850 and it is to be expended on the firemen, industrial exhibits, horse-racing, music, printing and advertising, lawn tennis tournament and other attractions.

—Prof. J. A. Gilmer, of Henderson, a brother of Sheriff Gilmer, has been visiting friends and relatives in the city and county for the past week. He is accompanied by his wife. Prof. Gilmer has given up teaching and will enter the ministry of the Presbyterian church. He expects to enter Hampden-Sidney Seminary at the beginning of the next term.
—Last Thursday Mr. John Weatherly, deputy sheriff, shot and killed a dog which showed symptoms of hydrophobia. The dog attacked Mr. Weatherly near his residence on Greene street. The next day another supposed mad dog was killed in the heart of the city. No damage was done by either of the dogs, so far as we have been able to learn.

—Miss Hanna Wright died at her home in Friendship township last Wednesday and was buried at Hopewell Thursday, Rev. A. G. Kirkman conducting the funeral services. She was seventy-three years old and had been a consistent member of the Christian church since childhood. She had been afflicted for several years and at times suffered greatly.
—A young white man from Durham, giving his name as Williams, stole a bicycle from Mr. D. G. Gilmer yesterday morning and rode it to Winston, where he was arrested. He was brought back last night and placed in jail to await a hearing before the mayor this afternoon. He claims to have been a member of the Durham company in the late First North Carolina regiment.

—At the meeting of the board of aldermen Friday night applications for license to sell liquors were received from the proprietors of five of the bars now in operation in this city. This was rather unexpected, as the license system is to be succeeded by the dispensary July 1st. Under the rules of the board action on the applications was deferred for two weeks.
—Miss Sallie Knight died at her home, near Guilford College station, last Friday morning in the seventy-fifth year of her age. She had been an invalid for the greater part of the time for the past thirty years, and for the past six months she had been helpless. She bore all her afflictions with Christian fortitude and died rejoicing in the faith. Rev. A. G. Kirkman conducted the funeral services Saturday afternoon.

—Mayor Taylor has faith in the efficacy of corporal punishment. Monday afternoon a small negro boy was up before him for some petty offence, and instead of sending him to the county roads the Mayor ordered the boy's father to give him a good thrashing with a keen switch. The chastisement was done under the direction of a policeman, and it was done right. As a mode of punishment, especially for youthful criminals, this is hard to beat.
—Mr. J. F. Taylor, who lives in the Westend, has been congratulating himself all along that, while various deprecations have been committed on the property of his neighbors, he has escaped the unwelcome visits of midnight prowlers, but he has been caught at last. Friday night some one entered his residence and stole his best pair of pants (a bran new pair) and two pairs of good shoes. The one-sided deal means several dollars less to Mr. Taylor.

—Judge Timberlake will be here tomorrow for the purpose of taking up the civil docket in the Superior court if he thinks necessary, but it is hardly probable that he will hold court just at this time. The members of the bar held a meeting a few days ago and decided to ask the Judge to come back on July 10th and resume court, if it is possible for him to do so. The lawyers made up the calendar and if Judge Timberlake agrees to hold court a special jury will be summoned and the docket cleared. If the county is to be afflicted with the expense of special terms of court it is unfortunate that they should be held at this season of the year.

—It seems that there is no end to the dispensary matter. It was thought that the hearing of the injunction case by Judge Bryan had ended the matter, for the present, at least, but those who are fighting it are determined to make life a burden for the managers of the institution. Yesterday papers were served on the members of the board of managers citing them to appear before Judge Timberlake, at chambers, Friday and show cause why they should not be attached for contempt of court. The papers were issued upon the affidavit of E. G. Newcomb, a well known bar-keeper, who affirms that the managers, in opening the dispensary, will violate Judge Bryan's order, and will therefore be in contempt of court. Some think all this litigation will result in Greensboro being a "dry" town, while the friends of the dispensary express themselves as being confident of an easy victory in whatever may come up. In the meantime preparations are going forward for opening the dispensary Saturday morning. John B. McCauley, who has been a bar-tender in S. J. McCauley's saloon for several years, will be the head clerk.

—The public was greatly surprised yesterday when it was announced that a new and thoroughly up-to-date hotel was to be opened in Greensboro within the next few weeks. It will be called the Hotel Normandie and it will occupy the Southern Loan and Trust Company's large and elegant new building, now nearing completion, on East Market street. The building is most admirably adapted to hotel purposes, the rooms being large and airy and the location convenient. There are more than a hundred rooms in the five-story structure and they will be fitted up in elegant style. The building is fitted with all the modern conveniences, such as elevators, steam heat, bath rooms, electric lights, etc. A lot on the south side of the postoffice square has been leased and a dining hall and kitchen will be erected at once. The Hotel Normandie will undoubtedly be one of the finest and best appointed hotels in the South. It is thought that it will be open to the public by September 1st.

—In connection with the Pennsylvania Railway the Norfolk & Western Railway will sell excursion rate tickets to Atlantic City, Cape May, Ocean City, Sea Isle City, Avalon, Anglesea, Wildwood and Holly Beach, N. J., on July 9th and 20th and August 3rd and 17th. These tickets will be sold only for trains Nos. 4 and 28 on dates of excursions, good on all regular trains north of Hagerstown, except Pennsylvania Limited, and valid to return leaving the seashore and Philadelphia within fifteen days, including date of excursion, at the following rates from points in this state on the N. & W.: Madisen, \$13.50; Walnut Cove, \$13.50; Winston-Salem, \$14.15. A stop-over of ten days will be allowed at Philadelphia on the going trip, if passengers deposit their tickets with the ticket agent at Broad Street station, Philadelphia, immediately on arrival.

—Rev. G. T. Rowe, who for the past eighteen months has been pastor of the Proximity Methodist church, has been assigned by the presiding bishop of the conference to take charge of the work at Hendersonville, to succeed Rev. J. T. Lyon, deceased. He left for his new field of labor yesterday, going by way of Albemarle, where he performs a marriage ceremony today. During his residence in this city Mr. Rowe has made many warm friends who regret to see him leave. He has succeeded admirably at Proximity, having been instrumental in the erection of a nice church and building up the work generally. He is a young minister of exceptionally fine abilities and the Methodists of Hendersonville are to be congratulated upon securing his services.

—Harry Culver, of Lincoln, Neb., a long-distance bicycle rider, arrived in the city yesterday evening and put up at the McAdoe House. He is riding on a wager from Lincoln, Neb., to New York city, via Texas and Florida. When he ends his journey he will have passed through eighteen states and traveled more than 4,000 miles. He has eighteen days in which to reach his destination, which is 515 miles from Greensboro. He has averaged nearly 100 miles a day since he has been out.

—C. E. Ridge, a well known young man of Asheboro, was arrested Monday for forging county orders. In default of bond he was placed in jail to await the next term of Randolph Superior court, which will convene July 10th. Ridge was formerly employed in the office of the register of deeds of Randolph county. The amount of orders forged by him is unknown, but it is considerable. He is a young man of good family connections and had formerly borne a good name.
—Dr. W. H. Wakefield, Oculist and Aurist, of Charlotte, will be in Greensboro, at the McAdoe House, on Monday, July 3rd, for the practice of his profession. He limits his work to the Eye, Ear, Nose and Throat.

I want to sell my farm of 148 acres, lying within half a mile of Burlington station, or exchange same for city property in Greensboro. The farm is under cultivation and is a No. 1. For particulars address PETER L. RAY, 25-8t Greensboro, N. C.

O. B. BARNES & Co.,
Greensboro, N. C.

—The Elite.
The improvements at 110 South Elm street have been completed, and it is the handsomest confectionery, restaurant and ice cream parlor in Greensboro, as well as the most popular resort for ladies, hundreds of whom say it is the only place here for ladies and children to go to get pure ice cream, which they furnish to families at \$1.50 per gallon, 75 cents per half gallon, 50 cents per quart and 25 cents per pint. They also furnish, only to order, ice cream made of unskimmed milk at \$1 per gallon; and cakes of all kinds, fresh South Carolina steam bread, fancy goods, fine candies and cigars. Their soda fountain is in successful operation, from which they dispense the latest cold drinks, including ice cream soda and milk shakes at 5 cents each. Give them a trial.

—One day last week six children arrived here on the noon train from the south, and as they appeared to be in charge of no one a policeman did the good Samaritan act. He learned that they were from Spartanburg, S. C., and that they were on their way to Roanoke, Va., to join their mother, who had recently gone there in search of employment. She sent them money with which to make the trip, but a mistake occurred in some way, as their tickets were good only to this place. The children were in great distress and the officers were perplexed to know what to do with them, but Chief Scott wired their mother, receiving a reply asking him to care for them until she got here. She arrived Friday, greatly to the joy of the children and the relief of the officers.

—While the Hook and Ladder Company was out on Summit avenue Friday evening, practicing for the coming tournament, Mr. Clark Porter, a new member of the company, was seriously injured. In attempting to jump from the truck to assist in raising a ladder his foot was caught in some way and he fell to the ground, one wheel passing over both legs. His right leg was broken between the ankle and knee and his left leg and one of his arms were badly bruised. Mr. Porter was carried to his home immediately and medical aid summoned. He is now resting easy, though it will necessarily be some time before he will be able to get out. He is a popular young man and his many friends sympathize with him in his misfortune.

—Mrs. Rachel Erwin, a well known and highly esteemed lady, died at her home at Pleasant Garden Friday morning. She had been in feeble health for some time. She was a devout member of the Methodist church and died in the faith. She was the mother of Mrs. F. E. Ross and Mr. R. A. Erwin, of this city, and Mr. Frank Erwin, of Washington. The bereaved relatives have the sympathy of a large number of friends. The funeral was conducted Saturday afternoon by Rev. J. B. Tabor, pastor of the Greensboro circuit. Mr. Frank Erwin came down from Washington to attend the funeral.

—Your attention is directed to the advertisement of Whitsett Institute, an institution of which Guilford county has just cause to feel proud. This school has rapidly increased in numbers and efficiency during the past few years and new ranks among the leading schools of the state and of the South. Students from all sections have attended the school and many of them are occupying high positions in life. The catalogue now being sent out is one of the most beautiful ever issued by a Southern school. If you are interested in education send for a copy.

—C. E. Ridge, a well known young man of Asheboro, was arrested Monday for forging county orders. In default of bond he was placed in jail to await the next term of Randolph Superior court, which will convene July 10th. Ridge was formerly employed in the office of the register of deeds of Randolph county. The amount of orders forged by him is unknown, but it is considerable.
