elements necessary to cure all diseases, is a fact well known to everyone. Dr. Miles' System of Restorative Remedies consists of seven distinctively different preparations, each for its own purpose.

Mrs. L. C. Bramley, 37 Henry St., St. Catherines, Ontario, writes: "For years I suffered from extreme nervousness and annoying constipation, developing into palpitation and weakness of the heart. I was unable to sleep, suffered much from headache, pain in my left side, palpitation and a constant feeling of weakness and prostration. I began using Dr. Miles' Nervine, Heart Cure and Nerve and Liver Pills and the Anti-Pain Pills to relieve sudden paroxysms of pain and headache. I soon felt much improved and the pains and aches and weariness left me. I then took Dr. Miles' Restorative Tonic and am now restored to my former good health."

CHOOSE YOUR DRUGGIST CAREFULLY.

A druggist can do more harm or good than nost people give him credit for. There are different qualities in drugs just as there are dif-ferent qualities in drugs just as there are in dry goods, and to the outsider all qualities go by the same name The difference between pure, high grade drugs and cheap, inferior drugs of the same name, means the difference between keep-ing sick and getting well. When a doctor writes a prescription, he means best quality. When some druggists fill a prescription, they think only about big profits.

Choose your druggist carefully.
