DON'T MAKE THE WRINKLES DEEPEN.

Is father's eyesight growing dim,
His form a little lower?
Is mother's hair a little gray,
Her step a little slower?
Is life's hill growing hard to climb?
Make not their pathway steeper,
Smooth out the furrows on their brows—
O do not make them deeper!

There's nothing makes a face seem young.

As joy, youth's fairest token;
And nothing makes a face grow old
Like hearts that have been broken,
Take heed lest deeds of thine should make
Thy mother be a weeper;
Stamp peace upon a father's brow—
Don't make the wrinkles deeper.

In doubtful pathways do not go,
Be tempted not to wander;
Grieve not the hearts that love you so,
But make their love grow fonder.
Much have thy parents borne for thee,
Be now their tender keeper;
And let them lean upon thy tender love—
Don't make the wrinkles deeper.

Be lavish with thy loving deeds,
Be patient, true and tender;
And make the path thateward leads,
Aglow with earthly splendor.
Some day, thy dear ones, stricken low,
Must yield to death, the reaper;
And you will then be glad to know
You made no wrinkles deeper.

Rides Horseback at 77 Years.

A. T. Townsend, Wier, Mississippi, says: My mother was visiting me and while here was taken ill. The best doctor in this county was called in and at the end of ten days said she could not live. I had tried Ramon's Liver Pills myself and in my family and I insisted on her trying one. So at 6 o'clock p. m. she took one of the Pink Pills and at next 7 a. m. she called for something to eat. I continued with the pills and in a week she was well and has been in fine health ever since. She is now 77 years old and can ride on horseback any where—something she has not done for years. Any citizen in town will verify this statement. There are twenty boxes of Ramon's Pills sold in this section to one of any other kind. For sale by Howard Gardner.

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering.—Yours truly, Mrs. Geo. F. Burdick, Liberty, R. I. For sale by C. E. Holton, Druggist, a.

The Editor's Dream.

The editor sat in his office, cold, whence all but him had fled, and he wished that every last deadbeat was in his grave—stone dead. His mind then wandered far away to the time when he should die, and his royal editorial soul go scotching through the sky; when he'd roam the fields of paradise and sail o'er jasper seas, and all things glorious would combine his every sense to please. He thought how then he'd look across the great gulf, dark and drear, that yawned between his happy soul and those that swindle here; and when for water they call and in agony they'd caper, he'd shout to them: "Just moisten your lips with the dew that's on your paper."—Ex.

Her Health Restored

THE misery of sleeplessness can only be realized by those who have experienced it. Nervousness, sleeplessness, headaches, neuralgia and that miserable feeling of unrest, can surely be cured by Dr. Miles' Restorative Nervine. So certain is Dr. Miles of this fact that all druggists are authorized to refund price paid for the first bottle tried, providing it does not benefit. Mrs. Henry Brun, wife of the well known blacksmith at Grand Junction, Iowa, says: "I was troubled with sleeplessness, nervousness, headache and irregular menstruation; suffering untold misery for years. I used various advertised remedies for female complaints besides being under the care of local physicians, without help. I noticed in Dr. Miles' advertisement the testimonial of a lady cured of ailments similar to mine, and I shall never cease to thank that lady. Her testimonial induced me to use Dr. Miles' Nervine and Nerve and Liver Pills, which restored me to health. I cannot say enough for Dr. Miles' Remedies." Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle guaranteed, or money refunded. Book on diseases of the heart and nerves free. Address, DR. CHOOSE YOUR DRUGGIST CAREFULLY.

A druggist can do more harm or good than most people give him credit for. There are different qualities in drugs just as there are in dry goods, and to the outsider all qualities go by the same name. The difference between pure, high grade drugs and cheap, inferior drugs of the same name, means the difference between keeping sick and getting well. When a doctor writes a prescription, he means best quality. When some druggists fill a prescription, they think only about big profits. Choose your druggist carefully.
