The fumes of the tar and turpentine loosen the matter in the throat and thus afford the relief that has baffled the skill of the physicians."

-The Surry Journal, Pilot Mountain, has the following to say of a gentleman from that town who has moved to Greensboro: "N. J. Young left Tuesday morning to make his future home in Greensboro. We regret to loose Mr. Young from our town. He was always ready to put his shoulder to the wheel and pull for anything that was for the best interest of the town and will be missed by our people."

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure s the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting dire tly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.
