Reckless Handling of a Revolver Causes the Death of a Negro.

Ernest Morrison and Henry Woods, young colored men employed in the grading for the new Etowah cotton mills, just west of Pomona, engaged in friendly bantering last Wednesday evening which ended in the death of Woods. The men were resting on the grass at their boarding place near the terra cotta works when Morrison jokingly told Woods to go and bring his girl to the house, as he wanted to take her to an ice cream supper in the neighborhood that night. Woods refused, saying he was too tired, whereupon Morrison drew a pistol and told him he would shoot him in the heel, a very tender spot on the average negro, if he didn't go. Woods again refused, and Morrison carelessly pointed the weapon at his head. Whether intentional or not, the weapon was fired, and Woods fell to the ground mortally wounded. Seeing what he had done, Morrison dropped his pistol and said he would go for a doctor at once. He summoned Dr. McCracken, of Guilford College, who came at once, but found the negro dead. The man that did the shooting disappeared and has not been seen since. Coroner Turner, Sheriff Jordan and other officers went to the scene immediately after the shooting. No inquest was deemed necessary, as the facts in the case were readily established by several witnesses. The officers made search for Morrison without avail. It is thought he will give himself up soon.

Co-Ordinate Secretary Named.

The committee appointed by the general assembly of the Presbyterian church to select a co-ordinate secretary of foreign missions met here Thursday night, and after a careful consideration of a number of names unanimously elected the Rev. D. Clay Lilly, D. D., the pastor of the First Presbyterian church at Winston-Salem, to that responsible position. It is believed that his election will give great satisfaction to the church. The members of the committee present were Rev. Dr. R. T. Campbell, chairman; Rev. Dr. R. Cecil, Rev. J. B. Shearer, D. D., and Rev. Dr. A. T. Graham. Mr. A. M. Scales, of this city, is also a member of the committee, but he was unable to be present. The meeting was held at the Benbow and did not adjourn until 1:30 o'clock next morning. This is the office to which Dr. E. W. Smith of this city was elected and declined to accept.

A stranger arrested for drunkenness and disorderly conduct at Lindley park last Tuesday night proved to be somewhat of an enigma to the officers. After sobering up Wednesday the man refused to give his name and his address. Among his effects were two checks, one for \$1,000 drawn on the Greensboro National Bank and the other for \$500 drawn on the Greensboro Loan and Trust Company. The banks say that the men purporting to draw the checks are unknown to them and no accounts are carried by such individuals, if they exist. The stranger was held for further investigation.

Will Foy a negro gambler for whom the officers hold a capias issued at the last term of court, called Dolph Lindsay, a bootblack employed at a barber shop near the court square, from his place of business last Wednesday evening about dark and made a desperate attempt to cut his throat for some imaginary grievance. Lindsay saved his life by throwing up his arm in time to ward off the blow, but received a painful wound on the shoulder which required surgical attention. Foy lost no time in getting away from the scene and the officers have not yet located him.
