YARD MEN RETURN TO WORK.

Forty or More Trainmen on Southern Yards Quit Strike.

The strike of the trainmen on the yards of the Southern Railway in this city Tuesday came to a happy end Wednesday afternoon, when an agreement between the strikers and the officials of the railway was reached. Wednesday Yardmaster Rich Bilbro, who was the first man to give up his place, went to the superintendent and said he was ready to return to work. He was not taken back at that time, but it is understood that he will return later.

Superintendent Andrews and Yardmaster Bilbro were closeted together several hours Wednesday morning. At the conclusion of the conference it was the understanding that Capt. Bilbro should go into the meeting of the Brotherhood of Railroad Trainmen and urge the men to go back to work. And so he did. At first they were disposed to refuse to follow his advice, but at last the opinion prevailed that the advice tendered them by their chief was for the good of all. The superintendent expressed himself as gratified at the turn affairs had taken.

The night crew went to work at 7 o'clock Wednesday evening, and the day crew at 7 o'clock Thursday. Capt. Bilbro, Conductor Spencer and Brakeman Heritage are still out. It is understood a petition in Bilbro's behalf was circulated and he will soon be back in his old place.

BEN PETTY GOES TO JAIL.

Now Eight Negroes Awaiting Trial for Their Lives.

Ben Petty, a negro, was given a hearing in mayor's court Monday on the charge of burglary, and was removed to jail without bail to await the action of the next grand jury. He is charged with breaking into the house of a colored woman, where he boarded, and stealing a pistol, some dresses, shoes, flour and meat. Petty pleaded not guilty and in his testimony branded the woman who made the charges as a malicious liar. He did not deny taking the pistol.

The woman's testimony was the same as Petty's in regard to ordering him to hunt another boarding house, but as to the way Petty entered her house Tuesday night her story was different. She said that Petty asked her to open the door for him, but she refused. Petty then secured an ax, broke the door open and went in, getting his belongings and taking from her the things charged in the warrants.

Since Petty was sent to jail, there are now eight negroes confined here and at Raleigh, charged with capital offences, that are to be tried at the next term of the court for murder, conspiracy to murder or burglary.

He then came to Greensboro and wired the authorities at Raleigh. The answer was that there was no room in the Raleigh hospital. She was very weak when the train left here and died before her home was reached. The interment was in Randolph county.
