**Bank Sends Letter to Customers.**

The manager of the savings depart-  
ment of the Greensboro Loan and  
Trust Company last week sent out the  
following letter to customers of the in-  
stitution:

We beg to call your attention to the  
fact that the banks all over the coun-  
try are beginning to pay cash just as  
they did before the panic.

The Clearing House Certificates were  
a very great assistance to the public  
generally, and if understood, ought  
not to have in any way disturbed con-  
fidence of the community in the banks.

We have been receiving deposits  
from quite a number of our customers  
who withdrew during the panic, and it  
gives us a great deal of pleasure to state  
that we are as strong today as we ever  
were.

Our capital and surplus and stock-  
holders' liability amount to nearly  
\$500,000.00 in addition to our loans of  
a million dollars, that we consider "Gilt  
Edge" in every respect.

We have been paying for more than  
a week and have been steadily getting  
in more money than we have been  
paying out, and I trust that now as  
things have begun to quiet down you  
will favor us with your business. If  
there is any question you would like  
to ask, any officer of the bank would be  
glad indeed to reply.

Yours truly,  
GREENSBORO LOAN & TRUST CO.  
By J. Ad Hodgin,  
Manager Savings Department.

**EXCEL IN THE LITTLE THINGS IN LIFE**

And you master a few of the  
Great.

What is more important than  
saving a part of what you earn  
each week or each month?

To be poor is too often a self-  
made shame. A bank account  
helps you to save. Four per  
cent. interest, compounded quar-
