COUNTY COMMISSIONERS IN SESSION

Jurors Drawn for February Court—Many
Road Matters Claim Attention
of the Board.

The board of county commissioners
held their quarterly meeting Monday
and yesterday and transacted a great
amount of business, mostly of a routine
nature. The greater part of Monday
was spent in receiving and passing on
bills against the county.

The following jurors were drawn for
the criminal term of Superior court to
convene on the 21st instant:

Wm. T. Ridge, G. T. Crisman, W.
R. Huffman, Thos. Overman, W. W.
Layton, Thos. Roberson, P. M. Gor-
don, Andy J. Gerringer, J. G. Jobe, J.
S. Clapp, B. E. May, D. H. Stewart,
J. W. Elmore, A. P. Lowe, N. H. Mor-
rison, W. G. Simpson, M. C. Hendrix,
I. J. Jordan, M. M. Lee, O. E. Cain, J.
M. Fields, S. B. Matlock, W. H. Bish-
op, Enoch Shelby, C. B. Higgins, S. G.
Dalton, M. L. Kendall, J. B. Blair,
Nathan Wright, Harrison White, D.
W. Whitaker, V. E. Vaughn, Joseph
Atkins, J. J. Smith, S. J. Crouch, J.
Elwood Cox.

Almost the entire day yesterday was
taken up with public road matters,
much interest being manifested by the
parties concerned.

A petition for a public road running
east and west from Ashe to Osborne
streets, a short distance beyond the
southwestern city limits of Greensboro,
was rejected.

The commissioners rejected a petition
for a public road in Friendship town-
ship, leading from Richard Jessup's
place to the Guilford College and
Battle Ground road.

Petitions for public roads in Friend-
ship and Washington townships were
filed and ordered advertised.

The board granted a petition for a
change in the public road leading from
Guilford College to Friendship. This
road is worked to David White's line.

The election of a county auditor, a
new office created by the special session
of the legislature, was deferred. There
are several applicants for the position.

Mr. D. E. Wagoner, who was re-
cently elected a member of the high-
way commission, succeeding Mr. F. K.
Trogon, resigned, qualified before the
board and was sworn in.

TO HANDLE MAIL BY NEW ROUTE.

Rumors That Southern Will Use Only Lo-
cal Trains South of Lynchburg.

A report printed in the Charlotte pa-
pers says that mail over the main line
of the Southern Railway south of
Lynchburg, Va., will be handled only
on local trains after next Monday. It
is said a new postal route, called the
Washington and Bristol, will go into
effect on that day, when the through
mail formerly handled by the heavy
through trains on the Southern Rail-
way to the south and past Greensboro,
Salisbury and Charlotte will be changed
for the new route, which is from
Washington to Lynchburg over the
Southern; from Lynchburg to Bristol
over the Norfolk and Western to Chat-
ta-nooga over the Southern again, and
from there southward, perhaps, over
the Queen & Crescent route to New
Orleans.

This means that all the mail for Ala-
bama, Mississippi, Louisiana and
Texas and Arkansas that has formerly
been handled this way on trains 37 and
43 will be diverted to the new line,
taking off some of the mail cars, they
going over the new line too.

If the rumor be true, it means that
Greensboro and the other towns in this
section will be served with local mail
service, resulting in much delay, con-
fusion and actual loss.

Business Outlook in Greensboro Encour-
aging.

Interviews with representative busi-
ness men of this city indicate that busi-
ness conditions in Greensboro are sat-
isfactory, with no ill effects resulting
from the recent panic. Money is rea-
sonably plentiful and easy, as is dem-
onstrated by the fact that the banks
are taking care of their customers as
formerly. Several merchants say their
January business was greater in vol-
ume than for the corresponding month
last year and others say there has been
no decrease in their lines.

On the whole, the outlook is encour-
aging, with the indications that 1908
will be a prosperous year for Green-
sboro and its business interests.

AWAITING JIM SMITH'S CAPTURE.

Determined Men on Trail of Notorious
Character—No Blockading in
Smithtown.

The government officials here are
awaiting anxiously news of the capture
of the notorious Jim Smith, wanted
for the murder of Revenue Officer Hen-
driks, in the Smithtown section of
Stokes county. No one doubts that
the reward of \$1,000 offered by the De-
partment of Justice will ultimately re-
sult in the capture of Smith. Two or
three determined men are on his trail,
and one of these days will get the drop
on the desperate character. Despite
rumors to the contrary, it is believed
that Smith has never left his imme-
diate neighborhood, for he is safer there
than he would be anywhere else.

An unconfirmed rumor has reached
Greensboro to the effect that Smith is
preparing to either surrender to the
officers or permit some friend to take
him for the sake of the reward.

The population of Smithtown has
been decreased by the arrest of 18 illicit
distillers, and of this number eight are
serving terms in the Federal prison at
Atlanta and ten are confined in the
county jail awaiting trial at the April
term of United States District court in
this city. A revenue officer says that,
for the first time in many years, there
is no blockading going on in Smith-
town at the present. The capture of
so many of the distillers and the action
of the Department of Justice in in-
structing the district attorney to libel
the lauds of all suspected parties has
given the Smithtown people the first
real fright they have ever experienced.

BASEBALL CLUB FORMED.

Greensboro to Have a Team in the Pro-
posed Carolina League.

Local baseball enthusiasts have or-
ganized the Greensboro Baseball Club
with the intention of placing a win-
ning team in the proposed Carolina
League of Professional Baseball Clubs.
The other towns that will probably be
represented in the league are Charlotte
and Winston-Salem, in this state, and
Spartanburg, Greenville and Ander-
son, in South Carolina. The salary
limit has been fixed at \$1,000 a month,
exclusive of the salary of the manager,
and the season is to open either the last
week in April or the first week in May.

An organization of the Greensboro
club has been perfected by the election
of the following officers: L. J. Brandt,
president; W. I. Underwood, recording
secretary. C. G. Wright, J. F. Cobb,
E. G. West and E. A. Brown, together
with the president, the vice president
and the secretary and treasurer, com-
prise the board of directors.

The sum of \$2,500 is to be raised as a
guaranty fund in backing the local
team.

It is probable that James M. McKev-
itt, of Grand Rapids, Mich., will be
engaged as manager. Mr. McKevitt
was captain of the Lynchburg, Va.,
team in 1906, when that team won the
pennant. Last year he managed the
Danville, Va., team, winning second
place for Danville in the Virginia
League.

Frazier Jones Must Hang Saturday.

Frazier Jones, colored, who murdered
his wife at Gibsonville on Thanksgiving
day, 1906, must pay the penalty of
his crime with his life Saturday, Gov-
ernor Glenn having refused to interfere
further with the execution of the sen-
tence. It will be recalled that he was
reprieved about six weeks ago, since
which time an effort has been made to
have the sentence commuted to life im-
prisonment. When informed that
there was no further hope and that he
must die Saturday, the prisoner dis-
played no special emotion further than
expressing regret that his sentence had
not been commuted to life imprison-
ment.

Sheriff Jones will conduct the execu-
tion, with the assistance of two or three
of his deputies. He will use the rope
that was used in the execution of Frank
Bohannon on February 8th, 1907. The
hanging will take place in the jail
about noon.

COUNTY SCHOOL MATTERS.

To Increase Special Tax Rate in South
Buffalo—Three New Buildings.

The monthly meeting of the county
board of education was held Saturday
in the office of Prof. Thomas R. Foust,
secretary to the board and county su-
perintendent. All the members of the
board were present as follows: Prof.
W. T. Whitsett, of Whitsett, chair-
man; Mr. Charles H. Ireland, of this
city, and Mr. J. C. Kennett, of Pleasant
Garden.

A delegation from the South Buffalo
district appeared before the board with
a petition asking that the school build-
ing be removed from its present loca-
tion to a point on the north side of the
creek, not far from the corporate limits
of Greensboro. The proposition was
opposed by another delegation with a
counter petition. The two petitions,
both as regarded the number of signa-
tures and the school children repre-
sented, indicated that sentiment is
pretty evenly divided on the matter.

As the school building is now in the
center of the district, the board decided
that it could not entertain a proposi-
tion looking to its removal. As a re-
sult of this decision, the people of the
district have inaugurated a movement
for an election to increase the special
tax rate from 20 to 30 cents in order to
provide sufficient funds to maintain
the present school and also have a
school for primary and lower interme-
diate work at some point between the
creek and the city limits of Greensboro.
Prof. Foust has prepared the petition
and doubtless the election will be or-
dered in the near future.

Mr. C. G. Dorsett was appointed a
school committeeman for South Buf-
falo district to succeed Mr. G. L. An-
thony, deceased.

The board received reports of the
completion of new buildings for the
following schools: Coble school, white,
in Clay township; Jackson school, col-
ored, in Madison, and a colored school
in Greene. An appropriation covering
half the cost of the buildings was
made.

Possibility of Another Monument at the
Guilford Battle Ground.

Hon. H. A. duPont, one of Dela-
ware's multi-millionaire representa-
tives in the United States senate, has
written Maj. Joseph M. Morehead,
president of the Guilford Battle Ground
Association, a letter inquiring if a mon-
ument has been erected to the memory
of the Delaware soldiers who partici-
pated in the battle of Guilford Court
House. Maj. Morehead, who never
permits interest to lag in matters con-
nected with Guilford Battle Ground,
will inform Senator duPont that this
battlefield of the decisive struggle of
the revolutionary war is unadorned by
any shaft to perpetuate the memory of
the Delaware troops who assisted Gen-
eral Greene in bringing about the be-
ginning of the end of the war for Amer-
ican independence. The letter to the
Delaware senator will also convey the
information that there are several pret-
ty sites for such a monument and ex-
press the hope that its erection may be
brought about.

Failure of Judicial District Bill.

Among the local lawyers and many
other people much regret is expressed
over the failure of the special ses-
sion of the legislature to create a
judicial district of Guilford county.
The need of more courts in Guil-
ford is pressing, and the people
interested in the matter believe the
most effective remedy is to be found in
making this county a separate judicial
district. The proposed measure had
the united and enthusiastic support of
the Guilford bar and doubtless would
have been enacted into law but for the
fact that similar measures came up
from several other counties. Doubtless
the bill will come up again at the next
session of the legislature.

So congested is the civil docket of
the Superior court of Guilford that an
action instituted at the present time
would have slight chance of coming
up for trial for two years or more.
