Information from the sheriff's office  
is to the effect that the poll tax book  
still contains a large number of unpaid  
receipts. Payments have picked up  
some in the last few days, but they are  
not as large as they might be. The  
time for paying taxes for those who  
wish to vote in any of the elections  
this year is very short. May 1st is the  
final limit, and only about two weeks  
remain in which those who have not  
already qualified themselves will be  
able to do so.

phanage, but the trustees arrived at no  
conclusion in the matter. Another  
meeting will be held in Salisbury on  
the 29th inst.

forward to the coming of Dr. C. Al-  
phonso Smith, of the University of  
North Carolina, who will deliver an  
address at the close of the graded school  
there on the 25th of this month. Dr.  
Smith is one of the most talented  
speakers of the South, as well as a  
leading educator. His address will  
add much to the program for the day,  
and the school is fortunate in procur-  
ing him. The program will also con-  
sist of an entertainment to be given by  
the school.

Judge Thomas J. Shaw made a pro-  
hibition speech in Concord Saturday  
that is said to have been a very effec-  
tive argument for the cause of temper-  
ance. In the course of an extended  
report of the speech, which was made  
before a large audience, the Concord  
Times says: "Judge Shaw's speech  
was an able and effective one, a plain  
statement of the case, with not a word  
in it calculated to give offense. Hav-  
ing been a Superior court judge, he was  
qualified to speak of the evils of whis-  
key, and what he said carried great  
weight."

Yesterday the contract was awarded  
for the construction of the Telfair san-  
itarium, in Glenwood, a suburb of

## GREENSBORO'S PROGRESS.

Interesting Facts Brought Out in Reports  
Submitted at Annual Meeting of Cham-  
ber of Commerce.

The third annual meeting of the  
Greensboro Chamber of Commerce was  
held Monday night, when encourag-  
ing reports of the past year's work were  
submitted. President M. W. Thomp-  
son, after calling the meeting to order,  
made a short address, in which he  
spoke of the work of the body during  
the past year. Secretary J. S. Kuy-  
kendall read his report, which was  
adopted with hearty applause. Treas-  
urer E. S. Willis' report showed that  
the chamber's income was not suffi-  
cient to meet expenses, showing a debt  
of \$1,100. Chairman W. H. Swift, of  
the committee on statistics, then read  
his report. Judge R. M. Douglas, of  
the committee on legislation, read his  
report, together with certain recom-  
mendations, which were adopted. R.  
C. Hood, chairman of the committee  
on health, sanitation and civic im-  
provement, made a spirited talk on  
cleaning up the city.

The financial condition of the cham-  
ber of commerce was discussed and a  
resolution was passed asking the board  
of aldermen for an appropriation of  
\$500 per annum.

The chamber adopted a resolution,  
offered by C. G. Wright, endorsing a  
movement for the construction of a  
continuous macadamized highway  
from Raleigh through Greensboro to  
Charlotte. The plan is to gain the co-  
operation of various commercial orga-  
nizations and the counties through  
which the proposed highway would  
pass. Prof. J. I. Foust offered a resolu-  
tion providing for the appointment of  
a committee to co-operate with the  
board of education with the view of  
enlarging Greensboro's school building  
plant. The resolution recited that  
there was pressing need of additional  
facilities. It was adopted and Presi-  
dent Thompson appointed on the com-  
mittee Messrs. R. C. Hood, J. W.  
Scott, J. J. Stone, E. P. Wharton and  
J. I. Foust.

A resolution endorsing and com-  
mending the Greensboro Musical as-  
sociation was adopted by a unanimous  
vote.

The following named directors for  
the next three years were elected: E.  
J. Justice, L. J. Brandt, W. E. Harri-  
son, J. W. Scott, J. I. Foust, F. B.  
Ricks and R. C. Hood.

### SECRETARY'S REPORT.

The report of Secretary Kuykendall,  
covering the ten months of his ser-  
vice, reviewed the commercial and in-  
dustrial progress of Greensboro during  
that period. Among other evidences  
of the material advancement of the  
city, he recited the following facts:

The assets of our banks increased  
from \$4,475,000 to \$4,652,242, a gain in  
assets of \$177,242; the surplus increased  
from \$162,000 to \$198,802.41, a gain in  
surplus of \$36,802.41.

Our six fire insurance companies  
have a capital and surplus of \$1,457,-  
768.24, with assets of \$2,417,944.80.

The capital and surplus of our three  
life insurance companies has increased  
from \$546,000 in 1907, to \$701,207.86 in  
1908; a gain of \$155,207.86.

The business in force of our three life  
insurance companies increased from  
\$18,277,790 in 1907 to \$23,000,000 in 1908.  
The assessed value of real estate in  
Guilford county as shown on the as-  
sessors' books for 1907 is \$20,650,000, a  
gain of \$4,500,000 over the previous as-  
sessment.

It may be of interest to know that  
808 deeds have been recorded from Sep-  
tember 1, 1907, to April 1, 1908, during  
the so-called panic, with a considera-  
tion of \$377,977.18.

It is gratifying to observe that not-  
withstanding the general business de-  
pression throughout the country in  
1908, our postoffice receipts increased  
\$149.54 during the first quarter of 1908,  
over the first quarter of 1907 during the  
period of our unprecedented prosperity.

There has been a perceptible increase  
in the number of northern home-seek-  
ers and capitalists seeking investment  
in the South. Especially is this true  
since the financial depression has set  
in. The chamber is now in corre-  
spondence with fifty-seven parties who  
desire to engage in some line of busi-  
ness here, and it is hoped that we may  
be able to locate some of them during  
the coming year.

The directors of the Chamber of Com-  
merce held a meeting last night and  
elected the following officers for the  
ensuing year: C. M. Vanstory, presi-  
dent; J. N. Longest, first vice-presi-  
dent; H. C. Huntley, second vice-presi-  
dent; J. S. Kuykendall, secretary; E.  
S. Willis, treasurer.

The mid-year meeting of the North  
Carolina Yearly Meeting of Friends  
was held in this city yesterday. Only  
routine business was transacted.

## BASEBALL GAMES.

Greensboro Professional Team Loses to  
Danville—Other Games.

Guilford College met her first defeat  
of the season here Friday, afternoon,  
when she went down before Villa Nova  
(Pennsylvania), to the tune of 9 to 6.  
The game was slow and uninteresting,  
being conspicuous for poor playing and  
many errors. In the first half of the  
first inning Hobbs hit two men and  
was replaced in the box by Doak.  
Sharp, Guilford's regular catcher, was  
disqualified by a sore hand. His place  
was taken by Stewart, who caught for  
the first time in a public game and  
gave a splendid account of himself.

Score by innings: R. H. E.  
Villa Nova.....300 040 20x-9 4 5  
Guilford.....110 001 012-6 5 7  
Batteries: Peloquin and Walsh;  
Hobbs, Doak and Stewart. Umpire,  
McKevitt.

In a slow game Saturday afternoon  
Oak Ridge defeated Davidson by the  
score of 7 to 3. A high wind made  
fast playing impossible; however, the  
game was interesting until the sixth  
inning, when a hit batsman, a base on  
balls and three errors gave Oak Ridge  
six runs and the game. Davidson hit  
Mayberry hard in the ninth, securing  
two earned runs. Davidson had 13 men  
left on bases against 6 for Oak Ridge.

Score by innings: R. H. E.  
Oak Ridge.....000 016 000-7 6 2  
Davidson.....000 000 102-3 10 4  
Batteries: Mayberry and Holt; Clark  
and Sherrill. Umpire, Walsh.

Greensboro's professional team played  
its first game of the season in Dau-  
ville, Va., Monday, and was defeated  
by the league team of that city by the  
score of 7 to 6. The Greensboro play-  
ers showed their lack of practice, but  
demonstrated that they are ball play-  
ers of the first water. Hicks and Cook  
played well in the infield, but Sisson,  
at center, was the prominent star. He  
landed for four hits out of five times;  
the bat, handled himself well in the  
field and ran bases like a locomobile.

Score by innings: R. H. E.  
Danville.....0 1 0 3 3 0 0 0\*-7 10 2  
Greensboro 1 0 1 2 2 0 0 0 0-6 12 7  
Batteries: Steiner, Walsh and Ryan;  
Dragoo and Walsh, Smith and Adams.  
Umpire, Coleman.

In a second game in Danville yester-  
day afternoon Greensboro was defeated  
by the score of 14 to 8. The game was  
loose and ragged, both teams showing  
lack of training. The Greensboro  
team took a brace at times and pulled  
off several brilliant plays.

Score by innings: R. H. E.  
Danville.....1 0 3 4 2 1 1 2\*-14 16 4  
Greensboro 1 2 2 0 0 1 1 1 0-8 12 6  
Batteries: Loos, Walker and Spicer;  
Frye and Adams, Thorge and Walsh.  
Umpire, McGill.

The Greensboro and Danville teams  
play in this city today and tomorrow.

## A SAFE BANK

Absolute security  
should be the first con-  
sideration in selecting a  
bank. Other induc-  
ments such as liberal ac-  
commodations, satisfac-  
tory rates of interest and  
polite treatment, which  
valuable in themselves,  
are of secondary impor-  
tance. This bank with its  
large capital offers its  
depositors the highest  
form of security and at  
the same time extends  
every courtesy and facili-  
ty.

### Judge Pritchard on the 25th.

Judge Jeter C. Pritchard, of Ashe-  
ville, who some time ago accepted an  
invitation to speak on prohibition in  
Greensboro, has notified the central  
committee that he will come to Green-  
sboro on Saturday, April 25th, to fill  
this engagement. The committee pur-  
poses having the speaking in the court  
house or city hall at 2:30 o'clock in the  
afternoon. It is hoped that a large  
attendance of the people of the county,  
especially from the rural districts, will  
hear Judge Pritchard on this occasion.  
There are few speakers in the state of  
greater reputation than Judge Pritchard  
and few who are better prepared to  
speak on this subject. Everywhere he  
has spoken on this question he has  
been greeted by large audiences, and  
Guilford county will no doubt give him  
the largest yet.
