ROAD PETITIONS GRANTED.

County Commissioners Order Several New Highways Opened—Report of Prisoners and Other Matters.

The monthly meeting of the board of county commissioners was held Monday and yesterday, a large amount of routine and special business being transacted.

The clerk of the Superior court was instructed to prepare a permanent record of the voters of the county who have registered under the "grandfather clause" and transmit the same to the secretary of state.

The tax valuation of the Whitehead lands, in Jamestown township, was reduced from \$10,000 to \$8,000 and the valuation of the North State mine property from \$8,500 to \$8,000.

The commissioners authorized the purchase of a North Carolina state flag for the court house.

A report was filed by the highway commissioners making the following showing as to convicts under their care during the month of June:

Prisoners on hand 33
Prisoners received 10

Total for the month 43
Prisoners discharged 10
Prisoners escaped 1

Prisoners on hand July 1st 32

The following public road petitions, which had been filed at previous meetings of the board, were granted:

For a public road in High Point township, leading from a point on the macadamized road near D. H. Baker's residence along the line of Rufus King and Amos Ragan to the top of the hill near Joash Reynolds' place.

For a road in Fentress township, beginning at Pleasant Garden and running to the Greensboro and Asheboro road, at a point near J. D. Quate's.

For a road in Madison and Jefferson townships, beginning near D. R. Huffins' bridge and running to David Sockwell's place.

The board denied a petition for a new road in Monroe township, to run through the lands of Mrs. E. T. Lambeth, J. W. Schofield and others, but ordered the opening of a road in that section to run as follows: To begin on the west side of Doggett's mill road, on a line separating the lands of W. T. Smith and Tyre Glenn, and to run west by R. L. Schofield's house; thence west along the tobacco barns on the lands of Mrs. E. T. Lambeth to the public road.

A joint meeting of the county commissioners and the highway commissioners was held Monday afternoon to receive a petition asking that the Thomasville road between the corporate limits of High Point and the Davidson county line, a distance of about two miles, be macadamized. The petition was presented by a big delegation of High Point citizens, among whom were the following gentlemen: J. Elwood Cox, W. H. Ragan, A. E. Tate, J. J. Farris, J. J. Welch, R. A. Wheeler, W. T. Parker, F. M. Pickett, J. P. Redding, S. L. Davis, Dr. D. A. Stanton and Dr. J. A. Turner.

After considering the matter, the petition was withdrawn for the present.

Death of Mrs. A. A. Chandler.

Mrs. Augustus A. Chandler died yesterday afternoon at her home on Guilford avenue, after a lingering illness of tuberculosis. She had been critically ill for many weeks and the end was not unexpected.

The funeral was held from the family residence this afternoon, the service being conducted by Rev. Dr. G. H. Detwiler and Rev. Dr. J. L. White and interment made in Greene Hill cemetery.

Mrs. Chandler was a devoted member of West Market Street Methodist church. In addition to her husband, she is survived by two young children and two brothers—Messrs. T. M. and W. R. Pickard.

Thief Makes Away With \$2,100.

A short time ago Miss Ella Gardner, who had managed to save the sum of \$2,100 during her residence in Greensboro, concluded the money would be safer in a bureau drawer or an old stocking than in a bank, and accordingly withdrew the entire amount from one of the local banks and sent it to the home of her father, Mr. Alfred Gardner, who lives two and a half miles north of Jamestown. A neighbor who was in town Monday reported that, during the absence of the family one day during the past week, a thief entered the Gardner residence and stole the entire amount.

IMPORTANT LAW POINTS.

Unusual Litigation in Progress in United States Court.

Before the special term of United States District court adjourned last week Judge Boyd heard argument by attorneys on some very important law points, in which many people are concerned. The cases are what are called *seis fas* against forfeited bonds of defendants in the courts, as well as on distillers and tobacco manufacturers. They run back for a period of twenty and thirty years.

These cases are against sureties on bonds, against whom nothing could be collected at the time of the forfeiture after judgment absolute was taken against them and execution run out.

For a year or more the government has had officers examining the tax lists and deed books of every county in which one of these former insolvent sureties lived, with the result that when one was found to have accumulated property as he grew older, a new execution was issued against him and in many instances the amount has been paid on a fair compromise.

It is said that one of the wealthiest men in this section paid over \$1,800 recently on compromise to escape the penalty of a \$5,000 bond he signed while he was a young man, for the tobacco manufacturer for whom he was working at a salary of \$30 a month.

A great many others have paid up. The amounts generally range from \$200 to \$500. But many of the bondsmen, rather than pay, joined together, and retained ex-Judge Bynum, of Greensboro, and Mr. Mull, an attorney of Morganton, to test the cases for them. The total amount involved is said to be over \$30,000.

A case will be carried up to the United States Circuit court of Appeals, in Richmond, for a decision.

Farmers' Institutes.

Farmers' institutes will be held in Guilford county during the next few weeks as follows: Jamestown, Monday, July 27th; Brown Summit, Thursday, July 30th; McLeansville, Friday, August 7th. At each institute there will be two or three speakers, furnished by the state department of agriculture, and probably one from the United States department of agriculture, in addition to local speakers. These institutes are for a free and informal discussion of every-day farm problems.

A Surprise Marriage.

The friends of Mr. Mack Greeson and Miss Viola Paisley, prominent young people of eastern Guilford, will be surprised to learn that they were married at Gibsonville April 27th by Rev. F. M. Harr, the Lutheran pastor. Mr. Greeson is a son of Mr. M. N. Greeson, of Brick Church. His bride is a daughter of Mr. J. R. Paisley, of McLeansville. The marriage was not known to the most intimate friends of the young couple until a few days ago.

Reidsville Review: Rev. D. I. Craig preached his thirtieth anniversary sermon at the First Presbyterian church Sunday. His text was the same one he selected when he preached his first sermon here. Of the present membership, only ten were members of the church thirty years ago, and only one of these was able to be present Sunday. His congregation hopes that he may continue to lead them for many more years.

GOOD BASEBALL PLAYING.

The Greensboro Team Takes Two Games From Greenville.

The Greensboro baseball team is doing itself proud this week, having taken two games from Greenville, the leading team in the league. These two games are pronounced the prettiest exhibitions of ball-playing seen on the local diamond during the season.

In Monday's game the score stood 4 to 4 in the eleventh inning, when the Greenville team raised a kick over a decision of the umpire and walked off the field. The game was declared forfeited to Greensboro by a score of 9 to 0. The kick of the Greenville players was occasioned by the fact that the umpire called a ball fair when they contended it was a foul ball.

The locals won yesterday's game in the twelfth inning, the score standing 1 to 0. The one run was scored by Manager McKevitt.

The closing game of the series is being played this afternoon. Tomorrow Winston comes to Greensboro for the remainder of the week.

Following is the standing of the clubs in the Carolina league:

	Won	Lost	Pct
Greenville	34	20	.630
Spartanburg	31	25	.554
Greensboro	28	27	.509
Winston	29	29	.500
Anderson	23	31	.428
Charlotte	21	34	.382

BANKRUPTCY PROCEEDINGS.

Judge Boyd Names Receivers of Pomona Cotton Mills.

An involuntary petition of bankruptcy was filed in the United States court yesterday against the Pomona Cotton Manufacturing Company, which has been in the hands of receivers for some time. The petition was filed by J. E. Latham & Co., cotton brokers; C. L. Williams, receiver of the City National Bank, and other creditors. Judge Boyd appointed F. H. Fries, of Winston-Salem, and J. C. Watkins, of Greensboro, temporary receivers and made the order returnable July 14th.

F. H. Fries and A. E. Moore, of Gastonia, were appointed receivers of the company by Judge Fred Moore, in Mecklenburg Superior court, March 16th.

If the company is adjudged bankrupt, it is understood that the plant, which has been idle for the past five or six months, will be operated by the receivers named by the Federal court.

County Superintendent Foust requests the PATRIOT to direct the attention of all white public school teachers in the county to the fact that the teachers' institute will be held during the week beginning Monday, August 17th. All persons desiring to teach in the public schools of Guilford next year will be required to attend the institute continuously. A competent corps of instructors will assist Superintendent Foust in the work of the institute.

Two of our good friends, Messrs. John A. Young and F. P. Albright, have favored us this season with baskets of fine peaches. Mr. Young sent in a generous sample of Connet's Southern Early. Mr. Albright sent a big basket of the famous Greensboro peaches. Both varieties have yielded an abundance of perfect fruit this year.

Just before going to press we received a copy of the program of the Sunday School Convention of the North Carolina and Virginia Christian Conference, to be held at Bethlehem Christian church, Alamance county, July 14 and 15. We regret that it was not received in time for publication.
