The convention was held in the paring to open a retail tea, coffee Grand opera house and was called to order by County Chairman Brown a few minutes after 11 o'clock. The people of Guilford and surrounding counties will be interested to learn that Hon. John W. Mr. Kern will make only three speeches in North Carolina, his two other appointments being at Asheville on October 5th and Winston-Salem on the

Before he left the Denver convention, after having been nominated for vice president, Mr. Kern was invited by Hon. A. L. Brooks to visit the Fifth district and make one or more speeches during the campaign and accepted the invitation on condition that he found it convenient to visit North Carolina. It is significant to note that two of the three speeches Mr. Kern will make in North Carolina will be delivered in the Fifth district.

Mr. Kern's visit to Greensboro wil arouse more than local interest and will be the occasion of bringing together one of the largest crowds that ever assembled here to hear a political speech. It is presumed that his speech' will be delivered in the afternoon, as it is believed more people from the surrounding country could hear him at a convenient hour then than at night.
