

If The Farmers

Of this immediate section will buy a pure bred Percheron Stallion, we'll take \$100.00 stock in him. Don't ask us why we'll do this, but go to thinking.

If the farmers of this section want to buy good clothes at "farmers" prices we have the Suits, Overcoats and Underwear that will satisfy.

When you come to the fair drop in and talk over the Stallion proposition.

Work of the Audubon Society.

Mr. T. Gilbert Pearson, secretary of the North Carolina Audubon Society, whose busy season will open in a short while and continue through the fall and winter months, says the state is better organized for game protection than ever before and that the benefits of the restrictive legislation are being recognized and appreciated more by the public generally. While he never expects to see the day when people will not kill game out of season, Mr. Pearson says the law in this respect is being observed much better than it was formerly. During the past month there were only 12 arrests in this state for killing game out of season.

The work of the Audubon Society is being extended into Virginia, and during the next few months Mr. Pearson, who is also secretary of the national society, will make several addresses in that state, speaking in Danville, Roanoke, Lynchburg, Richmond and other places.

Beautiful Fall Wedding Celebrated.

A pretty fall wedding was celebrated in St. Barnabas Episcopal church last Wednesday evening at 8 o'clock, when Miss Winona Fluharty became the bride of Mr. Temple S. Horry. The church, beautifully decorated for the occasion, was crowded with the friends of the young couple. The words of the beautiful Episcopal ceremony were said by the rector, Rev. Thomas G. Paulkner. The bridal party was preceded into the church by the vested choir, singing Lohengrin's "Faithful and True," the accompaniment being rendered by Miss Alma Ashley. The bride, attired in a beautiful creation of Grecian satin and white lace, entered upon the arm of her father, Mr. W. J. Fluharty, who gave her in marriage. The maid of honor was Miss Daisy Fluharty, of Baltimore, an aunt of the bride, and the best man was Mr. R. H. Breese. The ushers were: Messrs. William Fluharty, R. D. Douglas, J. E. Mann and W. B. Harrison. Little Miss Alice Womble was the flower girl.

Following the ceremony and a reception at the home of the bride's parents, Mr. and Mrs. Horry boarded a late train for Norfolk, Washington and other cities.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop to the conclusion that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerve, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

Read the Following Unsolicited Testimonial

Pomona, Guilford County, N. C.,
March, 27th, 1908.

Mr. Sides,
Dear Sir:
I am thinking you would like to hear how I am getting along after using the new remedy you and Mr. Yates so kindly had me use. After nearly four months of suffering with rheumatism and kidney complaint, and everything done for me which only relieved for the time being, I am now using the Band, which seemed to help me at once. At the time my feet, knees and hips were so swollen that I could not walk a step. As soon as I put it on there was a heating sensation all over my system, and in one week I was surprised that the swelling was going out, and I could sleep. In two weeks I could walk around the room, the third week I could go where I pleased. I feel stiff in my knees somewhat, but that is going out fast. You may think this a quick work, but it is nevertheless true. My family and neighbors will testify the same. They all know I have suffered all winter, and I feel very grateful to you both, for what this remedy has done for me, and will recommend it to all suffering as I have.

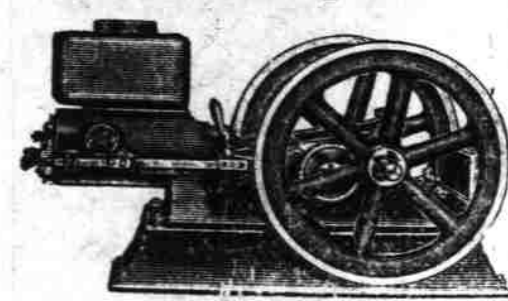

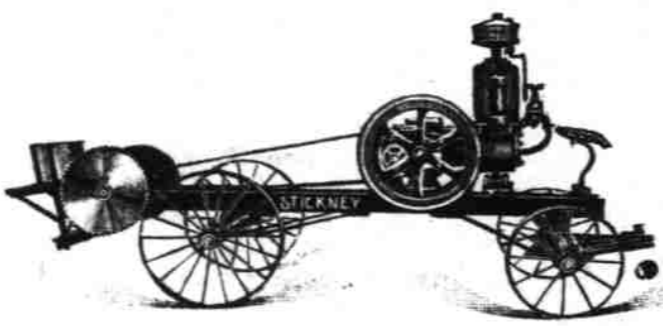

Respectfully yours,
(Signed) A. D. V. LEIGH.

Why don't you profit by the experience of others? Your family doctor is all right, and will do all he can for you, but he cannot cure that rheumatism.

I have cured hundreds of hopeless cases with my wonderful Band, dozens of them right here in Greensboro, and in Guilford county.

Write today for full information and terms.
