Oaks-Bell.

Miss May Oaks and Leonard H Bell, both of this city, were united in marriage last night by Rev. A. W Plyler, pastor of Centenary Methodist church, at the parsonage on Arlington street. The bride is the daughter of Mr. and Mrs. W. P. Oaks, of Greensboro. Following the ceremony, the young couple left for a bridal trip to Southern cities. They will return to this city to live. Mr. Bell has a position with the Brown-Belk Company.

Dr. Wolfe Commissioned.

Dr. Hugh C. Wolfe, son of Mr. and Mrs. J. H. Wolfe, of this city, has passed the examination of the navy for commission as lieutenant. He wrote his parents from Clifton Forge, Va., where he has been for months on hospital duty that he passed all his subjects in medicine and surgery and is anticipating a call to duty within two weeks. Dr. Wolfe hopes he will be located in the naval hospital at Norfolk, where the government has 2,500 beds.

Mr. Roy Resigns.

At a meeting of the executive committee of Greensboro College for Women trustees here Thursday Prof. Robert L. Roy, violin teacher, tendered his resignation and the same was accepted. Mr. Roy is a German, who has not been naturalized. It will be recalled that during the holidays E. D. Steele, of High Point, took his niece out of the college because Mr. Roy was a member of the faculty. Mr. Roy resigned because of the publicity connected with that

Held For Federal Court.

Mrs. V. H. Porter, who lives in South Greensboro, was given a hearing Friday before United States Commissioner D. H. Collins on a charge of forging signatures of local physicians to prescriptions for narcotics The commissioner found the evidence sufficient to justify him in binding Mrs. Porter over to the June term of Federal court. S. M. Maddox, who runs the Five Points drug store, is charged with violating the law in filling these prescriptions. His hearing is set for next Friday.

Too Much Mud For Robert.

Robert Hayth, a negro, reported to the police last night that the mud is so deep on East Gaston street, between Macon and Gilmer streets, that it was necessary to have 10 men to help him get his horse and buggy through it. The negro stated that he had been to see his sister, who is ill, and was on his return when his team went into the mud. He was forced to unhitch the horse and lead it out, he said, and the harness was broken. He is expected to take the matter up with the city commission-

Examining First Class.

The local board No. 1 of Guilford county, having jurisdiction over the 15 rural townships of the county, began last week examining the registrants who were adjudged of the first class. This week local board No. 2, which has supervision of the registrants of Greensboro, will call men of the first class up for examinations. The county board called whites and negroes at the same time and examined them in order, right together. It is the purpose of the city board to call the men of the two races separately.

Third Sale Not Success.

The third sale of the land of J. F. upon it was lower than either the three; one of 66 acres, one of 85 ply to the court for the relief demandacres and one of 29 acres, all located in the general region of Summerfield. All were sold together and Bascom Ogburn was the successful bidder for \$3,800. On the first sale the property brought about \$4,400; the second it dropped to about \$4,000; and the third is still lower. The sale probably will not be confirmed.

WASHINGTON'S BIRTHDAY WILL BE THRIFT DAY

Washington's birthday, February 22, will be celebrated this year in the schools of North Carolina as war savings day. The usual program of patriotic songs and speeches will be turned into a program of concrete patriotic service and definite action. At every school on that day will be a representative of the state war avings committee not only to explain the war savings plan, but to sell thrift stamps and war savings certificates. Another feature of the program will be organizing war savngs societies both in the schools and in the school communities.

Superintendent J. Y. Joyner announces that thrift day in the schools is only one of a series of make, save, serve days that will be observed once a month for the remainder of the term. The public school army enrolled is 649,246 children commanded by 14,550 teachers. To teach this number of North Carolinians the lesson of thrift and economy, Dr. Joyner believes, will be a long step toward saving the state and providing for future prosperity. To this work he has called all superintendents, principals and teachers in the name of their country and for the life of freedom. His request to his co-workers are:

"Superintendents, principals and teachers, in the name of your country, I call upon you, one and all, to respond to her call in this hour of your forces in a vigorous campaign for the purpose and sale of war savings stamps and certificates. Follow it up unremittingly until North Carolina's quota of fifty million dollars has been sold. In a time like this, every school should be a patriotic association, ready to respond to every call of the government for such service as it can render. If we lose this war, government of the people, by the people and for the people will perish from the earth. If democracy dies, who lives! If democracy lives, who dies!"
