

ESTABLISHED

RESULT OF SATURDAY'S DEMOCRATIC PRIMARY

OVERMAN NOMINATED FOR U. S. SENATOR

Gardner, Morrison and Page Ran Close Together, the Latter Being the Lowest--A Second Primary Necessary for Governor--Close Between Candidates for the Supreme Court Bench--Good Vote Polled.

Reports from 67 counties of the state indicate that O. Max Gardner, of Shelby, and Cameron Morrison, of Charlotte, are running neck and neck for first place in the gubernatorial race, while Robert N. Page, of Biscoe, is generally acknowledged to have dropped to third place. Gardner headquarters claim their candidate has a substantial lead but the Morrison leaders figure even a better lead for their man. The final result will probably be unknown for several days when the remote counties have had an opportunity of receiving full reports and communicating them to state headquarters.

One fact positive to be deducted from results ascertained to date is that a second primary will be required to decide the successful nominee of the Democratic party. In Guilford county Mr. Page made a splendid run and had other sections of the state failed to his cause in similar fashion he would have received the nomination in the first primary. In this county Page received 1,225 votes, Morrison 472 and Gardner 647, thereby giving the Biscoe man a majority of the ballots cast in the county.

According to figures sent out from Raleigh headquarters of Max Gardner the vote is estimated as follows: Gardner, 27,000; Morrison, 21,000; Page, 13,000. A summary compiled by Morrison headquarters in Charlotte gives Morrison 32,882; Gardner, 31,017; Page, 20,173, and so it goes.

It is a safe bet, however, that a second primary will be called for July 3, or some date thereabouts, and a warm contest between Gardner and Morrison is anticipated.

Overman Wins Over Brooks.

Returns of the result of the senatorial contest are sufficient to show that Senator Lee S. Overman, of Salisbury, has won a decided victory over Hon. Aubrey L. Brooks, of Greensboro. While the returns are by no means complete they are sufficient to show beyond doubt that Overman has been nominated.

In Guilford county Mr. Brooks received 1,186 votes to 1,120 cast for his opponent.

Sufficient returns have also been received to indicate that Justice of the Supreme Court W. A. Hoke is in the lead, while N. Y. Gulley, Stacey and Adams are close contestants for the second place on the Supreme court bench.

In the race for state auditor to succeed Col. Penn Wood it appears that Baxter Durham has the advantage. Maj. W. A. Graham is in the lead to succeed himself as commissioner of agriculture. M. L. Shipman heads the ticket for commissioner of labor and printing, while Stacy Wade, chief assistant to the commissioner of insurance, appears to have the nomination to succeed J. R. Young, retired.

Would Reduce President's Salary.

Washington, June 3.—A bill providing for reduction of the salary of the President of the United States from \$75,000 to \$50,000 a year was introduced to-day by Senator Smith, Democrat, Georgia. Senator Smith also introduced a resolution proposing an amendment to the constitution which would limit the President to one term of six years.

MENDENHALL FOR SENATE OVER J. L. KING

WHARTON LEADS FOR REGISTER —FOUSHEE AND JONES FOR BOARD.

O. E. Mendenhall, of High Point, candidate for the state senate, is the choice of Guilford Democrats, Mr. Mendenhall leading his opponent, John L. King, by about 400 votes. R. H. Wharton, present register of deeds, who sought re-election, received an overwhelming majority and led John L. Haynes, his opponent, by over 1,600. W. C. Jones, of High Point, and J. Giles Foushee, of near Greensboro, were the successful candidates for the two vacancies on the board of commissioners. D. R. Huffine, the third aspirant, being defeated.

The vote cast on Saturday came near reaching normal proportions, it having been expected that the downpour of rain throughout the day would materially reduce the number of ballots cast. The normal vote in the primaries usually ranges around 2,500 while the total cast on Saturday was but a few hundred below that mark.

Reports from all precincts of the county had not been received this morning, but the absent accounts were from small districts that could not materially affect the situation.

The latest tabulation of the vote on Saturday relative to the county ticket is as follows: King, 932; Mendenhall, 1,365; Wharton, 1,941; Haynes, 327; Jones, 1,623; Foushee, 1,407; Huffine, 1,112.

WILFORD COLLEGE SCENE OF DOUBLE WEDDING.

The Friends church of Guilford College was the scene of a beautiful double wedding on Wednesday evening when Miss Eula Ballinger became the bride of Lonnie Albright, and Miss Bertha Fox the bride of Clyde Ballinger.

The church was beautifully decorated for the event and presented an impressive scene for the pronouncement of the marital vows by the two prominent young couples. The officiating minister was Rev. J. Edgar Williams, pastor of the Friends church, and the ring ceremony was employed.

Miss Ballinger and Mr. Ballinger are children of Mrs. Dora Ballinger, their father being the late N. A. Ballinger. They were both raised on the old family estate located on the Guilford College road, and both are well and favorably known to a wide circle of friends. Mr. Ballinger is connected with the Penny-Long Company, of this city, and is a leading young member of the automobile profession in Greensboro.

Miss Fox is the daughter of Dr. and Mrs. M. F. Fox, of Guilford College. She is a talented and accomplished young lady and her splendid traits of character have endeared her to a wide acquaintance.

Lonnie Albright is connected with the American Land Company, of this city, he having moved here from the Guilford College community recently. He is well known in the city and county and is held in the highest esteem.

Mr. and Mrs. Ballinger will spend two weeks in New York and other cities north, returning to make their home in this city. Mr. and Mrs. Albright left for a stay of two weeks at Asheville and western North Carolina, after which they will make their home in High Point.

To Get Additional Pensions.

Washington, June 3.—The house acceded to-day to senate amendments to its bill to give veterans of the Spanish and Philippine wars suffering from disabilities not resulting from service, pensions of from \$12 to \$30 a month. All veterans of the two wars on reaching the age of 60 would be given the same pensions. The measure now goes to the President.

CHAMP CLARK GIVES THE SENATE STRAIGHT TALK

DENOUNCES NAGGERS OF PRESIDENT WILSON

The "Gates of Hell" Cannot Prevail Against the Record of Woodrow Wilson and the Democratic Party --Republicans Should Cease "Nagging" and Give Credit Where Credit is Due.

Washington, June 3.—"The gates of hell" cannot prevail against the record of Woodrow Wilson and the Democratic party, ex-Speaker Champ Clark told the house to-day. He attacked the Republicans for continually nagging the President. The fact that Congress has been abused by the people had been deplored, prior to Mr. Clark's speech, by Representative Reavis, Republican, Nebraska.

"I submit to him and to all other candid gentlemen," said Clark, "if it is not just as improper for Congress to abuse the President of the United States as it is for the people to abuse Congress."

"I have no desire or intention," said Mr. Reavis, "to abuse the President of the United States. I was simply replying to a charge that the loss of prestige of Congress was due to the action of Congress."

"You can say what you please about it," said Mr. Clark. "Woodrow Wilson takes his place in history along with Washington and Jefferson and Jackson and Lincoln—those are my four favorites."

"In this great campaign that is impending Democrats stand squarely and proudly on the record they made when we had the President and both branches of Congress. It is a record of unimpeachable glory. A man that cannot defend it successfully is an idiot. In six years a Democratic President and a Democratic Congress have put more good progressive remedial legislation on the statute books than did the Republican party in twenty-five."

"We stand on what we did, and the gates of hell shall not prevail against us. If I was going to pick out just one thing that has done the American people more good, and that was done by Democrats, than any other, I would pick out the federal reserve system."

"The war was conducted to a successful conclusion under a great Democratic President. You cannot deny that. And you can get your spy-glasses and examine the record and you will find it is a fine record."

"What is it that makes you want to pick flaws with him all the time? We have not heard anybody praising him for things he has done that are unquestionably good. For instance, he insists that the Turk shall be sent across the Bosphorus and put back into Asia where he belongs. I am in favor of it. He never had any business in Europe to begin with. The quicker you get him out the better the peace of the world will be. But I have not heard a single Republican stand up on the floor of this house in all the talk there has been about the President and praise him for even that meritorious suggestion."

"I will tell you my theory about the President. The minute a man is elected President of the United States he becomes President of us all. I hope to heaven that you Republicans will not elect a President, but if you should happen to do so through any inscrutable arrangement of Providence, if we have not been punished enough yet, the minute he is sworn in on the 4th of March he will become my President."

D. T. FERRELL VICTIM OF AUTO ACCIDENT

AN AUTOMOBILE OVERTURNED NEAR BISCOE AND DEATH RESULTED.

D. T. Ferrell, a local insurance agent, was instantly killed Saturday morning in an automobile accident that occurred near Biscoe. Mr. Ferrell was driving from Clinton to Greensboro and about two miles out from Biscoe his machine left the road, ran up an embankment and was completely overturned. Mr. Ferrell was pinned underneath the machine and death occurred before assistance could be rendered.

An eye witness to the accident stated that Mr. Ferrell was driving at a moderate rate of speed but that he lost control of the machine on a slippery road. He was the only occupant of the machine.

The remains were sent to the old home of Mr. Ferrell, near Durham, where the funeral will be held this afternoon.

Mr. Ferrell was 30 years old and was a young business man of splendid reputation. He was district manager of the Business Men's Life and Casualty Company, of this city, and was in charge of a territory embracing fifteen counties.

Surviving are five brothers and five sisters: R. B. Ferrell, of Guilford College; Z. W. Ferrell, of Wilmington; T. H. Ferrell and G. C. Ferrell, of Durham, and W. W. Ferrell, of near Durham; Mrs. Eula McLean, Mrs. J. C. Holloway and Mrs. Gatha Thompson, of near Durham; Miss Cordelia Ferrell, of Clarkton, Va.; and Mrs. Walrick, of Durham.

JUDGMENT AGAINST BONDS- MEN IN SHEMWELL CASE.

Lexington, June 5.—Bondsmen for Baxter Shemwell, who has failed to appear at two terms of court and make defense to the charge of assault with attempt to kill and carrying concealed weapons, must pay \$5,500 bond forfeitures into the county treasury when the August term of court meets. Judge T. A. McElroy pronounced judgment absolute against the forfeitures before adjourning Davidson Superior court here.

Shemwell is charged with attempting to kill Wade H. Phillips, assistant United States district attorney, in his office here some months ago. A bullet penetrated Major Phillips' clothing and Shemwell was then disarmed of two pistols by Major Phillips and his law partner, Solicitor John C. Bower. Shemwell gave two bonds aggregating \$5,500 for his appearance at the following term of court, but failed to appear. He returned a few days later and gave new bonds for the same sum.

At the term just closed Shemwell's attorneys presented affidavits from physicians of Asheville and Hot Springs, Ark., to the effect that Shemwell is in a dangerous nervous condition, but these were held not to be sufficient reason for his non-appearance. Forfeiture also runs against the more recent bonds of \$5,500, but judgment absolute cannot now be pronounced until the August term of the court.
